Correct Dress for Men and Boys Clothing Supremacy

The advanced ideas and leadership that the clothes we sell possess was never so fully demonstrated as in Friday's paperswhere a cut illustration of ours published "last August" was reproduced by another store in town as the very latest creation in clothes and the "Best" and "only" perfect and proper kinds to buy. We take off our hat to them. They are perfectly right and "Truth is Mighty." THERE ARE NO BETTER CLOTHES. That's the way we lead. FOUR MONTHS AHEAD-styles that some stores show as late conceptions of the real thing. This store has had and forgotten. We sell so much more clothing than any other store in town that we are the first to get the advanced models and patterns. We "have to have them" to keep pace with our wonderful selling.

And there's hardly a garment in our store from \$12.00 to \$35.00 but that you can save \$3.00, \$4.00 or \$5.00. There's one way to prove it.
