COLE IS DRILLING HIS MEN Commences Earlier Than Usual with His Secret Practice Work. STILL SLOW ON THE OFFENSE Much Work is Still Needed Getting Down Under Punts if Nebraska is to Win the Game from Kansas University.

LINCOLN, Neb., Oct. 28.—(Special.)—Practice behind closed gates is the order for the Cornhuskers until the Kansas game. "Kings" Cole inaugurated the secret sessions yesterday afternoon when he began using new plays, having the variety try them against the scrubs, who were supplied with a full line of Jayhawk tricks.

In practice today the scrubs tried the Kansas defense against the variety's new plays and failed miserably. The first team men found the weak spots in the scrubs' play and penetrated for long gains. The scrubs on the offense were thrown back repeatedly for big losses when attempts to drive through the Cornhusker line were made.

There is still evident a great weakness among the Cornhuskers in driving down the field under punts. They were extremely slow in this department of play this afternoon. Instead of being down the field to tackle a player as soon as he receives a punt, they appear to wait for him to get the oval and the start back with it.

Cole announced today that all the regulars would get to play a part of the game with Doane Saturday. He said he would probably let the regular lineup start the game and then as soon as the scoring started, he would begin taking out the regulars and replacing them with substitutes.

The athletic board has decided to present each variety Cornhusker with a solid gold football for a watch fob if Nebraska defeats Kansas next week.

MISSOURI TIGERS LIKE LAMBS Coach Roper Sends Number of Squad Back to Columbia. CEDAR RAPIDS, Ia., Oct. 28.—(Special.)—A general shifting and roasting for "bone-headness" was in store for the crippled remnants of what once was a foot ball team when Coach Roper's twenty-two Missouri Tigers reported for signal practice at League park.

"Such defensive play as you showed against me would allow Iowa to score 20 points," snapped the coach in a disgusted tone, after which he lined the whole squad on the goal line and ran them back and forth across the field several times to teach them quick starting and improve their play.

But severe players crippled, four of whom are sure not to be able to play Saturday, and with two more, Deatherage and Lawrence, sent back to the scrubs at Columbia on account of violation of work, the problem of picking the eleven that will start the Iowa game is much simplified. Only six of the eleven that last year defeated the Hawkeyes will be in the game this year, and this fact makes the task of beating "Clare" a much easier one than it would be otherwise.

Klein and Saunders are to divide the quarterback work Saturday and the work of both has improved much during the past week. Hall and Alexander are both working out at punting. For it is likely that Hatcher will be in the game, and will keep him out of part or all of the Iowa game. Bluck's great place kicking ability will give the Cornhusker team if he retains the form shown against me yesterday when he placed three out of four attempts within the goal posts.

Each time is being spent in strengthening the defense, for the way Cole at times broke through was not at all pleasing to the coaches. Several players are under probation as a result of poor work on the trip and unless improvement is shown in their play, they will be sent back to Columbia, as no loafing will be tolerated. Captain Ristine is the only man on the squad sure of his position, and previous experience counts for nothing with Roper if flight and hard work are not coupled with it.

Prof. Thompson, a substitute end, was wired for last night and will join the squad here tomorrow. He is heavy and fast and his improved work on the scrubs at Columbia merited his advancement.

Jeff and Johnson Fix on Meeting Arrangements for Big Fight Will Be Made Friday Afternoon by Two Principals.

NEW YORK, Oct. 28.—The match for the heavyweight championship of the world between Jack Johnson, the negro champion, and James J. Jeffries, the retired title holder, will be arranged at a meeting of the principals and their managers at 3 o'clock tomorrow afternoon in this city.

The arrangements of the meeting were made by George Little, manager of Johnson and Sam Berger, who represented Jeffries, who held a conference a few hours after the arrival here of Johnson from Chicago this morning.

NEW YORK, Oct. 28.—"I am glad to get back to New York. I have come all the way from San Francisco to meet Mr. Jeffries and sign articles for our battle, and I am willing to make the arrangement under any fair conditions," said Jack Johnson, the negro heavyweight as he disembarked from the Twentieth Century limited from Chicago at the Grand Central station this morning.

There was a big crowd on hand, including many of his negro friends, to welcome Jeffries' rival, Johnson was accompanied by his manager, George Little. The two men had some difficulty in getting through the crowd which gathered along the station platforms and crowded and cheered the champion. Johnson grinned from ear to ear as the excited throng around and shook him by the hand and asked him about the fight with Jeffries.

"I hope to meet Jeffries at once, the sooner the better," said Johnson. "I never felt better, except the ball on my cheek bothers me some. I weigh about 265 pounds. How do I get the weight? I guess I have been living too high." Speaking of the match with Jeffries, Johnson displayed an evident desire to have the articles signed right away and the negotiations for the contest concluded.

George Little, my manager, will see Sam Berger," said Johnson, "and arrange for a meeting. Of course I shall be at the meeting, for Jeffries and I can do more in five minutes to settle this matter than all the go-betweens can do in a day." "I am ready to abide by the conditions that I entered into with Berger in Chicago, except that I shall ask for a winner's and loser's division of the purse."

Jeffries was delighted when he heard that Johnson had reached the city and said he was ready at any time to arrange terms. The ex-boiler maker put in some time this morning in gymnasium work. MRS. RAINY WINS TOURNEY Jakes High School Honors by Beating Miss Zimmerman.

Secrecy on Iowa Field. IOWA CITY, Ia., Oct. 28.—(Special.)—So often did the freshmen backs puncture the secrecy of the Iowa football team, that a grueling thirty minute scrimmage practice with the ball continually in the hands of the players, was held in the gymnasium late in the practice was only fair. The coaches threaten to continue the secrecy of the team in the future unless the line holds the light freshmen backs in better style.
