Cornhuskers Casting About to Select Foot Ball Captain.

SHONKA AND TEMPLE NAMED

Signs of Fraternity Feeling Manifested, but Strife May Be Checked—Merits of Candidates.

LINCOLN, Dec. 2.—(Special.)—It has developed during the last two days that there will be at least two candidates for the captaincy of the 1910 Cornhusker foot ball eleven. Only a few days ago it was taken as a certainty that Leroy Temple of Lexington would be the unanimous choice of the letter men for next season's leader. Now S. V. Shonka, All-Missouri Valley center, is mentioned as a candidate for the place, and it is feared that the election will get into politics, as the one did last fall, when Collins and Frum sought the captaincy and Beltzer was elected as a compromise candidate.

Among the undergraduates of the university there is a feeling that Temple is entitled to the captaincy, because of his service to the team; yet Shonka is a mighty popular fellow with all students, and his friends are pushing him for the captaincy. Temple is a fraternity man and Shonka is a nonfraternity student; being so considered, although he is a member of Acacia, a university Masonic fraternity; and there is a vague rumor to the effect that Shonka is being pushed for the captaincy in opposition to Temple because the latter is a "frat" man. Several of Shonka's friends, however, declare it is absurd to even hint that Shonka is being "run" as an anti-fraternity candidate. They are backing him, they say, because they believe him to be the best man for the position.

The Nebraska Athletic board, in event that the captaincy gets too deep into politics, will take steps to put an end to the wire pulling. The entire board is set on preventing a repetition of last season's disgraceful election, and may even go so far as to take the selection of a captain out of the hands of the players.

Too Much Sport Politics.

A prominent faculty member of the board made the following statement this afternoon regarding the situation:

"Nebraska athletics cannot stand another disgraceful election like the one of last season. That hurt our foot ball eleven of this fall and caused one good player to stay away from the gridiron this season. If this election gets into politics we will have to take immediate steps to get it out. There seems to be no question as to whom should be elected captain this fall; one of the two candidates has earned the honor and the players have no right, because of personal considerations, to keep him from getting the position."

The first step the athletic board will take toward preventing a bad fight over the captaincy will be to call an early meeting for the foot ball men to select next fall's leader. It is thought that delay in the election will give the rival forces time to do a great deal of wire pulling and to create much ill feeling. A year ago members of the team were on several occasions close to fistic encounters, and Nebraska's foot ball eleven suffered much from lack of good feeling created at that time.

A new system of electing the foot ball captain is to be adopted soon that will do away with all chances for wire pulling and will permit the best man for the place to get it. Just what this new plan will be has not been agreed upon as yet. The election of this fall has been delayed until the season's letter men are picked. The athletic board has been waiting to adopt a new system for granting letters and it is not likely that the letters will be awarded until next week. All letter men are allowed to vote for captain.

Temple, whom the majority of the students think is the logical man for the place, has played two years on the Cornhusker eleven. He is a tackle and is rated as one of the best in the west. He was a real star on this fall's team.

Shonka, the other candidate, played his first year for the Cornhuskers this fall, being stationed at center. He was a brilliant man at that position, and one of the best that ever wore a Nebraska uniform. He still has two years of foot ball to play, while Temple has but one. Both players are popular with the students and the election of either will be satisfactory to undergraduates, though Temple is thought to be deserving of the honor.

RICKARDS GETS BIG FIGHT

Bid of $101,000 and Share of Picture Receipts Accepted.

SAN FRANCISCO MAY BE LOCATION

Date of Contest Between Jeffries and Johnson Probably Will Be July 4, 1910, Says the Successful Bidder.

NEW YORK, Dec. 2.—The world's championship fight between James J. Jeffries and Jack Johnson will be held in San Francisco before a club organized by "Tex." Rickard of Ely, Nev., and Jack Gleason, the fight to take place probably on July 4, 1910. The bid made by Rickard and Gleason of a purse of $101,000 and the contestants to take 60% per cent of the moving picture receipts, was accepted by representatives of Johnson and Jeffries this afternoon.

"Tex." Rickard said today that if the fight were awarded to him and Gleason it probably would be held in San Francisco.

"My bid is for Utah, Nevada or California," he said, "but in Utah it is not at all certain that we can hold the fight. In Nevada, where the laws will permit, we cannot get a crowd large enough to pay the guaranteed purse, so that leaves San Francisco with practically a clear field.

The successful bid provides that the fight shall take place in California, Utah or Nevada on a date to be set later, but it was stated that without doubt the contest would take place in San Francisco.

In view of the fact that James Coffroth, manager of the Mission Athletic club at Colma, Cal., controls certain patents on moving pictures, it was thought Rickard and Gleason would likely enter into some arrangement with him whereby they could have the fight take place in the Colma arena.

T. J. McCarey of Los Angeles and Eddie Graney of San Francisco made a vigorous protest against the acceptance of Rickard's bid, declaring their bids were higher and should have been accepted. They asserted that Rickard's bid had been accepted in advance and that other bidders stood no chance.

The final articles for the fight will be drawn up by lawyers and signed in Hoboken, N. J., tomorrow.

'Frisco May Change Ordinance.

SAN FRANCISCO, Dec. 2.—The news from New York that the Jeffries-Johnson world's championship fight would be held in San Francisco, although not unexpected, has caused keen satisfaction among ring followers in this city. Already speculation is rife as to the location of the battleground.

The laws of California permit finish fights, but contests within the city are so regulated by the municipal authorities that only twenty-round exhibitions can be given. There is a belief, however, that owing to the tremendous importance of the championship battle pressure may be brought to bear on the incoming administration to waive all restrictions and grant permission to the promoters to hold an unlimited contest in the city of San Francisco. In such an event it is generally understood the base ball park of the Pacific Coast league, on Valencia street, near Fourteenth, will be the scene of the battle.

On the other hand, there is an undercurrent of opinion that an arrangement has been effected with Coffroth, in which case it is almost certain that the fight will be taken to Coffroth's Mission Street arena.

Here unlimited contests are permitted without molestation, but the arena would have to be enlarged.

DEMAREST DEFEATS CLINE

Easy Victory for Chicago Man in First Playoff of Triple Tie.

NEW YORK, Dec. 2.—The first game of the triple tie between Demarest, Cline and Sutton in the international professional 18.2 balk line billiard championship was won Wednesday at Madison Square Garden by Calvin Demarest of Chicago, from Harry F. Cline of Philadelphia, by a score of 500 to 388. The winner's highest run was 108, while Cline reached 102. Demarest generally outclassed his opponent. The score:

Demarest—0, 34, 2, 2, 5, 3, 13, 29, 108, 0, 16, 82, 1, 0, 0, 12, 62, 1, 75, 55—500. Average: 25. High runs: 108, 82, 75.

Cline—2, 5, 9, 26, 6, 3, 4, 76, 6, 44, 16, 1, 2, 12, 34, 2, 102, 34, 6—388. Average: 20 8-10. High runs: 102, 76, 44.

Other officers elected are:

Vice presidents, Robert P. Cooper, Philadelphia; Frank M. Joyce, Minneapolis; F. C. Donald, Chicago; treasurer, H. A. Bonnell, East Orange, N. J.; secretary, Frederick H. Elliott, New York.

Among the directors elected are H. B. Allfree, Newton, Ia.; F. O. Battey, Savannah, Ga.; William S. White, Sioux City, Ia., and J. W. Watzek, Davenport, Ia.

Iowa Men Awarded Letters.

IOWA CITY, Ia., Dec. 2.—(Special.)—At the meeting of the University of Iowa athletic board last evening the following "Is" were granted to the members of the foot ball team who had fulfilled the requirements the past season for winning the honor letter: Captain Gross, Captain-elect Hyland, Alexander, Kresensky, Hanlon, Ehret, Hanson, Bell, O'Brien, Stewart, Fee, Murphy, Dyer, Collins.

Charles Clarke of Des Moines, one of the alumni members of the board, attended the meeting, making the first full assemblage of the governing body this year.

Questions of the future policies of the university regarding the conference foot ball schedules were taken up and fully discussed, but no definite announcement of any action was given out. It is known that Mr. Clarke, however, represented the sentiment of the Des Moines alumni relative to the Iowa team appearing every year in Des Moines at least once during the season and it is believed that the attendance of Mr. Clarke was significant of this movement.

Big Shoot at Webster, S. D.

SIOUX FALLS, S. D., Dec. 2.—(Special.)—The Minne Kotah League of Gun clubs, which is one of the strongest associations of marksmen in the northwest, recently held its annual business meeting at Webster for the purpose of electing new officers and arranging for the sports of the coming year. It was decided that the next annual trophy shoot of the organization should be held at Webster on a date to be selected by the members of the Webster Gun club. The coming trophy shoot will be one of the greatest events of the kind in the history of the state. The following officers were elected for the coming year: President, Frank Sears of Webster; vice president, Dr. L. E. Studenroth of Redfield; secretary, John Sherbino of Webster; treasurer, Maurice S. Handler of Sisseton. The new board of directors is composed of S. L. Rockman of Aberdeen, Dr. E. E. Gildner of Redfield, L. J. Adkins of Sisseton, Thomas Colin of Bristol and C. B. Reeves of Ipswich.

Base Ball Politics Boiling.

CINCINNATI, Dec. 2.—Base ball politics will soon develop some lively wire pulling in New York in advance of the coming National league meeting and election of president.

President Hermann of the Cincinnati team announced today that he would go to New York next Wednesday to "get on the ground early."

Hermann is more friendly toward John Heydler than any other man mentioned for the National league presidency.

Hermann denies the stories published in other cities that he and Charles W. Murphy would offer President O'Brien of the American association as a dark horse.

More Deaths Due to Foot Ball Play Than to Strikes

John Mitchell Makes This Statement in Address to Sociological Conference at New York.

NEW WYORK, Dec. 2.—More men are killed as the result of playing foot ball in one year than are killed in labor troubles, and more men are hurt or arrested as the result of election brawls than all the strikes show," said John Mitchell, vice president of the American Federation of Labor, today, speaking against the general impression that violence always follows labor troubles.

His address was delivered at the opening session of the sociological conference held under the auspices of the Presbyterian Board of Home Missions.

BELLEVUE CAPTAINS ELECTED

Barry and Primrose Will Head Foot Ball and Track Teams.

Athletic association elections at Bellevue college have resuted in the choice of "Jack" Barry as captain of the 1910 foot ball team and David Primrose as leader of the track squad. Barry has played three years on the college team and will be a senior next year. He is a capable foot ball player and a good executive. Primrose is considered the best all-round track man in the college. Both captains look forward to championship teams next season on the cinder path and the gridiron.

Bloom Training Hard.

Maurice Bloom, who is matched to go ten rounds with Kid Jensen before the Tri-City Athletic club, is training hard at Chesires place in South Omaha. This clever lad says he is going to make mincemeat of the Village Blacksmith, while the rooters for the Omaha lad say he is stronger than ever and will be able to more than hold his own against the Chicago youth. Two good preliminary bouts are on the card as well as a battle royal, the sport that furnishes all sort of amusement for the followers of the game.

Tigers on Way Home.

HAVANA, Dec. 2.—The Detroit base ball team has concluded its Cuban tour and is returning to the United States after a stay in Cuba of a little over a month. Twelve games were played in Havana, of which the Americans won four and lost four to the Havana and Almendares teams. The Detroit won the only game played in Matanzas.

Wants Johnson-Langford Fight.

BOSTON, Dec. 2.—An offer for the proposed fight between Jack Johnson, the colored champion, and Sam Langford of this city was received here today from Eugene Corrie of London, who claims that he can assure the boxers 60 per cent of the estimated gross receipts of $50,000. Langford posted a $10,000 forfeit last week.

Gotch Fails to Throw Roller.

NEW YORK, Dec. 2.—Frank Gotch, champion wrestler of the world, caught a tartar tonight in Dr. B. F. Roller of Seattle, Wash. Gotch had agreed to forfeit $1,000 if he failed to throw Roller in fifteen minutes and at the end of the bout both men were on their feet and fighting bitterly for a winning hold.

Gambling Ordinance Void.

MITCHELL, S. D., Dec. 2.—(Special.)—A city ordinance against gambling was declared void today in a decision by Judge Smith in circuit court. John Skillman was arrested several months ago on the charge of gambling, to which he pleaded guilty in justice court under the city ordinance. He was fined $75 and then appealed the case. T. J. Spangler entered a demurrer in the case on the ground that at the time the city of Mitchell passed the ordinance against gambling that there was no state law giving the city the power to pass an ordinance against gambling, therefore, making the ordinance void and without effect. The court sustained the demurrer and the defendant was discharged.

Birth Record is Broken.

HURON, S. D., Dec. 2.—(Special.)—During the month of November nine deaths, six males and three females, occurred in this (Beadle) county. Sixteen couples were united in marriage, but no divorces were granted. One alien declared his intention to become a citizen of the United States and sixty-eight babies were born, of which twenty-nine were females and thirty-nine males. This is the largest number of births ever reached in the county.

Just One Week Since the Sun Has Shone in Omaha

It is just one week since the sun shone on Omaha. "November 25, sunshine 6 per cent," is the matter-of-fact way in which the records of the weather bureau tell the story. From that day on the percentage column has been filled with zeros, with the single exception of a lonely little "2 per cent" glimpse of the sun on November 28. The rest has been shadow and fog—mostly fog.

Two per cent of sunshine means the equivalent of just exactly 14.40 minutes' continuous brightness—not an extravagantly generous allowance.

Long, doleful days of half mist, half rain, have for the week been followed by evenings of fog. This fog is real and material, the real imported English variety. A weird effect is produced by the illuminated signs of the downtown section blazing their feeble best against the moist, obscuring haze. Each little globe is surrounded by a glimmering halo of refracted light. The struggling glow gives the peculiar impression that the lights are floating in midair with no earthly attachment.

The unusual atmospheric conditions have given the theorizing philosophers a rare opportunity. Eclipses of the moon and even the vagaries of Halley's rambling comet have been blamed for the sadness of the skies, and then there are some who say it is just the clouds.

Omaha is not suffering alone. Woeful tales of impassable roads and suffering, neglected cornfields come from the surrounding country. Up in Burt county, K. N. Ashley, assistant state veterinarian, is using four horses on a light runabout to pull him over the bottomless roads. The contestants from Percival, Ia., in the fiddlers' contest at Nebraska City last night told the assembled crowd there they managed to arrive by the assistance of six horses and a mule. Rural mail carriers are badly hampered in their deliveries. The whole country is in a state of discomfort as a result of the murky weather. It will take many days of sunshine and drying winds to restore the fields and farms to a normal condition again.

Railroads have been affected by the water and in southeastern Nebraska, where the damp period has had full intensity, and where the streams were at flood while there was snow in the northern part of the state, the tracks are soft and unusual delays have resulted. There has been forty-eight hours of continuous rain in Gage county.

Omaha temperatures for the month rambled all the way from 77 to 14 degrees, with a maximum variation within one day of 32 degrees. The total precipitation for the month was heavy, reaching 6.24 inches, of which a trifle over five inches was snow.

Foreign Nations Bar Red Cross Stamps from Mails

WASHINGTON, Dec. 2.—Because of confusion among foreign postal authorities over the number of stamps used on letters reaching them from the United States, the Red Cross Christmas stamps and other "charity" stamps on mail packages will have to be used with utmost discretion.

Five foreign governments have placed restrictions upon the use of such stamps. Four of the countries—Great Britain, Orange River Colony, South Rhodesia and the Transvaal—refuse to admit to their mails packages bearing such stamps, and Germany admits packages bearing the stamps if they be affixed to the back of the letter or parcel, but not if they are placed on the face of it.

Concerning the matter, the Postoffice department today issued a bulletin saying that articles liable to be refused admittance to any of the countries named above on account of bearing charity stamps will be returned to the sender, if known; if sender be not known, such articles will be sent to the division of dead letters. All articles bearing Red Cross Christmas stamps for transmission in the international mails, the department cautions, should bear on the covers the full address of the sender.

The Red Cross authorities have placed on sale throughout the country millions of the "Christmas stamps," the proceeds of the sale of which are to be devoted by the society to the work of fighting consumption. The stamps will be good in the United States, but care will have to be exercised in their use on letters or packages for foreign countries.

Direct appeal to the rulers of the various governments to waive the rulings against the stamps was at first contemplated, but Charles L. Magee, secretary of the Red Cross, declared tonight that the society will content itself with warning purchasers of the stamps through the Red Cross agents against their use on packages destined for foreign countries.

The loss to the Red Cross fund will be small as a result of the ruling. The sale of the stamps up to tonight is greatly in excess of what it was last year. Already 48,000,000 have been purchased, and the society expects that the last of the 60,000,000 it caused to be printed for the present Christmas season will be gone before December 25. Last year less than 30,000,000 stamps were sold.

NEGRO IS BURNED AT STAKE

Preacher Who Shot White Man at Cochran, Ga., is Lynched.

FUEL PILED HIGH ABOVE HEAD

Victim, in Justification of His Act, Says Automobile of Man He Shot Scared His Team.

COCHRAN, Ga., Dec. 2.—John Harvard, a negro preacher, who shot and fatally injured Will D. Booth two miles from this place late this afternoon, was captured by a mob of enraged citizens five miles from here last night at 10 o'clock and burned at a stake, more than a carload of light wood, it is said, being heaped about the body.

Booth is a well known business man of Hawkinsville, Ga., and was enroute to Cochran in an automobile when the shooting occurred. He drove up behind Harvard, who was in front of him in a wagon. Harvard charged that Booth's machine frightened his mules. He drew a pistol, after a few words, and fired upon Booth, three shots taking effect. Booth returned the fire and it was learned after the negro was captured that he was slightly wounded in two places. He was found in a barn three miles from the place where the shooting occurred.

Booth was brought to this place immediately after the shooting. Physicians said tonight there was little hope of his recovery. He has a wife and six children. Officers from Hawkinsville in automobiles and carrying bloodhounds went immediately to the scene of the shooting, but a party of enraged citizens was quickly formed and tracked the negro on horseback to his hiding place. He showed fight, but was suffering so severely from the effects of his injuries that he could offer but little resistance. He freely admitted the shooting and is said, justified his action by the fact that Booth's automobile frightened his mules.

Harvard was given an opportunity to pray, after which he was securely bound with chains to a stake. The fuel was piled high above his head and the torch applied. The roaring of the flames prevented any statement he might have made from being heard.

BUDGET FIGHT UP TO VOTERS

National Liberty Federation Issues an Address to the Country.

COMMONS TO BE PROROGUED

Premier Asquith Will Present Motion Today Protesting Against Usurpation of Power by Peers—Conservatives Will Not Reply.

LONDON, Dec. 4.—The National Liberal federation tonight issued a manifesto to the country, which may be regarded as a party rally for the elections. It concentrates attention entirely on the constitutional struggle between the House of Lords and the House of Commons. It says:

"If the present action of the peers is not repudiated swiftly by the people, the rights and privileges won so dearly by our forefathers in the great struggles for freedom are all surrendered."

The manifesto declares the peers' power of veto must be restricted so that the last word on legislation and finance will rest with the House of Commons. Otherwise no liberal ministry again can assume the responsibility of office.

"In the fight forced upon us," the manifesto continues, "the electors will have to decide whether they wish to govern themselves or be governed at second hand by a few hundred hereditary peers, who have thrown the constitution into the melting pot, in order to shift the burden of taxation from wealth, land and liquor, to food and the necessaries of life."

Lord Rosebery, in a letter to the press tonight repudiates the charge made by Lord Curzon that he led an army to the walls of a fortress and then abandoned it. Lord Rosebery reiterates that throughout he has opposed and warned against the course the lords have taken as one calculated injuriously to affect the House of Lords, itself and enhances what popularity the budget may possess.

Biggest Lighting Bill on Record

New York City Owes Gas Company Eleven Millions, but Has Drawback in Unpaid Taxes.

NEW YORK, Dec. 2.—Greater New York cast up its account with the Consolidated Gas company today and found that for arrearages on gas and electricity it owed what will probably stand as the largest lighting bill on record—more than $11,000,000.

The city has not paid a cent for gas since 1903, when the dispute in the courts began over the legality of the 80-cent rate—a reduction of 20 cents from the former rate which was sustained. On the other hand, the company was in arrears on franchise taxes more than $10,000,000. When a balance was struck, the company still found itself $1,000,000 to the good.

CLYDE SHUMAKER OF GENOA KILLED BY AUTO ACCIDENT

Young Man Struck by Passenger Train at Blanca, Col., Brakes Failing to Work.

ALAMOSA, Colo., Dec. 2.—(Special Telegram.)—Failure of the mechanism of his big new touring car to work at a crucial moment resulted in the fatal injury of Clyde L. Shumaker at Blanca, while two other men, H. L. Terrill and Dill Stephenson, jumped barely in time to save their lives. Shumaker died this morning of his injuries.

Shumaker recently came to Blanca from Genoa, Neb., to start a garage. His parents are said to be quite wealthy.

The auto was struck by a passenger train last evening at the railroad crossing in Blanca, formerly Fort Garland. Shumaker was hurled high into the air and landed thirty feet from the right-of-way. Terrill and Stephenson jumped just in time.

Shumaker was at the wheel in such a position that he could not readily extricate himself, had he wished or thought to jump for his life. The car rounded a corner at a fair rate of speed, he being unable to see the approaching train because of a building.

Catarrh Yields to Dr. Milen's Treatment

DR. THEODORE MILEN, The Chief of Staff

Dr. Milen, by his new method of treatment, is accomplishing wonders in the treatment of that loathsome, oftimes dangerous disease, catarrh. Catarrh is considered incurable by many—however, Dr. Milen has treated and cured so many cases of catarrh, rheumatism, epilepsy, gall stones, paralysis and other chronic and nervous diseases of men and women that cases which bewilder the ordinary practitioner are as an open book to him. The best proofs are the letters from patients who have been helped.

The Austro-American Doctors:

OMAHA, Neb. — Dear Sir: Some months ago I began treatment with you for catarrh of the head and stomach. At that time I ate no solid food, my heart acted very badly and it was an effort to sit up long at a time. I improved and feel that I am improving each week. I have little trouble with my heart and very seldom eat anything that distresses me and I eat almost everything.

MRS. CRAIGHEAD, 4231 Grant St.

The Austro-American Doctors:

OMAHA, Neb.—For two and one-half years I suffered untold agony from gall stones. I commenced improving from the time I started taking your treatment, and my friends were all surprised at the improvement in my appearance, and remarked about it. I am entirely cured now, and cheerfully recommend your treatment to anyone who may be suffering from gall stones as I was.

MRS. W. F. URBAN, 3450 South 15th St.

Dr. Milen, chief of staff of the Austro-American Doctors, makes no charge for examination and consultation. He is located at suite 428 Ramge Bldg., 15th and Harney Sts., just opposite Orpheum theater, Omaha, Neb.
