downs in dangerous territory. After Cornell had twice failed to cross the Maroon goal line in the first half Chicago took the ball on Cornell's fifty-three-yard line and pulled off the feature pass of the game. Page, at quarter, hurled the ball high to Sauer at left end, who ran to Cornell's nineteen-yard line before he was downed. Right Halfback Crowley and Fullback Worthwine were then sent around the ends on a series of runs and cross bucks to the one-yard line. Cornell falled to hold and Crowley went around left end for a touchdown. Page kicked the goal. Cornell returned with a vengeance in the second half. Owen kicked off and recovered the ball again on the thirty-sevenyard line. Simson and Robb plunged through the line for big gains.
