

THE BENNETT COMPANY.

Bennett's buys from well known Eastern makers at one-third off—large factory surplus

Men's Winter Suits

Michaels, Stern & Co., Suits 1/3 off | Lipps Brothers, Rochester, High Grade Suits 1/3 off | 622 Broadway, N. Y. Suits 1/3 off

Unusual conditions surely prevail when such reputable clothing makers are forced to unload their surplus stocks at a third sacrifice. These two great concerns were battling against incombustible elements—long delayed winter weather causing a disastrous backward season, and slow deliveries of woolsens from the mills filling their establishment with goods that should have been sold months ago.

A hurried trip east by our clothing chief secured for us the pick of the season's best styles that these old time houses were offering to a few select customers at 33 1/2 per cent reduction. There are 850 suits and 45 patterns and not a single poor one in the entire lot. They are all select hand-tailored cloths such as rarely find their way into sales of this character.

We have all regular sizes 34 to 44 and stouts from 38 to 48, so everybody can be fitted. Dozens of men have asked to make selections since the window display went in but all were asked to wait until SATURDAY, FIRST DAY OF SALE, SO EVERYBODY HAS AN EQUAL CHANCE.
