A NEW WORK ON THE CHINESE

A tale of adventure in the wilderness, of treasure trove and Indian fighting, of rearing camp-free and unending excitement. The adventures are frequently thrilling, always absorbing, never suchlockeoms, and their wonderful seiting in the Canadian wilds, make up an unusually fine boys' story. THE GOLD HUNTERS

THE CHIMER, John Stuart Thompson's new volume, is remarkable at once for the amazing amount of information it contains, gathered from a thomsand different sources and enriched by years of observation, for the skill and care with which this material is organized, and for the spirited style by which it is rendered from cover to cover theroughly entertaining and intensely interesting. It is not only the most authoritative, valuable and up-to-date hook on China; it is also the most readable. My JOHN STUART THOMPSON. Birs, \$2-4 x 2 3-4 leabon.
