ITCHED WEAR: CURED IN A WEEK Hands Cracked Open, Bled, Burned and Ached—Could Not Sleep nor Even Dress Himself—Professional Treatment Failed to Help Him.

MAN OF 70 OWES SKIN COMFORT TO CUTICURA "I am a man seventy years old. My hands were very sore and cracked open. I tried every remedy for over a year with large scars. They would crack open and bleed and the skin was so sore and ached so that I could not sleep and could do but little work. They would bleed and the skin would drop on the floor. I called on two doctors, but they did me no good. I could get nothing to do me any good till I got the Cuticura Soap and Cuticura Ointment. About a year ago my daughter got a case of Cuticura Soap and one box of Cuticura Ointment and in one week from the time I began to use them my hands were all healed up and they have not been a mite sore since. I would not be without the Cuticura Remedies.

For Baby's Skin The purest, sweetest and most economical method of preserving, purifying and beautifying baby's delicate skin, soap and hair is the constant use of Cuticura Soap, assisted, when necessary, by gentle applications of Cuticura Ointment. For rashes, itching, inflammations and chafes of infants, children and adults, as well as for shaving, shampooing, dandruff, itching, itching, itching and all purposes of the toilet, bath and nursery Cuticura Soap and Ointment are unrivaled.
