

Cornhuskers Have Lost Their Last Scrimmage Before the Great Hawkeye Game

LAST SCRIMMAGE FOR WEEK

Varsity Squad Does Not Make Good Showing Against Scrubs.

REGULARS OUT OF THE LINEUP

Injury to Bentley is Causing Coach Cole Some Uneasiness Regarding the Quarterback Problem for Saturday.

(From a Staff Correspondent.) LINCOLN, Oct. 21.—(Special.)—In the final scrimmage before the game with Iowa Saturday the scrubs this afternoon played the varsity to a standstill, holding them to almost an even score.

On the offense the second team men were able to gain through the varsity line and piled up yards and touchdowns for several yards. On the defense they formed a solid front that was nearly impregnable to the attacks of the first eleven.

The varsity came back first to score a touchdown. They kicked off to the varsity and then held for downs, getting the ball on the Cornhuskers' thirty-five-yard line. They made their downs three times by driving against the line. Then Gibson secured the ball on a forward pass and kicked left end for goal.

The varsity came back hard at the scrubs on the second kickoff and Magor, on two forward passes, carried the ball across the scrubs' goal for the first touchdown scored for the first eleven.

"King" Cole kept three of the regulars out of the varsity lineup in order to prevent possible injuries. These men were Temple, Frank and Bentley. Hascall ran the team at quarter in Bentley's place. The absence of these regulars weakened the Cornhusker team and was responsible for the good showing the second team made against them.

The quarterback problem for Saturday is still bothering "King" Cole. Bentley has been out for practice each day this week, but has taken no active part in the work. His back is still in bad shape, due to a severe fall he received in the Minnesota game, and he will be in poor shape for the Iowa game. It is almost a certainty that he will not be able to play through the whole fray, but he is likely to be in the lineup at the start. After he is forced to quit the game either Frank or Logren will be placed at quarter.

If Frank leaves the halfback position to go to quarter, either Sturtegger will be sent to Frank's post or else some man will be drawn from the line, probably Hartke, and sent to full, Rathbone will be sent to half to play Hartke's place in the line either Elliott or Wendstrand will be sent in.

Cleaning Up Athletic Field. Three hundred students in command of Prof. Caldwell, chairman of the foot ball committee of the athletic board, swooped down upon Nebraska field this afternoon to clean the ground of stones, brickbats and pieces of glass that covered the surface.

It took the contingent less than an hour to remove these little obstacles and when "King" Cole inspected the field this evening he said it appeared to be in good shape for the game Saturday.

The Nebraska coach had been adverse to letting his men play on the new field because of the number of stones and rocks which infested the land and threatened injury to men at practice. Several of the scrubs have received cuts and bruises from the rocks and Cole declared he would not permit the Cornhuskers to play there unless the field were swept clean.

The removable bleachers used at Omaha last week arrived here today and are now being installed on the south side of the field. The old grandstand that stood on the former field is being placed on the north side of the grounds.

The fence which incloses the new field has been completed. The buildings at the main entrance to the grounds are in the course of construction, but will not be done for a week or two.

Members of the athletic board inspected the new field today and declared it to be one of the best in the west. It is much larger than any athletic grounds in the Missouri valley. The gridiron will be sodded immediately after the close of the present year, giving the Cornhuskers next fall a turf gridiron, something they never have possessed at this school.

An article in this morning's Bee reporting that members of the Nebraska athletic board had complained about the size of the crowd at Omaha last Saturday caused the Cornhuskers' mentors to smile, for they never have uttered any kicks about the attendance at that game. The article published in a local paper saying that the athletic board would not schedule any more games at Omaha was printed without any authority.

It was expected here, indeed, that a crowd of 10,000 would see the game, but when only 6,000 people went there was no kick made. It was a larger crowd than would have witnessed the game had it been played in Lincoln. The foot ball management is well pleased with the way Omaha has treated Nebraska and it will

schedule another big game for that city next fall.

TIGERS CONFIDENT OF VICTORY

Will Not Return to Columbia Until After Iowa Game.

COLUMBIA, Mo., Oct. 21.—(Special.)—There is no reason why we should not win both the Ames and the Iowa games while we are on the trip," said Coach Roper today, when asked about the prospects. "We will take twenty-one men on the trip, so we will not fall short of substitutes. It will be hard to keep the men in condition while traveling, but I expect them to be in as good condition when they play Iowa on October 25, as when they play Ames."

The twenty-one men to be taken on the trip are those who have shown up best so far in the games and in scrimmages. Gove, Hupert, Alexander, Johnson, Isler, Scudder, Deatherage, Clair, Flury, Klett, Crain, Hall, Thatcher, Doyle, Bradley, Wilder, Hackney, Black, Pearson and Smith, headed by Captain Rietz, will be taken. The team left Columbia at 9 p. m. today, arriving in Des Moines Friday morning, where they will stay until Saturday morning. Then they go to Ames, where they play that afternoon. Instead of coming back to Columbia to play at Cedar Rapids all the next week, having practices work and scrimmages with Coe college. It is the intention of the team to give the Iowa game just enough scrimmages work to keep them in good condition while in Cedar Rapids. Saturday, October 20, they play at Iowa City, where they play Iowa State university.

According to Guy S. Lowman, assistant coach of the Iowa team, the Ames defeat Grinnell college last Saturday, the Tigers have a hard proposition before them. Ames, headed by Coach Roper, will be taken. The team left Columbia at 9 p. m. today, arriving in Des Moines Friday morning, where they will stay until Saturday morning. Then they go to Ames, where they play that afternoon. Instead of coming back to Columbia to play at Cedar Rapids all the next week, having practices work and scrimmages with Coe college. It is the intention of the team to give the Iowa game just enough scrimmages work to keep them in good condition while in Cedar Rapids. Saturday, October 20, they play at Iowa City, where they play Iowa State university.

The trainers expect that the table will condition the men for the Washington game Saturday. There is small "killing" hood that Washington will cause Kansas to give up. The team is in good shape. Several new players have been trained out by coaches for special use against Washington. Washington has a high, fast team, and Kansas delivery should learn much concerning the open style of play from the St. Louis players. Coach Kennedy is making his open style of play from the St. Louis players. Coach Kennedy is making his open style of play from the St. Louis players.

Commencing Wednesday evening the Kansas team began to conduct their practice behind closed doors. The varsity players are out new plays on the freshmen, and the coaches do not intend that any chance should be given to the press of the plays out of Lawrence.
