

RESOLVED

THAT KISSING AS A PASTIME IS GOING QUITE OUT OF FASHION — SO THEY SAY! SCIENCE AND OBSERVATION HAVE PROVED THAT TERRIBLE RESULTS ATTEND THE DEADLY KISS — MUMPS, TOOTHACHE, FIRST LOVE AND EVEN MARRIAGE HAVE BEEN KNOWN TO FOLLOW INDULGENCE IN THE HABIT. NOWADAYS IT IS PRACTISED ONLY AT THE SEASIDE, IN PARKS, FRONT PARLORS, IN KITCHENS, AND BEHIND DOORS. SEVERE PUNISHMENT SHOULD BE INFLICTED ON ALL PERSONS WHO STEAL KISSES. (SEE ABOVE!)

BUSTER BROWN.

NOW, LET 'EM ALL COME!
