Naval Forces of the United States Are Being Moved Toward Both Coasts of Central America.

Rear Admiral Sails for Colon, Where He Will Direct Operations.

PRESIDENT ZELAYA SURPRISED

He Reiterates His Belief that He Was Justified in Executing Americans—Vice Consul Caldera Still on Duty.

WASHINGTON, Dec. 2.—Naval forces of the United States are being moved forward to both coasts of Central America to protect American life and property in Nicaragua by force of arms, if the necessity arises. With the departure this afternoon from Philadelphia of the troopship Prairie with 500 marines aboard for the isthmus of Panama, and, if he so desired, for Nicaragua, and of the sailing from Magdalena bay of the projected cruiser Albany and the gunboat Yorktown for Corinto, on the coast of Nicaragua, the activity of the Navy department was becoming manifest on both oceans that wash the Nicaraguan shores.

With the probability of many delicate questions arising in Nicaragua and of their demanding immediate response, the Navy department decided to send a flag officer to Nicaragua to take command of the American naval forces. Rear Admiral William W. Kimball was chosen for that duty. He sailed for Colon, Panama, today. He will make his way from there to Corinto, doubtless, as rapidly as possible. Admiral Kimball has been a member of the naval boards of examinations and retirements and of construction for more than a year.

The concentration of the four warships together with the auxiliary party of marines, at Corinto is taken to indicate the determination of the officials here to be able to meet any call upon them for the protection of American citizens. On the Albany are about 200 blue jackets and on the Vicksburg, Yorktown and Princeton about 150 each. These, together with the marines, would make an army of over 1,500 men, which will equal any organization reported to be serving under Zelaya.

Although Secretary Knox in his note last night to the Nicaraguan charge, Mr. Rodriguez, intimated that he would be willing to see that the warships, if the permission has not yet been taken advantage of.

Having broken off diplomatic relations with Nicaragua it is understood to be the government's purpose at present to maintain a position of watchfulness and preparedness and to hold the position until the government is in a position to seize Corinto or to take other offensive action should the situation seem to warrant and should such a step be found necessary it will be prompt and decisive.

INSURGENTS ARE HELD UP

There is rejoicing today in the ranks of the Nicaraguan revolutionary party at the corresponding gloom among the friends of President Zelaya, over the ultimatum handed down yesterday by the United States to the Nicaraguan government in the note which accompanied the passports delivered by Secretary of State Knox to Felix Rodriguez, charge d'affaires of the Nicaraguan legation.

The strength of the note and its personal tone are the subjects of comment in diplomatic circles.

It is generally recognized that the United States has decided the time has come to put an end to further attacks on American life and interests in Central America.

The far reaching effect of the note is a matter of especial comment. The fact that President Zelaya is apparently to be held responsible for the shooting of the Americans, Groes and Cannon, and that the note intimates that Zelaya is the culprit, adds a sting to the matter.

Concealed in the vigorous note directed by Secretary Knox is seen a warning to the Central American republics that they must behave and conduct themselves as other republics in the western hemisphere conduct themselves. This and the direct announcement that the United States intends to see the family of western republics live harmoniously is believed by diplomats to be epochal.

Prairie Sails for Colon
PHILADELPHIA, Dec. 2.—Flying the pennant of Rear Admiral William W. Kimball, the transport Prairie, with 700 marines on board left the Philadelphia navy yard at 5:45 p. m. for the Panama Canal zone and possibly Nicaragua. When asked where he was going, Rear Admiral Kimball replied that he was about to take a "little sail with Captain Kellogg on the Prairie, I am going down to look things over," he added.

"Where is down?" he was asked.
"My papers say Colon," was his answer.

Zelaya is Surprised
MANAGUA, Nicaragua, Dec. 2.—The action of the American secretary of state in dismissing Senator Felipe Rodriguez, the Nicaraguan charge d'affaires at Washington, has greatly surprised President Zelaya, who reiterates today his belief that the Nicaraguan government was justified in executing the Americans, Groes and Cannon, who were affiliated with the revolutionists. Zelaya will take no action until he has received further information on the subject and learns definitely the intentions of the United States.

**Shot
Fatal
Marley**

Guy Marley of Missouri Valley Held for Frightful Wound Inflicted by Shotgun.

MISSOURI VALLEY, Ia., Dec. 2.—(Special Telegram.)—Guy Marley this afternoon fired a shot which tore off the right arm of his step-mother at the shoulder. Mrs. Marley will probably die. Marley is in jail here possibly, facing a charge of murder.

At 3 o'clock this afternoon the residents of the farm house of George Weatherly, three miles from this city, were horrified to hear Mrs. Marley's younger son, a boy, 9 years, declare breathlessly, "My brother has killed my mother."

A few minutes later Mrs. Marley staggered into the home. She had reeled and stumbled the mile between her home and the Weatherlys, following the shooting.

A physician was summoned and he immediately amputated Mrs. Marley's arm at the shoulder. It had been all but severed by the shot, which came from a shotgun fired a few feet from her.

In agonized accents Mrs. Marley told of the shooting:

"Guy came home from Dow City this afternoon with Ira Brundidge and the two had a jug of whisky. They and my husband began drinking together and all three became somewhat intoxicated. I scolded them and Guy fired at me."

"I ran out of the house, the little boy ahead of me."

Officers went out from here to the Marley farm and after some difficulty, managed to get Guy Marley out of the house unharmed.

He pretended not to have known what had occurred. But his last words before being locked up were:

"Was she badly hurt?"

Marley, it is said, attacked his father some months ago and cut him badly. He is 28 years of age, Mrs. Marley is 45.

**Shoshone Dam
Nearing Finish**

Structure Reaches Elevation of 270 Feet—Work on Owl Creek Embankment Shut Down.

(From a Staff Correspondent.)
WASHINGTON, Dec. 2.—(Special Telegram.)—The constructing engineer in charge of the Shoshone dam in Wyoming reports that this structure has now reached an elevation of 270 feet or within fifty-eight feet of the proposed top of the eighty-foot dam. The dam is about 8,000 cubic yards of concrete to be placed. The settlement of the Shoshone project is proceeding satisfactorily, nine farms having been flooded upon during the month of November. The growth of new towns on this project is also very encouraging.

**NEW MAIL ROUTE SECURED
FOR PORTION OF LINCOLN**

Senator Burkett Gets Order for Free Service East of Lincoln.

(From a Staff Correspondent.)
WASHINGTON, Dec. 2.—(Special Telegram.)—Senator Burkett today secured at the Postoffice department an order for the establishment of a rural free delivery route east of Lincoln, with two deliveries a day. The route will be thirteen miles long and covers a territory just outside of the corporate limits of Lincoln. Some time since, the department discontinued the star route service through Normal to College View and this left a good many families, including Talbott Home, without any mail service. Senator Burkett's success today gives them the same service at most of the residential sections of the city.

State Commission Tries to Secure Wayne Normal Property for Sixty Thousand Dollars.

Members Will Probably Raise Bid to Seventy Thousand.

NINETY THOUSAND APPROPRIATED

Mrs. Pile, Through Attorney, Says Sum is Far Too Low.

HOPE TO GET WAYNE TO ASSIST
Legislative Act Gives Board Discretion—Trip to Northern Nebraska on Northwest School Soon.

(From a Staff Correspondent.)
LINCOLN, Dec. 2.—(Special Telegram.)—The State Normal board has offered the owners of the Wayne Normal school \$60,000 for the buildings and grounds.

The offer was refused and the board adjourned until tomorrow morning when it is probable the offer will be raised to \$70,000.

The legislature appropriated \$90,000 with which to buy the school and a committee selected by the legislature investigated the property and reported it worth that amount and more, some placing the value as high as \$150,000.

When the board made its offer of \$60,000 Mrs. Pile, the owner, plainly showed her disappointment. Through her representative, ex-Senator Breesler, who said she owned more than that on the school and could not therefore accept the offer. She said she was carrying insurance on the school to the amount of \$95,000.

Senator Breesler was informed that probably the owners of Wayne would be willing to contribute toward buying the school if Mrs. Pile did not want to accept the offer made. It required a hard fight on the part of friends of Mrs. Pile to get the appropriation bill through the legislature, as other privately owned normal schools opposed it, as well as did others who desired the normal school established elsewhere. But after a careful inspection of the property the legislature appropriated \$90,000 for its purchase, or so much thereof as would be necessary.

The warrant followed the report to the coroner of Dr. W. H. Warren, dean of the medical faculty of Washington university, who tested the viscera of Erder's exhumed body.

This is the second criminal charge to be lodged against Mrs. Dosey within twenty-four hours, she having been arrested last night for her alleged bigamous marriage to Erder.

Immediately after the issuance of the warrant charging murder Sergeant Wade Matthews led direct for Columbus with a certified copy of the document.

Dr. Warren's report states that arsenic was found in the stomach, liver, kidneys, spleen and pancreas. He adds that he tested the embalming fluid used on Erder's corpse, but discovered no trace of the poison in it. Council Bluffs Man Will Find Much to Do with Central American Affairs.

WASHINGTON, Dec. 2.—(Special Telegram.)—About the busiest man in the public service of Uncle Sam during the coming winter will be Thomas C. Dawson of Council Bluffs, the new chief of the bureau of Latin-American affairs in the State department.

Mr. Dawson is now on his way home from Chile, having given up his post as minister to that country when he was recalled to become head of the Latin-American bureau. When he arrives in Washington Mr. Dawson will find Central American affairs demanding his attention and his expert knowledge of both Latin-American affairs and the intricacies of diplomatic process.

He will in all probability find, also, that the Chilean claims negotiation will still need some management.

There are matters pending in the relations of this government to both Colombia and the Panama republic, which will be coming to the critical point within the next few months, if expectations are realized. Cuba is getting its international affairs into more and more menacing conditions all the time, and the possibility of another American intervention continues to be more and more frankly recognized.

MORGAN BUYS EQUITABLE

Big Assurance Society Passes into Control of Banking House.

RYAN STOCK IS PURCHASED

It is Subject to Voting Trust Agreement, Which Expires Next June if Not Renewed.

NEW YORK, Dec. 2.—Control of the Equitable Life Assurance society, which was secured by Thomas F. Ryan soon after the insurance scandals of some years ago, has passed to J. Pierpont Morgan with the \$472,000,000 of assets which the company declared in its last statement. The transfer apart from its magnitude as a chapter in the history of finance, marks a complete reversal of the old order under which the insurance companies controlled the destinies of the banks and trust companies.

News of the transfer was contained in the following brief statement issued from the office of Morgan & Company:
