THE PRICE of Lenox Soap is about the same as that of soaps which are not in its class, as far as quality is concerned.

THEY DO NOT WEIGH AS MUCH. They do not do as much. They are not as good.

THE QUALITY of Lenox Soap is about the same as that of soaps for which a considerably higher price is asked.

AS A RULE, these higher-priced soaps do not weigh more than Lenox. They do not do more. They are little, if any, better.

LENOX SOAP, then, is cheap AND good—good AND cheap.
