Second American Dreadnaught Given Shakedown Run by Its Builders.

BOSTON, Oct. 30 .- The snaking down trial of the second American dreadnaught, North Dakota, off Cape Cod yesterday was in every way successful, according to the statement of its builders, the Fore River Shipbuilding company, after the big fighting craft had been placed in the navy yard dry dock here today. Representatives of the builders said that in yesterday's trial runs a speed of more than nineteer knots had been attained.

Engineer W. L. Edwards, who designed the furbines of the North Dakota, was
