FIRESTONE SUBDIVISION We are going to close out this week the balance of our Firestone Sub. additions between North 27th and 20th Bivd. They have been very popular and only a very few remain. We believe there is other addition within the city limits can be found with better value for the money than can be found right here. The owner of the addition is aged, lives east and desires to close out at once. Only nine left unsold. A few left at 236 each. These are partly cut by the creek, but even at that are a good bargain. We will seil these 39 cash and 21 per month. Adjacent lots are selling for \$250. The school board has just bought an entire block in this addition at something like \$400 per lot. We have some few with no interest or taxes and thus every dollar will apply direct on purchase price. Two years these are better, higher priced and nearer car.

\$1.00 PLAN. Ask for particulars about our saving plan, whereby you can secure a lot on \$1 payment. It is excellent and interesting. By this the boy or girl on the smallest wages can become a lot owner. Maybe you don't realize how it feels to own real estate. It's a good feeling, increases your self-respect and starts you on the role to independence. Not only because \$3 fine property acquired, but also of the lesson of thrift taught. Ask for our 3 plan now.

FRUIT LANDS.

HERE'S A MONEY MAKER.
Clean up \$30,000 in One Year.
We have a ten-day option on 640 acres of fine irrigated land, one mile from a live town of 5,000 in Eastern Colorado. This land is easily worth \$100 per acre and can be sold for that without trouble. Adjoining farms are selling for \$90 to \$150 per acre and increasing in value every day. Our plece is well improved, house, barns, windmill and orchard. It will yield \$75 per acre in sugar beets alone, and every foot is good soil. The owner needs money and must make a quick sale. He has to have cash and makes us a price of \$85 per acre, if sold within ten days. We know this farm will bring \$64,000 on the general market and do not hesitate to say that within twelve months we can get a buyer at that price. The person with money enough to swing this deal can clean up \$20,000 and fun no risk. Do you want it. Seeing is believing, and we want to show this farm to you. Don't wait. It's the early bird that catches the worm. Come and see us, or write, or phone us at our expense.
