The fire department was called at 2:30 o'clock yesterday afternoon to Pittsburgh street and Avenue L where burning grass was threatening nearby cottages.

Attorney L. T. Gannon of Glenwood, who was in the city yesterday, said he was not certain that he would be able to attend the Commercial club banquet on Thursday evening of next week on account of court engagements at Avoca. He said he would attend if possible and would accept the invitation of the club to make one of the after dinner speeches.

Julius Jensen, who bought the discarded central fire station for \$15,000, has begun to tear the old building down. Since the work of bridging Indian creek and erecting the new building was begun about a year ago the old house was given room on a vacant lot on the west side of Main street just north of Indian creek. The city paid \$17.50 a month rental for the lot.

Morgan Davis, a police character who is partially insane, was arrested yesterday charged with breaking and entering a bank occupied by Italian section men in the Rock Island yard. He was to have secured a quantity of clothing and other articles belonging to the Italians. He was given a jail sentence as a vagrant and the grand jury which convenes next week will take up the case of breaking and entering.

Charles, alias "Dutch" Stevenson, was arrested last Wednesday night on the charge of disturbing the peace by fighting and using obscene language. He is said to have engaged in an altercation with Everett Goodrich on Scott Main street and to have come out of the fray with a darkened eye. His hearing was continued until this morning and he was ordered to deposit a check for \$50 at police headquarters.

## ELKS TO BUILD NEW HOME

Council Bluffs Lodge Contemplates Addition to Cost Twelve Thousand Dollars.

The question of erecting an addition to the club house on First avenue will come up at the next regular meeting of the Council Bluffs lodge of Elks. It is contemplated to erect an addition at the north end of the building, the probable cost of which will be \$12,000.

The movement was started several years ago, but was allowed to drop for the reason that it was thought that the lodge at that time could not afford the expense. The finances of the lodge are now in excellent shape and the matter has again been agitated. "There always has been a desire among a number of the members to have the addition built," said George C. Wyse, secretary of the lodge, yesterday.

A few days ago the movement was again put on foot and I believe that this time it will result in success. While this is a matter yet to be decided, the addition will include a ballroom, as there is a feeling among many members that the social features of the lodge ought to be made more of than they have been for some time. The dances which the lodge formerly gave were very popular and did much to bring the members and their families together. The question is to be brought up at the next meeting in tangible form and I think the result will be that it will be built."

## A SINGLE SET OF CUTICURA CURED HIM

"I feel it my duty to let you know what success I have used the Cuticura."

When our baby was seven weeks old he broke out with what we thought was heat but which gradually grew worse. We called in a doctor. He said it was eczema and from that time we doctored six months with three of the best doctors in Omaha but he only got worse. His face, head and hands were a solid sore. There was no sleep for the suffering for him. We had to tie his little hands to his sides to keep him from scratching. He never knew what it was to sleep until the time he took the Cuticura until he was cured. He was awake all hours in the night and his health wasn't what you could call good. We tried everything but the right thing. Finally I got a set of the Cuticura Remedies and am pleased to say we did not use all of them until he was cured. We have waited some months to see if it would return but it never has and today his skin is clear and fair as it possibly could be. I hope Cuticura may save some other little one's suffering and also their pocket-books. John Lesson, 1403 Atchison St., Atchison, Kan., Nov. 3 and 17, 1908."

## MORE LIGHTS FOR THE CITY

Royalty from Lighting Company Provides the Means.

## DIVIDED AMONG THE WARDS

Councilmen Plan Another Year to Use the Fund to Decrease the Tax Levy Instead of Installing More Lights.

With the royalty received this year from the Citizens' Gas and Electric company the city will be enabled to install seventy-two additional street lights. At a meeting of the city council yesterday afternoon the matter of the distribution of these extra lights was discussed and it was decided to allow each councilman eleven for his particular ward, to be placed as he might deem best. The mayor is to have the locating of the remaining six.

The cost of these additional lights will absorb the amount of the royalty recently paid by the lighting company. The royalty for last year amounts to what would be secured by the levy of a 1-mill tax and at the meeting yesterday several of the councilmen expressed themselves as being in favor of not making any further extensions after this year until new lights should be more badly needed. Instead they suggested that the royalty be turned into the lighting fund and the levy for this department reduced accordingly.

"City taxes are already at that point where they have become burdensome," said Councilman Ridgdon, "and if we can cut off 1 mill from the lighting tax, I believe, have sufficient lights for all purposes. Of course if the city grows and more lights should be needed then we can utilize the royalty received from the company in installing more, but after we locate these seventy-two new lights we ought to rest awhile and do our best to decrease the annual tax levy as much as possible."

The council may find, however, some obstacle in carrying out the proposition to turn the royalty from the Citizens' Gas and Electric company into the lighting fund. At the time the present contract with the company was entered into, including the provision for the payment of the royalty, there was an understanding, it is stated, that the royalty should be used in extending the street lighting system.

The council approved of the assessment of the cost of the recently constructed sewers on Cook avenue, Damon street, Logan street and North Second street. It decided that all of the abutting property is able to stand the full assessment and consequently there will be no deficiency to be borne by the city out of the general improvement fund.

The council adjourned to next Monday evening which is the regular monthly meeting night.

## CITY OFFICIALS ARE HONORED

Names on Marble Tablet at New Fire Station.

The handsome marble slab on which are carved the names of the city officials has been placed in position on the front wall of the new central fire station near the west end. Councilman J. Chris Jensen is again honored by having his name twice on the tablet, once among the list of councilmen and again as architect of the building. For some reason or other explained the name of Major George H. Richmond, chief of police, does not appear on the tablet.

The city officials whose names will go down to posterity as being in charge of the affairs of the municipality at the time the fire house was erected appear in the following order:

Thomas Maloney, mayor; aldermen, Oscar Youngerman, John Olson, Carl A. Morrison, J. Chris Jensen, W. F. Jensen, Otto Skoldhamer, James McMillan, A. Bellinger, A. N. Cassidy, city clerk; C. F. Kimball, auditor; F. P. Fry, treasurer; J. F. McAnery, auditor; S. L. Ely, engineer; fire and police commissioners, L. Zurnmehly, R. Sargent, William Groneweg, C. M. Nicholson, fire chief; George F. Hughes, builder.

The firemen of the new central station, although their names do not appear on a handsome and costly marble tablet, have arranged what they term a "neat little memorial stone of their own." While the cement floor was being laid Contractor Hughes marked off a square and the rear of the horse stalls and before the cement set carved the names of the seven members of No. 3 company. They are as follows: F. G. Hitchcock, J. N. Cochran, J. M. Stevens, Ed Walker, G. N. Martin, Harry Johnson and D. Corbin. Our "memorial tablet" may not be as ornate as that of the city officials, but it will last just as long as the building does," remarked J. N. Cochran, the veteran member of No. 3, yesterday.

## FAMILY IN A DEPLORABLE FLIGHT

Husband a Dipomaniac and the Wife Insane.

A deplorable condition in the family of Garvey Griffith developed yesterday. The husband was committed as a dipomaniac and the wife arrested on an insanity warrant.

Griffith is a barber, residing at 101 Benton street, and yesterday was ordered by Judge Woodruff of the district court committed to the State Hospital for Insane at Knoxville, for a period of two years. Griffith was recently before the court, charged with being a dipomaniac, but escaped commitment on promising to abstain from intoxicating liquor. He fell by the wayside, however, and was brought before the court again on the old information.

Following the commitment of Griffith, Assistant County Attorney Ross filed an information against Mrs. Griffith, charging her with being insane, and her case will be investigated by the commissioners today. Mrs. Griffith, it was stated, had recently been cared for at St. Bernard's hospital. Mr. Ross' action in the case was at the request of the woman's friends.

## Indoor Base Ball Game.

Another game of indoor base ball, which through the efforts of Physical Director Pierson of the Young Men's Christian association is becoming extremely popular in Council Bluffs, is scheduled for this evening at the association gymnasium. The opposing teams will be the Invincibles and the City Officials. Robert B. Wallace and Painter Knox have been selected to act as umpires, and the game will be called promptly at 8 o'clock. Director Pierson wants it understood that women are equally as welcome as the men to witness these games. This is the lineup of the teams:
