in his letter to Mrs. Vancourt said: "I have not seen or heard anything definite about him and a rumor went around that he had been shot, being involved in

Mr. Vancourt is the son of E. D. Vancourt, a contractor at 1902 Wirt street. Mr. and Mrs. Vancourt deny the statement of the Associated Press dispatch. They received a letter from their son in May, 1969, when he was employed in railroad construction work in the forests in Chili. He had not been shot up to the time the letter had been written, but the parents admit that he and members of the engineering party had trouble on different ocrasions with the natives, who object to the development of the country.

Mr. and Mrs. Vancourt say that the story now affoat was received from their son about one and one-half years ago. He was in Panama two years ago and intended to return home but the financial troubles in this country at that time precented him from coming. He thought that all construction work would be stopped and that he would be unable to find em-
