CHINESE STUDENTS AT SAN FRANCISCO

Forty-Seven Young Men Sent to American Schools by Peking Government Reach Port.

SAN FRANCISCO, Nov. 8.—Forty-seven Chinese youths arrived from the orient yesterday on the steamer China to enter the various colleges in this country for technical education at the expense of the Chinese government. They will be followed next year by 153 students and the entire 200 will return home when their courses are completed to give China the advantage of their American training.

The Chinese government decided to educate many of its young men in the United States when this government remitted the indemnity claims of $10,000,000 growing out of the Boxer trouble in China. The whole sum, it is promised, will be devoted to educational work. Students will be sent from China after securing appointments by competitive examination. Each student is to study five years in American schools.

The forty-seven students are in charge of Tong Kwoh On of the Chinese Foreign office and a graduate of Yale, class of '84. They will be presented to President Taft.

FATAL FIGHT IN PEORIA

John Hudson, Former City Employe, Killed by John Reising in Quarrel Over Woman.

PEORIA, Ill., Nov. 8.—Insane with jealousy when he found his sweetheart, Della Sands, in a room with John Reising early this morning, John Hudson, an ex-city employe, pounced upon the latter and in the fight received two bullet wounds in the stomach, from which he died this afternoon. Reising was captured six hours after the shooting and is in the police station, where he made a complete confession of the crime to State's Attorney Scholer.

Reising's visit to the Sands' home was purely an accident and not by prearrangement. He did not know Hudson, and when the latter assaulted him he whipped out his revolver and fired twice. Reising fled and was found asleep in a cabin boat. The witnesses of the shooting maintained a stubborn silence, declaring they did not know the name of the assailant. All are being held for the coroner's inquest, which will be held today. The dead man was two years ago tried for killing Charles Ogden with a blow of his fist, but was acquitted.

Ten men and three women have been arrested and are in the county jail as witnesses to the crime. The grand jury, which will meet tomorrow, will take up the case while it is vivid before the witnesses. Della Sands, over whom the fight was caused, will favor Reising in her testimony before the jury, because she declares there was no reason for Hudson's jealous attack. Hudson had been married two months and his wife was a witness to the tragedy.

BYRNES' DEATH IS MURDER

Boston Preacher Thus Characterizes Killing of West Point Foot Ball Player.

BOSTON, Nov. 8.—The death of Cadet E. A. Byrne of West Point as a result of the foot ball game with Harvard a week ago, was characterized as "murder" by Rev. Mr. Cortland Meyers, pastor of Tremont temple, in his address at the temple tonight. He said:

"I think it is an outrage on civilization. I think it is a sin against one of the ten commandments, 'Thou shalt not kill.'

"Murder, yes it was murder. It represents heathenism of the bloodiest dye that our boasted institutions are obliged to allow such practices that their prestige may be maintained."

BISMARCK PUNISHES BAD ONES

Herr Altstadt Opens the Week as Police Judge and Has Busy Day Soaking the Foes of Justice.

"Der Shudge" Altstadt occupied the bench in police court Monday, in the temporary absence of Judge Crawford. Little Bismarck had a busy morning of it and it was with a sign of satisfaction that he lighted a cigar at the close of the session. There were few cases of any great importance, but enough work to keep City Prosecutor Dickinson and "Der Shudge" busy for nearly three hours. Practically all of the disorderlies arrested Saturday and Sunday in the raid engineered by Sergeant Dempsey, acting chief of detectives, were up and fined. There was the usual batch of drunks and several other cases of more or less importance.

A. Christiansen, a Postal messenger boy, and Willie Maros, an A. D. T. messenger, proved their ability as sleuths Sunday, when they held up Louis Hubner, aged 16, and took him to the police station, along with a bicycle claimed to have been stolen from E. Mallroy, 207 South Forty-second street, Saturday afternoon. Hubner informed the police he bought the wheel for $3 from Ralph McDonald and offered to bring witnesses to prove the transaction. He was turned over to the juvenile officers, who will dispose of his case.

William Bruch of Lincoln was picked up by the police Monday morning while riding a Racycle machine. The Lincoln police will investigate to ascertain if the wheel was stolen, pending which Bruch, who is held as a suspect, will remain in the city jail.

That it does not pay to disturb a religious meeting was shown by "Der Shudge" Altstadt in police court when he fined three men charged with that offense. Claus Lingdan started a disturbance at the Cass Street Gospel mission Sunday night and was fined $5 and costs, with the threat by "der shudge" "the next time you come I will give you thirty days to boot."

Oscar Fleckner and Louis Pearson decided they did not like the way the Salvation Army was conducting its worship at 117 North Sixteenth street and proceeded to disturb the meeting by profane language. Captain Martin Backe had them arrested and they were both fined $7.50 and costs by "His Honer" Altstadt.

Sadie Blair of 903 Capitol avenue has a $30 diamond ring which she prizes highly. For the last several weeks she has allowed Viola Stanley, a stunning blonde person, to wear the "sparkler."

Saturday afternoon Viola gave the ring to her lover with instructions to pawn it, as she wanted to go to Des Moines. Sadie got wind of the transaction Sunday and had Viola arrested at the station as she was about to take a train for the Iowa city.

In police court Viola admitted giving the ring to Sim Walker to "soak," saying he received $5 for it. "Sixty days" for Viola and Sadie replevined the ring.

"'Morning judge, 'morning Mr. Dickinson," said Sally Shaeffer, an old offender, when brought into court to answer to a charge of being a disorderly person.

"Haven't been here for quite a while, have you, Sally?" interrogated the city prosecutor.

"No, sir, I've been living peacefully at home. I never did nothing Saturday when they pinched me. Honest to goodness I didn't."

"Five dollars and costs."

The preliminary examination of William Jacobs, colored, charged with cutting with intent to wound, set for Monday morning, was adjourned until Tuesday at 9 o'clock. Jacobs, it is charged, stabbed one Charles Nolan while at the Grand resturant on October 23.

John Honk, a Chinaman, well known to the police court, hung around the station Sunday afternoon, evidently anxious to be locked up. He finally succeeded in his purpose and was given ten days by "der schuge" in which to sober up.

Landlords of Ireland Will Be Deposed

T. P. O'Connor Predicts Half Million Irishmen Will Soon Be Lords of Their Own Farms.

NEW YORK, Nov. 8.—"Within ten or fifteen years the great lords of Ireland will have been deposed, and half a million Irishmen will be lords of their own farms," said T. P. O'Connor, member of Parliament from Liverpool, at a meeting in aid of the nationalist cause in Ireland, at the Lyric theater tonight. An enthusiastic audience contributed liberally after hearing Mr. O'Connor.

"After the next election," he said, "we expect to have eighty three members of Parliament. Whatever combination of parties win in England, our eighty-three votes will mean the balance of power." He said the Irish people had won nine out of ten things they had started out to win and expected during the next Parliament to get in addition to a national school and university, the boon of home rule.

RIOTING AT HIBBING, MINN.

One Man Killed and Three Wounded in Fight Among Italian Miners.

HIBBING, Minn., Nov. 8.—Two factions of intoxicated Italian miners terrorized Stevenson, nine miles southwest of here, late this afternoon in a fight, during which one was shot to death while trying to stop the row, three others were wounded and two were arrested. Others also probably wounded escaped before the officers arrived.

The men procured liquor at Carson's lake, one mile from Stevenson, and returned to pick a quarrel with those who had refused to join them. The Italian hotel keeper, whose name is not known, tried to stop the fight. An unidentified Italian, now a fugitive, discharged the contents of his revolver into the man's body, instantly killing him.

MURDER AT OKLAHOMA CITY

Body of Roy B. Gannon is Found on Roof of Ten-Story Building.

OKLAHOMA CITY, Okl., Nov. 8.—Roy B. Gannon, a real estate dealer, who came to this city from Lexington, Ky., was found murdered on the roof of a ten-story office building here today and $500, which he drew from a local bank Saturday, is missing. Evident disorder in Gannon's office on the fourth floor of the building indicate that he was attacked there and his body dragged to the roof by a rope which was found around his neck. The body bore a number of cuts and bruises and some of the dead man's friends declare he was murdered as a result of a jealous quarrel. Gannon was 28 years old and has relatives in Kentucky.

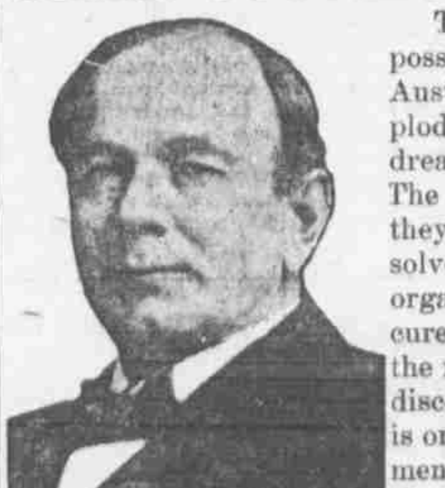
GALL STONES NO EXCUSE FOR BUTCHERY



DR. THEODORE MILEN,
The Chief of Staff.

The average person suffering with gall stones believes no cure is possible without an operation—in fact their doctors tell them so. The Austro-American Doctors, by their "New-Method" treatment, have exploded this fallacy. It is no longer necessary for the sufferer from this dread affliction to submit to a dangerous and possibly fatal operation. The Austro-American Doctors have cured every case of gall stones which they have accepted. The "New Method" treatment which they use dissolves the gall stones already formed and by placing the liver and other organs in a condition of perfect health removes the cause and makes the cure a permanent one. Although the Austro-American Doctors use only the mildest and most harmless of medicines in treating gall stones it is a discovery of their own and unknown to the medical world at large. This is only one of the chonric diseases which yields to the new method treatment, though other doctors and forms of treatment are unsuccessful. People afflicted with paralysis, rheumatism, goitre, gall stones, epilepsy, diseases of the liver, kidneys, stomach, blood or any nervous or chronic disease of man or woman, should see them at once. The patient runs no risk as the Austro-American Doctors make no charge for examination and consultation and accept no cases which they cannot cure. Dr. Milen, chief of staff, an expert diagnostician of thirty years' experience, superintends the treatment of all patients.

Following are a few letters from people who have been benefited by the marvelous "New Method" treatment:

Omaha, Neb.

Austro-American Doctors—
Gentlemen: For two and one-half years I suffered untold agony from gall stones. I commenced improving from the time I started taking your treatment, and my friends were all surprised at the improvement in my appearance, and remarked about it. I am entirely cured now, and cheerfully recommend your treatment to anyone who may be suffering from gall stones as I was. MRS. W. F. URBAN.
2450 South 15th St.

Axtell, Neb.

Austro-American Doctors—
Dear Doctors: I will write you a few lines in regard to my case as I am so much better. I am feeling fine—can stoop over and work without causing me any pain. I husk corn and dig my potatoes without any trouble. Please send me more of the medicine so that it will get to town Saturday. I live quite a ways out and am very busy, but will come in Saturday and get it. I am doing so well that I think your medicine will soon cure me.
C. F. MILLER.
R. F. D. No. 3, Axtell, Neb.

Charter Oak, Ia., Oct. 26, 1909.

Austro-American Doctors—
Dear Sirs: Yours of the 22d received and also the treatment, which was in good order. I am right here to tell you my health has improved so much under your treatment that even people who haven't the least idea that I am taking medicine, remark about how much better I am looking than I did awhile ago. I tell them that I feel different, too. For the last week I have felt one day just like the other, and am doing my work and never feel tired out. I also have a good appetite, and can sleep like a child. I acknowledge it being my fault that my first month's treatment didn't last, as I began taking it with a teaspoon, and never once stopped to think that it might hold more than 60 drops, and when I measured I found I had taken too large doses. I remain,
Yours truly,
MRS. F. C. MERTZ.

Sioux City, Ia., 10-23-'09.

To Austro-American Doctors—
Dear Sirs: I want to let you know that I had been ailing for 10 years, off and on, and had been to doctors for relief, but attained not the slighest benefit. I suffered from nervousness and pain so much I could not work at my trade as blacksmith. I came to you on or about the first of October, and after taking your specific remedies and other treatment at the offices was able to be at my shop after the third day, and have ever since. I work at my trade all day and feel fine.

I want to thank you and let the public know of my recovery. Anyone can address me at North Riverside, or call at my shop. Will tell them just how I suffered, and I can say my wonderful recovery was due to the Austro-American doctors' treatments. Yours truly,
C. A. KERN.

The Omaha offices of the Austro-American Doctors are located at Suite 428, Ramge Building, Fifteenth and Harney streets, just opposite the Orpheum theater. Sioux City Offices, Third Floor Farmers Loan and Trust Building.
