WEST POINT FAILS TO SCORE

Harvard Scores Twice on the Army Eleven.

WEST POINT, N. Y., Oct. 31.—Harvard scored twice on the Army here Saturday in a hard fought game of football and would probably have added at least another field goal to its tally had not time been called, five minutes early in the second half, because of serious injuries received by Byrne, the Army left tackle, whose condition is critical.

Harvard gave the best exhibition of the forward pass seen at West Point this year. The passes were not long but they were sure; only one failed. The Army tried the inside kick twice—once in the first half for a gain of thirty-five yards, and once in the second half for a loss when the ball went directly to Leslie, the Harvard left half back, who caught it.

Frothingham's poor judgment of punts lost Harvard much ground in the first half, but his accurate following of interference and Leslie's brilliant running through broken fields were substantial factors in obtaining the crimson her victory.

Score—Harvard 4, West Point 0. Touchdowns—None. Goal from touchdown, P. Winton, field goal, O'Platka, 40 yards. Line of scrimmage, 25 and 15 minutes.

Hitch in Subtreasury.

There seems to be a hitch about the establishment of the South Omaha subtreasury on November 1. The South Omaha city treasurer, C. A. Melcher, has sent a communication to the Board of County Commissioners asking for one clerk at a salary of \$15 per month to take charge of this work. The commissioners so far have not granted the request. The management of the South Omaha department of the Douglas county taxes in Omaha is said to require the work of several clerks. Good Sends Out Another Letter

Appeals to Voters of His Home District and Forgets to State His Politics.

(From a Staff Correspondent.) LINCOLN, Oct. 30.—(Special Telegram.)—Another circular letter used by Judge Good in his fake nonpartisan democratic campaign has turned up, this one being in the nature of a personal appeal to voters in his own judicial district. This time he but barely conceals the official character of his letter. He boasts of having once refused a railroad pass, but says nothing about being an active member of the Bryan volunteers, in fact nowhere does he even mention that he is a democrat, who likewise took oath to popular affiliations, and more remarkable still he does not even mention his associates on the demo-pop ticket, but winds up with a plea "To place a cross after my name."
