## It's a Good Sound Common Sense Policy

To use medicines only of KNOWN COMPOSITION, and which contain neither alcohol nor habit-forming drugs. It is foolish-often dangerous to do otherwise. The most intelligent people, and many of the most successful, conscientious physicians, follow this judicious course of action. The leading medical authorities, of all schools of medicine, endorse the ingredients composing Dr. Pierce's medicines. These are plainly printed on wrappers and attested under oath. There's no secrecy; an open publicity, square-deal policy is followed by the makers.

#### Dr. Pierce's Favorite Prescription

THE ONE REMEDY for woman's ailments, sold by druggists, devised and gotten up by a regularly graduated physician of vast experience in treating woman's peculiar diseases and carefully adapted to work in harmony with her delicate organization, by an experienced and skilled specialist in her maladies.

THE ONE REMEDY for woman's ailments, sold by druggists, which contains neither alcohol (which to most women is the rankest poison) or other injurious or habitforming drugs.

THE ONE REMEDY for women, the composition of which is so perfect and good that its makers are not afraid to print its every ingredient, in plain English on its outside bottle-wrapper, and attest the correctness of the same under oath.

We have a profound desire to avoid all offense to the most delicate sensitiveness of modest women, for whom we entertain the most sincere respect and admiration. We shall not, therefore, particularize here concerning the symptoms and peculiar ailments incident to the sex for which Dr. Pierce's Favorite Prescription has for more than 40 years proven such a boon. We cannot, however, do a better service to the afflicted of the gentler sex than to refer them to Dr. Pierce's Common Sense Medical Adviser, a great family doctor book of 1000 pages, bound in cloth and given away gratis, or sent, post-paid, on receipt of 31 one-cent stamps-to cover cost of mailing only. All the delicate ailments and matters about which every woman, whether young or old, single or married, should know, but which their sense of delicacy makes them hesitate to ask even the family physician about, are made plain in this great book. Write for it.

Address: WORLD'S DISPENSARY MEDICAL ASSOCIATION, R. V. Pierce, M. D., President, 663 Main Street, Buffalo, N. Y.

Time is Ripe.

Conversion of Sultan's Empire Held to Be Largely a Matter of Funds by Preacher from Asia Minor.

Turkey as a Christian nation within the next fifty years is within the possibilities. according to Rev. James P. McNaughton of Smyrna, Asia Minor, who preached at

"Whether Turkey will continue to be a moslem nation or will become a Christian nation will be determined within the next

Rev. Mr. McNaughton, before the sermon

read the chapter from Joshua in which the promise is made that the land which is now embraced in the confines of the Turkish empire should be given to Moses. "Do you realize," he said, "the debt we

had won these battles. "Turkey is the land of the prophets, of the apostles, of the apostle Paul, who was written on Turkish soil. Where is escape the conviction that we owe a debt of gratitude to Turkey that we can never

pay? "You all have heard that shibboleth of by Rev. Father McManus, the pastor of at the meeting of the Des Moines deanery bloodiess revolution in the Turkish emto be held at St. Paul's Episcopal church pire. It is only a shibboleth. Is a blood-Tuesday and Wednesday of this week will less revolution possible? If not much blood -Margaret Hutchinson, aged 13, of Redbe entertained by the Nebraska Church was shed when the Young Turks forced field, after suffering terribly, succumbed club at a banquet to be given at the Paxton the constitution from the sultan, I still to injuries received when she attempted a note plimed to the barn door demanding Tix160 feet in size, with a tower ninety- hotel Wednesday night. Hundreds of thousands from the Bernges farm. The stolen horses A basement with a nine and one-half-foot guests of Rev. John William Jones, rector have died fauitiess, men, women and little

"The revolution means a rejuvenation, a regeneration of the land, the beginning of a process of advancement. When the constitution was proclaimed thousands of murderers, robbers, brigands and thieves of Cannon Bell of Des Moines will conduct the worst sort were turned out of prison. the round table on Wednesday morning For months the prisons were not occupied. Yet for weeks there was not an act committed which would demand the attention the program for talks at the round table of the police. In the exuberance of freedom present and their places will have to be of Constantinople you could see young men who never before had heard their own voices in public mount chairs and speak in the most eloquent way of freedom There was no thought of evil. Freedom

has regenerated the people." Rev. Mr. McNaughton reviewed the acta of the so-called bloodless revolution, the fear of the Armenians, the effort of the sultan to produce a general massacre in Constantinople and the final deposing of the old sultan and the elevation of the new fair.

"A nation has been regenerated," he continued, "and now is the important time, The nation is now in the process of changing. The next fifty years will determine whether it is to become Christian or not One of the greatest influences in producing the revolution was the work of your mismionaries."

Mr. McNaughton scored what he called 'globe trotting" missionaries, who return home without actually visiting missions and criticise the work that is being done. "We have 20,000 young people in our schools," he said, "and these are like a mighty river overflowing and regenerating the whole land. What is wanted in Turkey today is a strengthening of the work. We have come up against one of the greatest crises a nation has ever seen. We have FOR MEDICAL AND FAMILY USE a chance to make this nation one of the

"A leader of the new government visited our schools and declared the American school system would be the model in the reconstruction of the Turkish system. The minister of education has appointed a moslem young woman from one of our schools head of the work for the education of the women in Turkey. Never has there been such an opportunity to jump into the 38 breach and change the whole life of the nation."
