

# COOPER-BADGER GAME TODAY

## Setting at Madison Favors Team from Minnesota.

# LAST SCRIMMAGE WEDNESDAY

## Loss of McGovern and Johnston by Williams' Pupils Gives Heart to Wisconsinites—Record Crowd Expected.

MADISON, Wis., Nov. 12.—(Special.)—On the eve of the game to decide the western championship, the rosters are still up in the air. Odds in favor of Minnesota stand at 2 to 1, with very few bets being posted. The reason for this is due to the erratic form which the team has shown in practice this week. Monday it was good, Tuesday it was the worst shown this season.

One thing that has slowed up the varsity's play is the new signals. It is now practically certain that both Indiana and Northwestern were wise to Wisconsin's signals, which may explain something of the poor showing the team made. At any rate, a complete new set has been learned for the rest of the season, along with a number of new plays Barry has devised to surprise the Gophers in the last week of the field has been guarded by student marshals, and on one occasion Schuknecht, Minnesota's assistant coach, was forced to leave the field under protest. This incident has caused the coaches considerable uneasiness.

McKinnill, the big guard, was relegated to the subs this week, his place being taken alternately by Iakich and Nephrod. This change came as a great surprise to all local followers of the game, who had regarded Mack as a first class left end. It is possible that he may go in tomorrow, but present indications point to Iakich as the man.

A rumor that "Keeck" Moll had been again suspended caused much excitement in the student quarter. Tuesday night Moll was found to be without his cotter pin. He is back in the game again. He will have to play the game of his life against Walker, the Gophers' giant right tackle, but those who have watched "Butch" this year feel that he will more than hold his own.

Willie Has Bad Knee. Captain Willie has been out of scrimmage most of the time with a bad knee, while Culver, the star half, has had much trouble with his ankle. However, the two days without scrimmage have given the cripples a chance to recover and not one of the regulars has missing from the lineup when the whistle blows tomorrow afternoon. Wisconsin's lineup is: Left end, Bunker (160); left tackle, Boyle (185); left guard, Iakich (175); center, Arpin (162); right guard, Ruser (168); right tackle, Ostroff (185); fullback, Deans (192); quarter, Moll (155); right halfback, Anderson (160); left halfback, Culver (162); fullback and captain, Willie (170).

The average weight is about five pounds less than Minnesota. Wisconsin is considerably outweighed in the line and it is the line plungers of Rosewald and Pickering that are most feared by the Gophers. The greatest crowd ever assembled at Camp Randall will witness the game. All seats in the extra bleachers erected have been sold and the "S. R. O." sign is out. A large delegation will come from Milwaukee and another from Minneapolis. Wisconsin is favored to win the game, and whatever the outcome of the game the yell will be loud and long. A victory for Minnesota will give the Gophers a clear title to the championship of the west. Should Wisconsin happen to win it will still have to conquer Chicago, the team which has been the Badger hoodoo for years.

### COOPER FOLLOWERS NERVOUS

Lack of McGovern and Johnston seriously fret.

MINNEAPOLIS, Minn., Nov. 12.—(Special.)—Practicing as they have never before practiced for any game the Minnesota football team, with its two particular stars, McGovern and Johnston, on the side lines, is ready to meet its traditional enemies on hostile ground next Saturday afternoon on Camp Randall. Ever since the Chicago game Dr. Williams has worked like a zeal heaver to round his proteges into the form necessary to give the Badgers a battle royal when the two teams meet. The injury to Lisle Johnston at Omaha was a blow to Minnesota's chances, but when scrappy little McGovern suffered a like fate in the Chicago game the cup of sorrow was filled to overflowing. As that game was won by a comfortable margin the rosters felt no immediate concern for the prospects of the Gophers, but as the Wisconsin game approaches the Minnesota followers begin to grow nervous over the outcome with their grand little captain out of the game.

The student body at the University of Minnesota is intensely wrought up at the failure of the railroad to grant reasonable rates to the game. The best rate that has so far been offered is \$11.20 for the round trip in a day coach. There is no chance of a further reduction, and many a hard-up student will be forced to remain at home and give up his hope of support to the team. In spite of the high rate to Madison, at least one, and possibly two, special trains will be run to the Wisconsin capital Friday night.

Minnesota rosters and players are optimistic over the chances for victory. All realize that the game will be a far more serious affair than the game against Chicago, but the spirit shown by the team all along, in spite of all discouragements, is counted on to pull out a victory against the boys of Coach Barry.

McCre, the powerful tackle who played such havoc with Stagg's much-touted line, will in all probability be out of the game. He sustained a slight fracture of a small bone in his right arm during practice this week and although not injured seriously it is thought that Williams will take no chances and keep him on the side lines. If he will not be fit to play by that time Pete Ostrand, the veteran tackle and guard of last year, will perhaps take his place. It is almost certain Pettijohn will play quarter and Jimmy Vidal will be the probable choice for "Petty's" place at left end.

### DAY OF REST FOR NEBRASKA

Coach Cole Will Go to Deuver to Witness Haskell Game.

LINCOLN, Neb., Nov. 12.—(Special.)—A day of rest is scheduled for the Cornhusker football warriors tomorrow. "King" Cole has notified the entire squad that they may attend the game between the Lincoln and Omaha High school eleven on Nebraska field and that they will not need to report for practice until Monday afternoon, when the first long practice in preparing for Deuver will be held.

# AUTO GOES AT RECORD PACE

## John Aiken Makes Twenty Miles in Less Than Seventeen Minutes.

# MARMON WINS 120 MILE RACE

## George Robertson Takes the Ten Mile Handicap and Ten Mile Free-for-All in Fast Time.

ATLANTA, Ga., Nov. 12.—John Aiken, at the wheel of a National "Forty," lowered another American track record at the Speedway today. In a hard drive of twenty miles, in every moment of which he was closely pressed from behind, he set the new mark of 16:37. This is 0:14 better than Oldfield's record at Indianapolis.

George Robertson at last was able to enter a race and finish it. Yesterday and Tuesday he started in several races, but never lasted more than a lap or two. He spent his time searching for some minute, elusive defect which seemed to keep in hiding during practice only to bob up as soon as a race was on.

The big blonde driver, smiling as he had smiled all through his ill luck, withdrew from the twenty-mile handicap at the end of the first mile, but came back grinning and faced the wire in the ten-mile handicap, which he won in a hard drive over Aiken and Harding, the latter in an Apperson, in 7:47.

He promptly repeated this triumph in the ten-mile free-for-all handicap, although his time was slower—8:23. Disbrow, in his Ranier, won the twenty-mile handicap in the elapsed time of 17:35, or 9:12 slower than Aiken's pace in the stock car for that distance.

The 120-mile stock chassis race started with only four cars, a Marmon "30," driven by Chevrolet; a Buick "22," with Harroun at the wheel; Basie's Renault and Joe Matson's Chalmers-Detroit.

The Marmon car won the race, with the Chalmers-Detroit second, Harroun's time for the 120 miles was 1:47:29.4. His car did not stop during the race. Matson was six miles behind, the Renault, eighteen miles behind and the Buick the same. The Renault got third place and the Buick fourth. Chevrolet's engine was pulled at the beginning of his twenty-fifth mile and he dropped behind. Summary: First, Marmon (Harroun) time, 1:46:24.4; second, Chalmers-Detroit (Matson) time, 1:57:22.9; third, Renault (Basie) time, 2:06:39.2; fourth, Buick (Chevrolet) time, 2:39:26.3.

### ROBERTSON WINS FREE-FOR-ALL

George Robertson, in his Fiat, starting from scratch, won the ten-mile free-for-all handicap by the fastest kind of driving. He conceded an extreme 55 seconds, equal to about a mile, to Disbrow (Ranier), and came into the lead in seven minutes. Aiken, in a National, finished second and Stillman in a Marmon, third. On the third mile Robertson passed Whalen in a Marmon and then in the fifth and sixth miles he remained next to last, but gaining on the others. In the next to last mile he successfully forged ahead of Harroun's Marmon, Stillman's Marmon and Aiken's National. The three leaders finished as follows: Fiat, 8:23; National, 9:02; Marmon, 8:53.

### WITH THE BOWLERS.

Thursday was ladies' night at the Metropolitan alleys. They witnessed the match between the St. James and Monte Christo teams. Major Baber, manager of the Monte Christo team, gave each visitor a pound of candy and Al Lacey, captain of the Monte Christo team, offered to be outside, gave each fair guest a rose.

### WILSON WINS 24 MILE RACE

The five-pound box of candy donated by the O'Brien Club to the best thing for the St. James team won the Monte Christo Metropolitan alleys. Weymuller took all honors for the evening with 22 single games and 112 total score.

### YALE FOOTBALL TEAM AT PRACTICE

NEW HAVEN, Conn., Nov. 12.—Many of the old Yale football stars gathered on the field this afternoon and advised the coach of the team of the progress of the game with Princeton. After a long practice blocking drop kicks the gates were thrown open to a thousand students, who had come to practice some and cheer.

# MINORS RENEW AGREEMENT

## Life of National Base Ball Association Extended Until 1921.

# CHANGES MADE IN CONSTITUTION

## President O'Neill of Western League is Appointed Member of the National Board of Arbitration.

MEMPHIS, Tenn., Nov. 12.—The extension of the life of the National Association of Professional Base Ball Clubs until September 3, 1921, and the selection of Chicago as the next meeting place were the principal features of the closing session of the annual meeting of the association here today.

The National Association made one or two other changes in its constitution concerning the signing of contracts, the protection of the welfare of the players and the punishment to be meted out to those who fail to live up to their contracts or violate their reserve clauses. Suggestions concerning the flat drafting price from all leagues and a change in the method of classification were referred to the National board.

It was decided that the National board should meet several days before the National association in the future and thus clear up any minor cases before the big meeting is started.
