Show Visitors.

All last week hundreds of Omaha and Nebraska people visited the wonderful lemonstrations of the Radium Treatments given by the Radium Medical Institute, which is located at Thirteenth and Farnam. The marvelous results that were shown in handling all cases of long standing, heretofore incurable diseases, earned for the Radium Institute very many friends. And their enthusiasm was only equaled by the steady stream of new patients and their friends. Every visitor before leaving remarked that norning that Kaufman Kats, father of "The use of Radium Treatment in curing Mrs. Victor Rosewater, had died very sud- chronic cases of Asthma, Bronchitis, Caical world. # SCALP ITCHED AND BURNED FOR YEARS

Child of Four Would Scratch Her Head for Hours - When Fifteen It Got Worse - Hair Came Off in Spots - Hundreds of Dollars Spent in Vain - Cuticura Soothed Like Cold Water on a Burn and

### CUTICURA REMEDIES CURED HER AT LAST

"When I was four years old a humor came out on my scalp. It would make a thick scab in one night, itching and burning terribly. My father spent many hundreds of dollars trying to find a doctor who could curs this humor, but none of them could ever help it even a little bit. At the age of fifteen years. I had the measies, and after that the sore became maturated and I had to zak my heir out before I could comb it, My hair came off in spots and my head was in a bad shape.

"About this time a friend of my father took this advice and bought the Cuticura Scap, Cuticura Olatment and Cuticura Resolvent, I used them When I was four years old a humor

the Culicura Scap. Cuticura Ointreent and Cuticura Resolvent. I used them faithfully and to my surprise they stopped the tiching at once. But cold water to a burn. In a week my head was clean from the scab but was very red and in amed, but I had expected more relief from the terrible tiching and burning than ever before. I did not expect to be cured, as I thought that neithing could do that, but I had to use something all the time and Cuticura was cheaper than doctors.

"After some time, to my surprise, I awoke to the fact that my head was cured. It was as free from the discusse as though I had never softeed. I am now forty-two and have never had any

as though I had never saffered. I am now forty-two and have never had any sign of my old trouble lines I was cured. I owe health, happiness and life to Cuticurs. Every one thought it was incorable. I used to dream sometimes that I was used but though it never could be, but Cuticura made the dream come true. Fancy a child sitting up in bed until ten or eleven a clock scratching her head! I couldn't help it cither, the itching was so terrible, night and day. It is a wonder I lived through it, but I can prove all I have written by my old neighbors. Mrs. Florence E.
