BENDER APPLIES FOR PLACE

Haskell Coach Willing to Step in Coach Cole's Shoes.

UNIVERSITY MEN ARE DIVIDED

Some Think Cole Has Not Had Good Material—Both Have Offers of Other Good Places.

LINCOLN, Nov. 30.—(Special.)—Johnny Bender, former Cornhusker foot ball star, and this fall head coach of the Haskell Indian eleven, would be coach of the Nebraska foot ball team next season. He has formally applied for the position in a letter to President Richards of the Nebraska Athletic board. Bender's chances of getting the job, though, are at the best most problematical, and what attitude the Cornhusker board will assume toward him is extremely doubtful.

There are many students and Lincoln followers of the Cornhuskers who are not willing to concede that Nebraska should change coaches next fall. Many people—students, alumni and outsiders—would like to see Cole at the head of the foot ball team next fall. A majority of the members of the eleven of this fall are "strong for Cole."

One of the players, a line man who played his last year of foot ball this fall, declares: "As a member of the team, I think I should know what he was up against. If he had had the material this season he would have given us a championship eleven. He had the material for a line and Nebraska had the best line in the west, but for the backfield there was not enough material to make a strong offense."

Everybody Taking Hand.

The agitation over the coaching job has stirred up more interest at this school than has been manifested here in several years in respect to things athletic. One of the Lincoln afternoon sheets has been printing half a column every day for two weeks on the demand for a new coach. The other afternoon paper and the morning sheet are favorable to Cole for another season. Alumni of the university are taking a hand and are writing letters to the athletic board, telling what they wish could be done.

Both Cole and Bender have offers from other schools and they will have to accept them soon or lose out. Cole has been offered the position of head coach of the foot ball team at the University of Tennessee. An evening paper here announced yesterday that he had accepted that position, but "King" Cole denied the report in a telegram from Toledo today.

Bender has been offered the position of athletic director at the Kearney Military academy at a salary of $2,000. The salary paid there is $200 higher than Cole receives at Nebraska. Cole, of course, is paid $1,800 for coaching foot ball only. At Kearney Bender would have to remain there the entire year and coach all branches of athletics.

Basket Ball at Mitchell.

MITCHELL, S. D., Nov. 30.—(Special.)—With the foot ball season well out of the way the attention of the university athletics has been directed toward basket ball. The game got a little start last year and took immensely with local supporters of athletics. The practice has started in well and Coach Chadwick has a strong bunch from which to select his team. Among the candidates are Kirkpatrick, Hardy, Todnem, Kadinger. Sheeks of last year's team and Hersey, Nolt, Erwards, Morse and Minty, who are showing good metal in the game. Games will be arranged with Vermillion, Brookings and Huron. A team has been made up of downtown business men who are becoming formidable in the game. The team is composed of Miller, Branson, Dix, Atkinson, Kimball and Hardy, and they are connected with the Young Men's Christian association. They are in correspondence for games with Vermillion, Yankton, Sioux City, Sioux Falls and Omaha, expecting to make a trip through those towns and ending up at Omaha. At the end of that trip they will be ready to take on other teams in the state.

RADIUM TREATMENT

Effects Cures in Many Cases in Which Ordinary Medical Methods Have Failed to Give Relief.

When Radium was first discovered by Mme. Curie and her husband, its wonderful properties astonished the scientific world. Just what benefit might be gained in medical practice by the use of Radium was an open question. Experiments were immediately begun by some of the most noted Doctors, Scientists and Savants of England and the continent with the result that Radium was found to produce certain positive effects. Experimentation has continued until today it is conceded by physicians all over the world that the Radium Treatment is beneficial in many cases upon which ordinary medicines have little or no effect.

The benefits derived from Radium treatment are due to emanations of gases different from any chemical gas. The action of Radium Treatment contributes activity to the tissues and cells of the human system.

Rheumatism, Catarrh, Epilepsy, Asthma, Stomach and Kidney diseases, and all nervous diseases yield to this treatment in a most marvelous manner. Among those who are glad to testify to the benefits derived from the wonderful Radium Treatment is J. A. Winters, of Freedom, Neb., who, writing under date of October 26, 1909, says:

"Radium Medical and Surgical Institute, Omaha, Neb.

Dear Doctor:

I am getting better under your treatment for which I feel very grateful.

Yours very truly,

J. A. WINTERS."

Mr. Winters was suffering from a bad case of Asthma, in the cure of which disease the Radium Treatment is especially effective.

FREE CONSULTATION

No charge is made for examination or consultation. We cordially invite all who are suffering from chronic or nervous diseases to call upon us.

RADIUM MEDICAL AND SURGICAL INSTITUTES. NEW LOCATION, NORTHWEST CORNER 13TH AND FARNAM. Entrance 220 South 13th St. Office Hours—9 A. M. to 12; 1 to 5 P. M.; 7 to 8 P. M. Sundays from 10 to 12.

South Omaha Bowlers Begin.

South Omaha is to have a bowling association and the work of organization is already well under way. The association was made possible by the completion of the allies in connection with O. A. Tucker's establishment. The hall has three allies and all are finished in correct and standard fashion. The bowlers took the first advantage of the sport last night and many scores were rolled up. Two teams of the association appeared and played a preliminary match for practice. The teams have adopted names. One was called the P. J. Martin Tigers and consists of James White, Fred Stafford, Tom. Larking, C. A. Melcher and Miles E. Welsh. The other team was styled the Carpenter Transfers. This team is Frank Lepenski, Joe Potesch, H. T. Christianson, J. Weeks and J. Nolan. Many other clubs of five will be organized during the next week or two and soon a series of challenges will be sent out for matched play.

Famous Race Horse Dead.

NEW YORK, Nov. 30.—The death was announced today of Pontiac, a famous race horse of a generation ago and winner of the suburban handicap in 1885. The horse was foaled in 1881, was by Pere Gomez, out of Agenoria and was one of the thoroughbreds that made the colors of the late Pierre Lorillard famous. His death occurred at the Rancocas stock farm in New Jersey.

Burke May Sell Denver Interests.

DENVER, Colo., Nov. 30.—R. R. Burke, half owner of the Denver franchise in the Western league base ball league, has given an option on his stock to James McGill of Denver for twenty days. Burke, it is said, has an opportunity to invest in a franchise in the American association, conditioned on his disposal of his interests in the Western league.

Oakland Bookmaker Held.

OAKLAND, Cal., Nov. 30.—Bookmaker Charles Brown, arrested with E. D. Martin on a charge of violating the anti-gambling law on November 27, by taking a bet for $2 at the Emeryville race track, was held today to answer before the superior court. Bail was fixed at $1,000. The case against Martin has been dismissed because of insufficient evidence.

MUM AS TO OWNERS OF PHILLIES

Murphy and O'Brien Decline to Disclose Names of Capitalists.

CINCINNATI, Nov. 30.—Charles W. Murphy, president of the Chicago National league club, and President O'Brien of the American association, who arrived here today, declined to make a statement in regard to the names of the capitalists connected with the purchase of the Philadelphia club.

Mr. Murphy held a long conference with Charles P. Taft.

At the time it was announced that Mr. Murphy had completed the deal for the purchase of the Philadelphia club, the Times-Star, owned by Charles P. Taft, carried a story to the effect that Cincinnati capital was behind the deal. This statement was the foundation for the inference here that Mr. Taft had furnished some of the Cincinnati capital.

It was stated today around National base ball headquarters that Stanley Robson, owner of the St. Louis National league club, was in Cleveland quite ill and that he never made the statement, sent out from St. Louis, that he would support John Heydler for president of the National league.

It is said here that Mr. Robson is for Ward.

"There is no foundation for the statement that the American association will enter cities of the two major leagues," said President O'Brien to a representative of the Associated Press.

GRIFFITH'S ALL-STAR TEAM

Two Nebraskans, Harte and Shonka, Picked by Hawkeye.

IOWA CITY, Ia., Nov. 30.—(Special.)—Four Kansas, four Missouri, two Nebraska and one Drake player were chosen by Coach John G. Griffith of the University of Iowa foot ball team in picking an all-Missouri Valley team from players on other than the Iowa team.

Captain Pleasant of Kansas is shifted to an end to give Evans, Drake's quarterback and halfback, a position. Johnson of Kansas is given a preference over Evans at quarterback by the Iowa coach.

Following is the ideal eleven chosen by Griffith from the Missouri Valley teams other than Iowa:

Name.	Position.	College.
Ammons	L.E.	Kansas
Harte	L.T.	Nebraska
Roberts	L.G.	Missouri
Shonka	C.	Nebraska
Lovett	R.G.	Kansas
Bluck	R.T.	Missouri
Pleasant	R.E.	Kansas
Johnson	Q.B.	Kansas
Hackney	L.H.	Missouri
Evans	R.H.	Drake
Alexander	F.B.	Missouri

The recognition given the Iowa players by the critics of the Nebraska and Missouri newspapers has pleased the local students and it is taken as an indication that the Missouri Valley conference is resulting in more impartial judging of the merits of the teams each year.

JACK JOHNSON IS DISCHARGED

Arrest for Issuing Challenge Not Sustained by Court.

NEW YORK, Nov. 30.—Jack Johnson, champion heavyweight pugilist, was arraigned before Magistrate Dooley today following his arrest last night for "issuing a challenge to fight."

"Discharged," said Magistrate Dooley. "There is no violation here and the police were wrong," and the big fighter left the court house in triumph.

The so-called challenge was delivered in a little speech which Johnson made from the stage of a vaudeville house in which he said he was willing to meet Sam Langford or any other aspirant for pugilistic honors on thirty days' notice.

CUP STAYS IN ANTIPODES

Australians Win Final Matches in International Tourney.

SYDNEY, N. S. W., Nov. 30.—The Australasian defenders retain the Dwight F. Davis challenger cup, having defeated the Americans in the final matches today of the international tennis tournament. The play was at single and the Californians made a better showing than in the earlier matches. The score:

International singles: A. F. Wilding, New Zealand, beat Maurice E. McLaughlin, United States, 3-6, 8-6, 6-2, 6-3.

Norman E. Brooks, Victoria, beat Melville H. Long, United States, 6-4, 7-5, 8-6.

No Post-Season College Game

Bellevue College Authorities After Canvassing Situation Decide Not to Play Doane Again.

The challenge of Doane college for a post-season foot ball game with Bellevue to settle state honors, since the title lies between the two elevens, was discussed at Bellevue yesterday and the authorities arrived at the decision not to play again. It is said they take the stand that the sport should be freed of all championship strife, and they are satisfied with the showing the team made in regular play in scheduled games. In this they are carrying out the policy adopted at the recent Missouri Valley conference, which is fully in accord with their own ideas.

CRETE, Neb., Nov. 30.—(Special.)—The Doane college team returned from St. Mary's, Kan., in good condition. Owing to the bad conditions of the field and because some of the boys went home for the Thanksgiving recess, practice has not yet been resumed. Doane is eager to play Bellevue and settle the championship question beyond the shadow of a doubt.

The defeat of Wesleyan by Grand Island and of Hastings by Peru has materially changed the standing of the teams. Bellevue has not played these teams, while Doane has defeated them by decisive scores, and some claim that this in itself gives the championship to Doane. It is said that Bellevue declined to play Peru. A claim will be made to the intercollegiate board based on the record of Bellevue and Doane. This claim will be greatly strengthened should Bellevue refuse to accept Doane's challenge to play off the tie. Cody Clark has returned to his home, so that the Doane team is no better organized than the Bellevue team.

During the winter months gymnastic practice will be carried on in the gymnasium under the direction of Otton John Kubicek, a graduate of the college and a Bohemian turner of considerable ability. Doane will now train its track men and base ball team.

A Bellevue man yesterday said:

"Taking into consideration the time and conditions of affairs the Bellevue foot ball authorities decided that it would not only be impossible but undesirable to meet Doane again this year in a post-season game. In the first place Bellevue's team has been off from their regular training course for nearly two weeks and would be in no condition to go into a game, while on the other hand Doane played a game Thanksgiving which would keep their men in far better condition than Bellevue.

"Again, the challenge came at a time when all the Bellevueites had gone to their various homes for the Thanksgiving vacation and would not return until a few days before the desired time for the post-season game and possibly not all of them would return by that time. Another thing Bellevue considers that the foot ball season for 1909 has ended and whether it won or lost it is willing to wait till the next season rolls around to settle any old grievance which would no doubt be settled in a better spirited contest than in a post-season game. Bellevue does not by any means feel that it is unsportsmanlike to decline from accepting this what might be called a challenge from Doane, who, it seems, cannot realize that the season for 1909 has ended."

WITH THE BOWLERS.

Sunday morning on the basement alleys, the Day Mailing team won three games from the Night Mailing team of the Postoffice league. Meyers had high totals with 477 and Short had high single game with 183. Score:

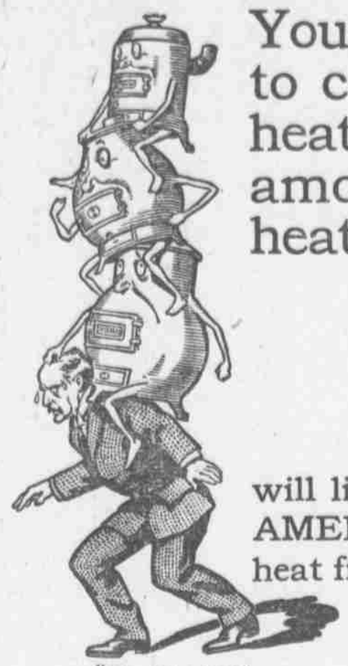
Relieve the heating burden!



"Too big a load"

Your lot is not a happy one if you have to carry the burden of old-fashioned heating—which requires a tremendous amount of fuel to produce but little heat, and constantly "gets out of order."

AMERICAN RADIATORS & IDEAL BOILERS

will lift that load off your shoulders. IDEAL Boilers and AMERICAN Radiators produce the maximum amount of heat from the fuel and do not get out of order. They save the heat for the rooms instead of letting the most of it escape up the chimney, as is the case with old-fashioned heating methods.

ADVANTAGE 11: The phenomenal success of IDEAL Boilers is also largely due to the fact that they are made in sections so that even their largest parts can be carried through an ordinary size doorway. For this reason they can be quickly installed in old houses without disturbing the occupants. No tearing up necessary—in fact, in unmodernized or old types of houses IDEAL Boilers can be erected, including the necessary piping and radiators, without the necessity of removing the stove or hot-air furnace until the new heating outfit is ready to fire up. For this reason IDEAL Boilers can be quickly installed in winter weather when the old, crude heaters get badly worn or collapse.

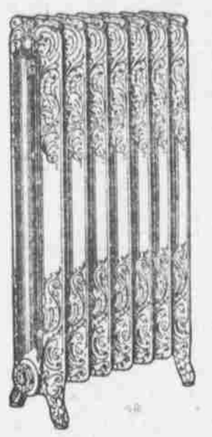
IDEAL Boilers and AMERICAN Radiators for Hot-Water or Low-Pressure Steam heating make the most scientific, simple, safest, surest outfits for warming any building, large or small, OLD or new, FARM or city. IDEAL Boilers consume less coal (or cheapest screenings) to heat the *whole house* than a stove consumes of expensive hard coal to heat a few rooms. Every known improvement and many exclusive features make IDEAL Boilers and AMERICAN Radiators the most efficient and economical in the world, yet our enormous volume of sales enables us to put the price within reach of all.

A No. 3121 IDEAL Boiler and 440 ft. of 38-in. AMERICAN Radiators, costing the owner $205, were used to Hot-Water heat this cottage.

A No. 22 IDEAL Boiler and 240 ft. of 38-in. AMERICAN Radiators, costing the owner $115, were used to Hot-Water heat this cottage.

At these prices the goods can be bought of any reputable, competent Fitter. This did not include cost of labor, pipe, valves, freight, etc., which installation is extra and varies according to climatic and other conditions.

Why not at once drop your heating burden? Find out about it, anyway. Write, telephone, or call to-day for our book, "Heating Investments Successful"—it tells much—it's free



AMERICAN Radiators are made in tall, narrow, broad, low, small, giant, and other shapes, forms, and sizes to fit conveniently into any space that can be spared for them.

TRIPLE TIE BILLIARD MATCH

Cline, Sutton and Demarest Win Four Games Each.

CONDITIONS OF PLAY OFF

Demarest Plays Cline, Loser Plays Sutton and Winners of These Matches Play Each Other.

NEW YORK, Nov. 30—A triple tie for the world's professional 18.2 balk-line billiard championship resulted from today's play in the tournament at Madison Square Garden. At the afternoon session, George Sutton of Chicago defeated Firmin Cassignol, the French champion, and this evening Calvin Demarest of Chicago won from George Slosson, the New York player.

The two winners of today therefore are tied with Harry B. Cline of Philadelphia, each of the three having completed his schedule, with four games won and one lost. The standing of the six contestants for the championship are as follows:

	Won.	Lost.	Pct.
Cline	4	1	.800
Sutton	4	1	.800
Demarest	4	1	.800
Slosson	1	3	.250
Cassignol	1	4	.200
Cutler	0	4	.000

One game is still to be played in the regular series between Slosson and Cutler, and this will be decided Thursday afternoon, while the triple tie for first place will be played out in three games, Demarest playing Cline Wednesday, the loser of that match playing Sutton Thursday and the winners of the two matches playing on Friday.

The Demarest-Slosson match this evening was a close argument for the first half of the game, but in the latter half Demarest scored heavily, going out in the thirty-second inning with a brilliant unfinished run of eighty-two, and winning by a score of 500 to 264.

Slosson made a remarkable run of 123 in his eleventh, finally missing a three-cushion try by the narrowest margin. This sent the Slosson score up to 191, against 118 for Demarest, but the Chicago player overcame this lead with a series of two-figure runs and kept his lead for the remainder of the contest.

Demarest played rapidly and brilliantly throughout the contest, making his final run of eighty-two in less than eight minutes. Score:

Demarest—1, 1, 1, 3, 0, 44, 1, 23, 26, 6, 0, 11, 30, 14, 42, 21, 10, 25, 1, 10, 10, 1, 1, 25, 8, 9, 0, 49, 1, 0, 32, 2, 82—500. Average, 15 20-32; high runs, 82, 49, 44.

Slosson—4, 0, 14, 9, 0, 0, 9, 4, 21, 23, 2, 123, 1, 16, 5, 0, 25, 1, 33, 2, 0, 9, 7, 10, 9, 26, 12, 2, 1, 1, 7—264. Average, 11 23-31; high runs, 123, 26, 33.

Sutton Wins Afternoon Game.

Sutton defeated Cassignol at the afternoon game by a score of 500 to 467. The French champion began his game brilliantly, gaining a heavy lead on Sutton in the fourth inning by a run of 134, followed up in the fifth by a run of 75. Sutton added only seven points to his score in the next five innings, but began a series of two-figure tallies in the eleventh, taking the lead from Cassignal in the fifteenth. Sutton held his advantage until the twentieth, when Cassignal made a run of 94 and took the lead for a single inning, until Sutton regained his place with a tally of 47. The game ended in dull fashion in the twenty-fifth inning. Score:

Sutton—6, 2, 25, 57, 17, 1, 0, 2, 3, 1, 61, 4, 40, 76, 34, 3, 74, 5, 2, 25, 47, 0, 1, 5, 9—500. Average, 20; high runs, 76, 74, 61.

Cassignol—3, 9, 5, 125, 75, 1, 24, 1, 1, 2, 0, 2, 64, 0, 1, 2, 12, 14, 3, 94, 11, 1, 1, 4, 3—467. Average, 18 17-25; high runs, 125, 94, 75.

WOLGAST GIVEN DECISION

Twenty Rounds of Fast and Furious Fighting at San Francisco.

SAN FRANCISCO, Nov. 30.—A. Wolgast of Milwaukee was given the decision over Lew Powell at the end of twenty rounds of furious and at times bloody fighting. Wolgast had the better of the contest from start to finish and his whirlwind rushes and aggressive infighting proved a combination that the local fighter was unable to meet.

Powell was the favorite at odds of 10 to 8, and he was backed for thousands. It now is conceded by all that Wolgast, after his showing against the Californian, is the legitimate opponent of Champion Nelson.

The fight tonight was remarkable for the terrific clip the fighters maintained and the disinclination at any time to break ground or shirk punishment.

Wolgast opened the battle as if he intended to make a runaway fight of it. He fairly dazzled Powell with his speed, and his aggressive fighting at close range was a revelation. Time and again he drove right and left short-arm blows to the body and jaw and kept his arms going with such piston-like regularity that Powell was all at sea.

Try as he might, he could not elude the Milwaukeean's determined rushes and the best he could do was to protect himself, let alone administer any punishment. Wolgast directed his early attacks to the kidneys and soon great red blotches bedecked Powell's back. The men fought almost constantly at close range throughout the entire battle, and while in this position Wolgast sent in smash after smash on the Californian's jaw and face and soon the blood was spouting in streams from his mouth and nose. One round was a repetition of the other, with Wolgast invariably holding the upper hand.

In the twelfth round Powell made his only showing.

BOARD TO PROMOTE PUGILISM

Sporting Life Starts Movement for International Agreement.

LONDON, Nov. 30.—With a view to the further encouragement and promotion of the art of self defense, the newspaper Sporting Life, with the Earl of Lonsdale's approval and the promise of his assistance, has started a movement for an international board, from which Great Britain and the United States each will have two representatives and Australia and France one each. The objects of the board are: First, to frame rules to govern international championship; second, to fix weights for such championships; third, to decide who is entitled to claim championships; and fourth, to supply belts and trophies to recognized champions.

It is suggested that Lord Lonsdale be elected president of the first board.

Pugilist Trendall Fined.

ST. LOUIS, Nov. 30.—Harry Trendal, a pugilist, pleaded guilty in the county court of St. Louis county today to having been a principal with George Memsic of Chicago in a prize fight at Wellston on September 23. He was fined $100. Cases against Memsic, Mal Doyle, referee, and promoters of the affair, are pending.

Gotch and Roller Wrestle.

DETROIT, Mich., Nov. 30.—Dr. B. F. Roller, wrestling champion of the Pacific coast, held Frank Gotch, world heavyweight wrestling champion fifteen minutes without a fall tonight at an exhibition here. The men sparred five minutes before going to the mat and at the end of thirteen minutes Roller regained his feet. Gotch had Roller twice in close quarters, but the westerner worked himself out of danger each time by a supreme effort. In the last two minutes Roller broke nearly all of Gotch's favorite holds. Gotch threw Jack Asman of Kansas City twice in seven minutes.

OMAHA DOG FINISHES FOURTH

Gilt Edge, Owned by Hamilton and Pixley Stars in All-Age Stake.

BARBER, N. C., Nov. 30.—The all-age stake of the Continental trials was finished today, the winners being:

First, Cowley's Pride, English setter owned by U. M. Fleishmann of New York, handled by C. H. Babcock of New Bedford, Mass.; second, Kils Viola, English setter, owned by J. W. Consadine of Seattle, Wash., handled by J. E. Lucas of San Francisco; third, Gilt Edge, pointer dog, owned by Hamilton & Pixley, Omaha, handled by E. D. Garr, Louisville; fourth, Cords Lad of Jingo, pointer, owned by C. H. Cord, Dayton, O., and handled by J. F. Lucas.

The conditions under which the dogs ran were trying for it was dry and while plenty of birds on the ground it was difficult for the dogs to handle them.

The all age stake of the Pointer club of America begins tomorrow. Among the eight starters will be Spots Rip Rap, owned by Judge D. G. MacDonnell of Vancouver, B. C. This dog has won two or three championships on the Pacific coast.

AMERICANS LOSE AT TENNIS

Australian Team Wins Doubles Match on Straight Sets.

SIDNEY, N. S. W., Nov. 30.—The Australian defenders of the Dwight F. Davis challenge cup defeated the Americans in straight sets in the doubles of the international tennis tournament yesterday.

The Australians showed the better judgment and won by magnificent volleying and prompt rallying at critical moments. Score:

Normal E. Brooks (Victoria) and A. E. Wilding (New Zealand) defeated Maurice E. McLoughlin and Melville H. Long (United States) 12-10, 9-7, 6-3.

The Californians made a splendid fight, though McLoughlin was erratic. Long's service was masterly. The weather was bright and warm and the court fast. The attendance was excellent.

Bliss Breaks Right Leg.

STOCKTON, Cal., Nov. 30.—Catcher Bliss of the All-National base ball team broke his right leg in an exhibition game with the Philadelphia team here today. Bliss formerly was with the St. Louis team.
