# Have Hard Time with the Aggies

Score 58 to 3 in Pavor of Manhattan Men in Spite of Fierce Efforts of Omaha Team.

MANHATTAN, Kan., Nov. 7 .- (Special Telegram.)-A'Hearn's Aggres again piled up a mountain-high score on Kansas State Agricultural college field today. The victims were the foot ball eleven of Creighton university. A total of 58 points was scored, while Creighton secured 3 on a field goal in the middle of the final session.

Speer pulled off some more of his wonderful runs, one of them a dazzler for eighty-three yards, He fell after getting through the Creighton team, but regained his feet and ran fifty yards further for a touchdown. Captain Gingery scored fivtouchdowns and made long gains through the line.

Croyle was another star, especially on interference. The teams were nearly of the same weight, with advantage in the Ag-

The Creighton boys played a flerce, stubborn game from start to finish. Their only score came after a fumble and a blocked kick by A'Hearn's squad, giving them the ball on the thirty-yard line, McKinney booted it over the crossbar. A'Hearn used substitutes in the last half or the score would have been larger. Bates was not allowed to work many plays and the open work today was confined to end runs and forward passes. The Aggles used this style of play and the on-side kick for great

All of the big gains made by the Kansas

term were made around the ends by the magnificent backs of the Agricultural college. The game was hard fought throughout. The Creighton men played until the last, and, in fact, during the last fifteen minutes of play had by far the best of the game. A few minutes before the game was called Hanifan broke through and blocked a kick for the Aggies. No sooner was the kick blocked than Morganthaler grabbed the ball and ran half the length of the field for a touchdown. This was really the sensational feature of the day. None of the players on Kansas' team was able to catch the big Creighton player and the run brought hundreds of people to their feet in an outburst of cheering. The saddest part of this, however, was that after 'Morg" had made the touchdown he was called back by an official from Fort Riley. This official claimed that one of the Creighton players was off side. His judgment kept Creighton from scoring further.

The work of E. C. Quigley, referee, and L. J. Quigley, field judge was notable for its fairness. In the first half Captain Merrin of the Creighton team was carried from the field unconscious. His marvelous work in stopping the terrific line plunges of the Aggies finally earned him this injury to the head. In the second half McKinney was carried from the field with a badly injured
