Grinnell May Bar Foot Ball.

GRINNELL, Ia., Dec. 22.—(Special.)—Grinnell college is in the throes of a serious and widespread agitation against the modern college game of foot ball, and it seems more than probable that definite steps against the game, in its present form, may be expected from the scarlet and black camp. A hot discussion has been in progress for some time embracing students and all interested in the institution; the college periodicals have been largely given over to arguments by the faculty and alumni, and on a number of occasions the chapel services have been devoted to a consideration of the issue by the authorities.

No official action has been reported as yet by the student council, but it is quite likely that the situation may result in a vote for the substitution of soccer foot ball or some other form of sport.

Hueston Wins Second Block.

BOSTON, Dec. 22.—A brilliant run of seventy, within nine balls of the world's record, kept Tom Hueston of St. Louis, the world's champion pool player, ahead of Bennie Allen of Kansas City, in the second block of 200 balls in their 400-point match in this city tonight. Hueston finished the evening with 208 to 141 for Allen. With night's score added, Hueston leads Allen 126. The contest continues tomorrow night.

Captains for Rifle Teams.

WASHINGTON, Dec. 22.—Lieutenant William H. Copton, jr., of the Thirteenth cavalry has been designated by the War department as captain of the army cavalry team to compete in the national rifle match for 1910, and Lieutenant George C. Shaw of the Twenty-seventh infantry, as captain of the army infantry team.

Christmas Dinner Prize.

CRESTON, Ia., Dec. 22.—(Special.)—A big shoot was held yesterday by the Gun club of Kent. A crowd of marksmen from all over the county was present. Prizes offered were turkeys, geese, ducks, pigs and quarters of beef.

Minden Takes Two Games.

MINDEN, Neb., Dec. 22.—(Special Telegram.)—Minden High school won two games of basket ball from Beaver City High school this evening. The games were hotly contested and much enthusiasm prevailed.

LYNCH WORKING ON REFORMS

President of National League Asks Umpires About Their Troubles.

NEW YORK, Dec. 22.—Thomas J. Lynch, the new president of the National league, sent out a letter today to his six veteran umpires—Hank O'Day, Bob Emslie, Steve Kane, James E. Johnstone, William J. Klem and Charles Rigler—asking them to communicate with him as to where most of their troubles with the players originated last season and whether coachers, managers or bench-warmers were primarily at fault.

President Lynch hopes to curtail the friction that has existed in the past between the referees and the players. His letter says in part:

"As a National league umpire, I want you to answer, to the best of your ability this question: Where did most of your trouble with the ball players come from, the team playing the game, the coachers, the managers or the players sitting on the bench?

"As your answer will have important bearing on some reforms for both umpires and players that I wish to make in the running of the game on the diamond next season, I want you to give this question careful study and report to me at your earliest convenience."

ATHLETES READY FOR FIGHT

Ted Williams and Kid Sullivan Arrive for Bout Tonight.

Ted Williams of Kansas City, Mo., and Kid Sullivan of Chicago, Ill., arrived in Omaha Wednesday. Williams, who is to fight Young Spady, before the Eureka Athletic club at Ostoff's hall Thursday evening, looks to be in good condition.

His sparring partner, Sullivan, expressed a willingness to box any man in Nebraska at 133 pounds, give or take three pounds, for a side bet of $200 or more, in ten days or two weeks. He can be addressed at 1136 Sixth street, Kansas City, Mo., or in Omaha in care of Charles W. South, Eureka club, or M. L. Wilson, phone Webster 1267 or Douglas 1207.

Several good preliminaries are on the card for this evening, betwen husky young boxers. The battle royal promises to be the best of its kind seen in Omaha in a long time, and the Chocolate Drop quartet will add a pleasant feature with songs and music.

ST. JOSEPH RAISING FUNDS

Base Ball Team Will Be Strengthened and Modern Park Secured.

ST. JOSEPH—Mo., Dec. 22.—The St. Joseph Base Ball association has set aside January 6, 1910 in which to complete the campaign to raise $7,500 to assist in securing a first class ball club for St. Joseph next season. The Pueblo franchise, which has been purchased by John Holland of Wichita, will be transferred to this city and the extra money will be raised to put the team in good condition and build a modern park. Already a large amount has been subscribed.

Iowa Seeking Trainer.

IOWA CITY, Ia., Dec. 22.—(Special.)—Prof. Stephen H. Bush, secretary of the Iowa board of control of athletics will leave for the east to spend his holiday vacation and because of this trip it is reported that he will search for a trainer of the University of Iowa track team next spring.

It is known that the board is making strenuous efforts to secure a trainer so that the work may start promptly with the opening of the second semester. William C. Dole, elected last summer, may possibly be the choice of the board. He declined the offer of the Iowa authorities before, because of a Dartmouth offer. However, he did not succeed in the eyes of the Dartmouth alumni in keeping the eleven in condition this fall, and as he is recognized as a much better track coach than foot ball trainer, it is possible he may be brought to Iowa by the athletic board's secretary.

Owing to the recent agitation the board has also conducted the campaign for a director of athletics with vigor. Though the members will give out no statements as to the progress of negotiations, several men are on the string and it is expected that a definite selection will be announced before the second semester opens February 7.

Ah, He Can Talk in Money Terms

Peddler Who Assumes Spanish Tongue Melts Into English at Mention of "Seventy-Five Cents."

The dark, suave foreigner stood waiting patiently. At last R. A. Leussler looked up from his busy desk in the street railway company's office.

"Well, what do you want?"

"Buenos cigaros, Magnificent, finos, una pesa, senor."

"Nothing doing," replied the official, waving aside the agent with the Habana cigars and the real imported Hispanola accents.

The agent pushed his way back to the office of Louis Nash, where the performance of voluble Spanish and delicious foreign gestures was repeated.

"Magnificent, Colorado maduro—una peso, senor," he pleaded.

"Offer him 75 cents," suggested Arthur Gross of the claim department, with a schrew air of certainty.

The real imported Spanish cigar peddler rose up with a rare smile.

"Say, mister, just site me that six bits and see if I take it," he exclaimed in the purest of Americanism.

RECORD IN BOWLING MEETS

Indications Point to Coming City as Greatest of All.

MAYOR "JIM" TO START IT OFF

Three New Leagues Into Match—Crack Rollers Outdoing Themselves—Omaha After Mid-West Meet in 1911.

The number of entries in the city bowling tournament this year will exceed any since the establishing of city tournaments. It looks certain that all previous records made in these meets will be broken, as many of the bowlers are at this time in excellent shape and have been getting more pins than ever before. Two new leagues have been started this year, with a third just organizing, and many bowlers who heretofore felt a little backward in entering a city event were the first to file their applications, and no doubt some of them will spring a surprise and get in on the prize money.

Mayor Dahlman will be asked to roll the first ball and sideboards will be put on the alley to save the gutter.

Entries must be in not later than midnight Friday. Just a day is left for the tardy to report. Bowling for the event will start as soon as possible thereafter, probably Sunday afternoon and not later than Monday.

The St. Louis people are up and going, boosting the mid-west meet. Entries from cities in all directions from the muddy city have been received and it looks like the original estimate of the managers as to the number of entries will be exceeded. Omaha is expected to put in a strong bid for the 1911 meet.

A bowling party consisting of Mr. and Mrs. Mersigt, James Delaney, Mrs. Delaney and two daughters, Charles Delaney, Jack De Barry and Miss Mersgt, have engaged alleys Nos. 9 and 10 at Francisco's for this evening. The lady members of the party are going after the two-pound box of chocolates.

Joe Berger, who was so badly injured some time ago in a ball collision, is getting around again and outside a stiff finger he is all right.

Gus Floto gave a bowling party at Francisco's last evening and the members seemed to thoroughly enjoy themselves.

Who said Captain Voss was all in, guess 645 is going some for an old timer. Fred Brodegaard will please take notice and remember big Bill on the 25th.

It seems funny that George Hoye doesn't bowl with the Westsides. Captain Christianson wants to get busy and nail this fellow. Two hundred games are easy for George these days.

Fat Mose Yousem gave his colts a surprise party last night. He didn't do a thing but make the blind man's spare three times in succession on the alleys last night.

Al Powell has developed a new hook ball, it's working fine just at the present time. Stick to it Al, that's all you need to be a bowler.

Where was Carey last night. Had he been around the team might have grabbed three in a row.

Sure, that was Captain White, who led his braves at Tucker's last night, high man among all ten. Pretty good for an advanced water boy.

Harry Mitchell is around wanting to place a few bets on the Sprague Pills tonight, when pitted against the Yousem Colts. Harry is getting his Irish up; still he is not on a limb, but will sure enough bet.

What do you think of Anderson playing the small ball game now. Rubber neck is his long suit; 156 in a game last night. Andy is looking for some Carman's soft green, they would surely make a good match.

Voss now leads for the hat at the Metropolitan with 45. First time this year for Bill, but not in his whole life.

Johnny Laird has had stage fright since joining the big league. Why don't some of you fellows make him cut down on that speed?

Jack Traynor mourns the loss of Primeau. Harry is down south among the cotton fields; only bowling for him now is log bowling.

SEES SNAKE EARLY IN THE DAY

Stranger Points Out Long Reptile Which None but Himself Can Discern.

"See that long shadow there in the water?" remarked a strange young man who was leaning over and looking intently into the aquarium in the Bee building court, and at the same time indicating with his finger a serpentine line through the water.

A man to whom the query was directed (it was directed to many men) was unable to notice anything unusual, when the stranger passed round to the other side of the aquarium and still intently gazing into the water and pointing, insisted:

"Why, why, yes, can't you see; it is about four feet long and must be a snake. I wonder if it would bite me if I put my hand in there."

Then he decided it was just a long, slender fish.

It was early in the day, too.

NEW MINISTRY FOR GREECE

Military League Will Overthrow Cabinet of Its Own Choosing.

ATHENS, Greece, Dec. 23.—The Military league, whose members were the authors of the recent revolutionary movement in Greece, has announced its intention to overthrow the ministry of its own choosing.

In a manifesto issued today the league declares it is responsible to the country and, recognizing that the representatives of the nation do not conform to the will of the people, it is obliged immediately to confide the nation's interests "to strong hands which will not fail as long as life animates them."

The cabinet will resign probably today or tomorrow and be replaced by an extra parliamentary ministry, which, it is said, will have the support of the chamber.

Will You Stand for Fraud In Oysters?

Most of the oysters which have been coming to this City have been the cheapest, poorest grades. Moreover, they were often highly adulterated through the addition of fresh water. Such oysters are only half oysters. They lack the true oyster flavor—the delicious tang of the sea. There is only one protection against inferior oysters: That is, by always getting your oysters from the white and blue porcelain Sealshipticase.

If you have been buying this kind of oysters you simply don't know what you have missed in oysters all these years.

Some jobbers have been supplying dealers with oysters that were more than half water.

You have been paying oyster prices for that water. And the oysters were soft and bloated.

A cheap and poor grade of oysters has been coming to this City.

We Have Revolutionized Oyster Selling in This City.

Sealship Oysters has been introduced, which reaches you as fresh and fine as the day they left the Atlantic coast. Oysters which are all solid meat without water.

You can now get oysters unadulterated by water.

And every dealer who wants to become a member of the Sealshipt System can now get the genuine, original Sealshipt Oysters.

So can restaurants and hotels.

"Sealshipt" Means Oyster Insurance

Please bear in mind that the Sealshipt Oyster System means oyster insurance to you.

You are absolutely protected against watering and mishandling.

The growers are members of the sealship System. They are under rigid contract. So are the dealers.

Unless your dealer has the white and blue porcelain Sealshipticase shown above, he is not a member of our system.

Sealshipt Oysters—all varieties—are shucked as they come from the beds. Then they are washed in pure water. The solid meats are immediately packed in sterilized, air-tight, steel containers and sealed—all at the seaside.

In transit these air-tight containers are iced from the outside. No ice, no water ever touches the oyster meats.

No flavor, no goodness is lost in shipment. When you eat Sealshipt Oysters you get the same sea flavor in Omaha that you would if you ate them right out of the shell at the seashore.

Sealshipt Oysters Are Not Sold in Tins

Because of their vast superiority in freshness, flavor and purity, people who once taste Sealshipt Oysters will never take any other.

So unscrupulous jobbers have attempted to take advantage of this demand.

Soaked or floated oysters, with the surplus water drained off, so the oysters appear fairly solid, are put up in tin cans. There are often dishonestly offered as Sealshipt Oysters.

Beware of this fraud. Genuine Sealshipt Oysters are never packed, shipped or sold in tin cans.

They are sold only from the clean and beautiful white and blue porcelain Sealshipticase.

This Sealshipticase bears the registered Sealshipt trade mark. Thus you can always make sure whether you are getting the genuine Sealshipt Oysters, the oysters that smack of the sea.

Better Oysters for Omaha

Because of Sealshipt competition all oysters sold in Omaha from now on will be of improved quality. But no others can compare in taste or in food value with Sealshipt Oysters.

Sealshipt Greenports, Blue Points, Oyster Bays, Narragansette, Northports—there are the choicest oysters the world knows.

Sealshipt Price the Standard of Oyster Value

We especially recommend Sealshipt Oysters form Northern beds, such as Greenports, Northports, Blue Points, Oyster Bays and Narragansetts.

Unadulterated oysters from these localities cannot be sold at retail for less than 30 cents a pint for Standards, small sizes. While the large sizes, medium, select and counts sell for 35 to 40 cents a pint.

As far as quality and flavor are concerned a standard is as good as a count.

Remember, the size of an oyster has nothing to do with its flavor quality. Large oysters are simply older oysters.

Below are the names of retail dealers in Omaha who sell Sealshipt Oysters. These are bona-fide Sealshipt Agents.

More dealers are signing with us every day. Your own dealer will join the ranks as soon as you ask him to. Later advertisements will announce the names of more dealers.
