Some Things You Want to Know

The American Congress—Power of Committee On Rules.

No other legislative body in the world has a committee clothed with so much power as is vested in the committee on rules of the American house of representatives.

Omaha's Great Gain in Building for November

Showing in Comparison with Other Cities is One of Much Credit.

Last month building operations in forty-five building centers throughout the country, as compiled by the American Contractor, Chicago, show an aggregate gain of 2 per cent, as compared with November, 1908.

We cordially invite every visitor to the city during the

National Corn Exposition

to make our store their headquarters. We'll gladly care for your baggage, your mail or serve you in any way we can.

Looking for Winter Clothes for Man or Boy

We will appreciate your visit to our second floor, where we now display an exhibit of men's and boys' clothing that has never been equaled in the west.

Every new style, shade, fabric and pattern that you could desire, will be found here at such small prices that you will probably be unable to resist the temptation to buy.

Tailoring and fit are the best you can find at any price.

But we can show you much quicker than tell you, so don't fail to accept our invitation to call.

Men's Suits and Overcoats \$10 to \$35
