Your home, no doubt, contains many things which are not used, and are simply taking up space in attic and basement. Perhaps it is a gun, bicycle, trunk, ice-chest, overcoat, etc. There are a great many things which you want and haven't the ready cash to buy. The best way to do it is

through a Bee Want Ad

By advertising under the head of "Barter and Exchange" you will make a good trade

for something you can use.

You can usually get more in this way than if you sold for cash. To show what can be done in this way we are making

A special price for "Swaps"

50c for an ad like this for a week—2 lines, or 18 words, 7 times for 50 cents.
