Now Works 10 Hours a Day.

'This is to certify that I have been troubled with my liver for several months past, and after trying many different remedies I read your advertisement in the Daily News of this city. I immediately wrote for a sample bottle and can truthfully say that I have been benefited very materially. I shall continue taking your medicine and feel sure that in a very few weeks' time I shall be completely recovered from my trouble which caused headache and sleeplessness. My skin was quite yellow, but it is now clearing up. I am able to put in my full ten hours each day which I have to do at the factory where I work.'
