## CHALLENGE!

If you think that perfect fitting and well made clothes cannot be made to order at moderate prices-call at my new shop and experiment at my expense.

If the garments I cut and make to your measure do not fit and satisfy you in every way, you need not accept them or pay one penny-I assume the loss, not you. I could little afford to make this statement if I did not have a force of expert Omaha journeyman tailors to back me up and make good.

My line of winter woolens includes all the new oyster greys and fancy blues.

At \$25 to \$40, my suits and overcoats to order are the best values ever offered. My low rent does not force me to rob you to pay the landlord.

## Hadar Bank Robber

James Morrison Given Stiff Sentence at Pierce for Blowing a Safe,

Harry Joyce, charged with being a memthird alleged pal, named Riley, was captured, but escaped, and is now at large.

Morrison and two pals, according to the evidence, were seen at Norfolk two days before the robbery, and Morrison himself came to Hadar to look over the bank the the whole block would have burned. Saturday before the crime was committed. All three were seen at Plainview the morning following the robbery and they took a

train from there to Sloux City. of the state was a knife which Morrison bought at Norfolk two days before the robbery and which was found in the debris of the wrecked bank. He sought to establish an althi by means of an exconvict from Stoux City and several persons of bad repute there. Morrison himself

is an ex-convict. In pronouncing sentence Judge Welch depenitentiary team at 19 years of age in forming. The statute provides from twenty years to life imprisonment, and the judge fire is unknown. said twenty years was too small, as that would release Morrison at the age of 48, with still twenty years left in which to merace society. So he gave him thirty years, which, with good behavior, may ba reduced to twenty

Morrison did not flinch under sentence. A motion for a new trial was overruled:

Many Engines Go Dead. KEARNEY, Neb., Nov. 20.-(Special)-Pacific locomotives have gone "dead" and had to be shipped into Grand Island for repairs, Friday morning a the sidetrack. A few minutes later a special freight was moving slowly through the yeards when a brake rod came loose and the end of it was thrust into the metallic sides of the big horse, causing a rupture in the boiler that let the water out. The lenk was so large that all the king's horses and all the king's men could not pump enough water to fill it again. Engine No. 63 went out of business Thursday on account of leaky flues. Still another suffered trouble with its internal organs and died. Out near Watson's ranch, switch was left open and an eastbound train left the straight and narrow path | Kansas.

of steel and rolled over on its side and picked up the dead and took them to ing from \$455.28 to \$451.85. Gets Thirty Years Grand Island to attend to their injuries and inject new life in them.

BURNED COZAD BUILDING a Disastrous Conflagation.

COZAD, Neb., Nov. 20.-(Special Tele-PIERCE, Neb., Nov. 26.-(Special Tele-gram.)-Two frame buildings, occupied by gram.)-James Morrison, convicted of rob- a restaurant and jewelry store, were bing the bank at Hadar on the night of burned about 1 o'clock this morning. The anuary 15, was sentenced to thirty years fire originated in the restaurant, and all in the penitentiary in district court here the jewelry stock and fixtures were carried out. The restaurant was owned by Bartlett & Lee and the jewelry store by L. A. her of the same gang, is now in jail and Line. The buildings were owned by the will be tried at the January term. A D. Hevis. There was \$2,000 insurance on the restaurant and \$1,500 on the buildings. The intense heat broke all the plate glass on the street and damaged the First National bank brick building to the extent of about \$500. If there had been any wild

Paul Rhem Fatally Hurt at Fremont,

Brother Injured. FREMONT, Neb., Nov. 20 .- (Special Telegram.)-Paul Rhein, a painter, was almost nstartly killed and his brother, Frank, seriously and probably fatally injured by the breaking of a scaffold near the roof of the Brown Milling company's mill this afternoon. No one saw the accident. They

fell about sixty feet. Someone in the mill heard the fall and went out to see what was the matter and found the two men on the ground. Paul was living, but died before a doctor could reach him. His brother, Frank, was taken to the hospital, where it was found that his left leg was fractured and that he was injured internally. As they were near together on the ground, it is thought they must have been standing beside each other about the middle of the scaffold. They about the middle of the scaffold. They were seen to go to their work about o'clock and the accident happened about three-quarters of an hour afterward. Paul Rhein was 29 years old. He leaves a widow and two small children. Frank is
