Declared to Have Found Asphaltum Lake in Canada.

CORPORATION TO DEVELOP IT

Alleged Find is the Result of Five Years of Constant Search Along the Athabasea River.

MARSHALLTOWN, In., Jan. 12,-(Spe-

cial.)-Owning 2,620 acres of land in Atha-

asca Province, Canada, on which are immensely valuable deposits of asphaltum,

ell, gold, silver, copper and ion. G. H. Ruth and L. R. Willard, owners of the

Marshall Oil company of this city which has branches in Lincoln, Neb.; Fargo,

N. D.; Pierre, S. D.; Albert Lea, Minn.,

and other places, together with other men

of the northwestern states, have launched

at Winnipeg a \$5,000,000 corporation to

Associated with them are T. W. Taylor,

state agent for the Union Central Insur-

ance company of Minneapolis, Robert Jones, president of the Drexel State bank

of Chicago, James Wiser, president of the

First National bank of Fargo, N. D., and

Alfred Von Hammerstein, the geologist,

who located the deposits and a group of

Winnipeg and Saskatoon, Canada, business

For five years Von Hammerstein has

been living with the Indians, while

prospecting in the Athabasca river valley.

about 250 miles north of Edmundson, near

the site of Fort McKay, a Canadian police

post. During those five years Ruth and

Willard, who have developed an immense

oll business from their headquarters here,

have been staking Von Hammerstein, and pouring money into what at times seemed

a bottomless hole. That their persistency

won, was made certain today by the tele-

gram Willard received from his partner,

which says the property, now it has be-

come the holding of the corporation, is

Messrs. Ruth and Willard, and the three

other men of the states named above own

a one-third interest in the corporation. Von Hammerstein as the locater owns onefifth, and the rest has been taken by

#### Effort to Head Off Switchmen's Strike in West

Francis J. Hency Opens Guns on For- Conference Begun in Washington Involves Roads Running Out of Chicago.

WASHINGTON, Jan. 12.- A strike of the switchmen employed by the western rall-Heney, in opening the prosecution of Binger roads out of Ch-cage probably is dependexpects to prove that in 1991 it was known office of the Interstate Commerce commission.

For several weeks representatives of the reserves by securing advance information Switchmen's Union of North America and as to what school lands would be included the general managers' committee of the in the reserves and by procuring a large Chicago railroads have been endeavoring number of persons to make applications to reach an amicable adjustment of diffor school lands lying within the reserve ferences. The negotiations falled, It was Chairman Knapp and Mr. Neill, commissioner of labor, as mediators, under the Canada.

bring the parties to the controversy toing such schemes in southern Gregon, in- gether. Behind closed doors they heard first a statement of the switchmen's representatives, S. E. Heberling, first vice president: James P. Connors, second vice president, and G. W. Luckenbill, secretary to the labor conferees.

Subsequently the general managers' committee was called upon for its side, of the controversy. The committee consists of F. O. Melcher, general manager of the Rock he has drawn water sufficiently long for Island; R. H. Ashton, general manager of the Northwestern; R. A. Jackson, vice presdent of the Chicago & Eastern Illinois; D. C. Moon, general manager of the Lake Erie & Western, and A. M. Schoer, general superintendent of the Pennsylvania lines west of Pittsburg.

> The switchmen demand a horizontal increase of wages and some changes in the onditions and hours of labor.

CHILD WIFE DETERMINED TO FIGHT FOR AXTELL RANCH

Moline, Who Defented Children in Effort to Get Father's Body, Has Other Plans.

Two years ago John Moline, a wealthy day to the men who do the best work in ranchman of Axtell, Neb., went to Sweden butter scoring. and fell in love with pretty Ida Nelson, aged 20. Although he was 67 she agreed to competent, but failed. Ida came to America in 1908 and married him. To escape relhe daily cries of his murdered child. His atives Moline came to Denver and last crime was the most atrocious I have ever week hanged himself. His wife was apneard of. He stamped the life out of the pointed administratrix and when his children came here for his body, went into Pullman had pleaded guilty. He killed court and prevented them from taking it he child after he and its mother had away. She will now fight the children for Moline's valuable ranch and bank ac-

# A LINIMENT FOR EXTERNAL USE.

No woman who bears children need suffer during the period of waiting, nor at the time of baby's coming, if Mother's Friend is used as a massage for the muscles; tendons and glands of the body. Mother's Friend is a penetrating, healthful liniment which strength-

ens the ligaments, lubricates and renders pliant those muscles on which the strain is greatest, prevents caking of the breasts by keeping the ducts open, and relieves nausea, backache, numbness, nervousness, etc. Its regular use will prepare every portion of the system for the safety of both mother and child and greatly reduce the pain and danger when the little one comes. Mother's Priend is sold at drug stores. Write for our free book, which contains valuable information for expectant

THE BRADFIELD CO., ATLANTA, GA.

#### tein, the local men and their associates title to the land from the Dominion, which zealously guards its public domain. It was freely admitted and reported that the land contained rich deposits of oil and minerals, but the lake of asphaltum, which Von Hammerstein found was kept a secret and ever made public until today.

Von Hammerstein has estimated that there is 500,000,000 tons of asphaltum in this thick clay. In other places it is much thinner and more plastic. The entire deposit is mixed with silica, which in a certain form is the basis principal of glass.

Road Now Being Built. The immense cost of the peliminiary decost \$3,000 for transportation charges alone to move an oil well drill outfit from Edwells have been put down on the property and every one of them have proved to have struck rich subteranean channels and

lakes of oil. A contract has already been let for the cuilding of a line of railroad to Fort Mo Kay to be completed during 1911. Thirty miles of the grading has been completed. The corporation, which owns the property, hopes to have its oil wells in operation, ent on a conference begun today in the and a refinery erected at Fort McKay by the time the road is finished to that point.

> Some of the Winnipeg men who are associated with the local men in the corporation are W. J. Christie, W. C. Lestikow, E. F. Hutching, John Galt, Thomas

The mediators began today an effort to DAIRYMEN FROM TEN STATES of her friends. She testified that Varnell Enrollment at Ames is Far in

Advance of Last .. Year.

AMES, In., Jan. 12 - (Special.) - The en collment at the dairy short course is considerably in advance of last year, there being sixty-three men in the creamery course and twenty-seven in the farm dairy course. The men in the creamery course are all expert creamerymen, who are here to get the latest ideas in butter, cheese and ice cream making. Some of these men have been here eight years in succession. 2 points in practically all of the active They come from ten different states, Iowa. Nebraska, South Dakota, Minnesota, Wisonsin, Ohio, Colorado, Texas, Illinois and Kansas. The farm dairy students are all practical dairymen, who own anywhere from fifteen to eighty-five cows each. They are here to get the latest ideas in dairy

maragement. Round table meetings are held every evening in which the farmers and the creamerymen discuss their grievances against each other and try to get together on some of the disputed points. A large DENVER, Jan. 12.-(Special Telegram.) number of prizes are to be awarded Fri-

The meat demonstration was held today. One of the international prize winning marry him. He told his relatives when he Berkshire barrows dressed 88.2 per cent, "I will not sentence Pullman to the returned and his children twice tried in which is only four-tenths of 1 per cent gallows," said the judge, "but to the pent- court to have him declared mentally in- under the world's record. The yearling Angus steer First Choice also touched a high point by dressing out 69.9 per cent. Roan Jim dressed 68.6 per cent. The difference in the quality of meat from these high class steers and that from the canner cow was strikingly broungt out.

The small grain sale was held Saturday. The champion half bushel of oats brought \$25. The total proceeds from the sale were

Editor's Wife Burned to Death. UTE, Ia., Jan. 12.-(Special.)-Mrs. C. E. Kroeser, wife of the owner and editor of the Ute Independent, was burned to death in a fire of unknown origin which destroyed her home at an early hour this morning. It is presumed that Mrs. Kroeser, who was sleeping on the second floor, was overcome with smoke before she was awakened in time to get out of the burning building.

The husband, who, with the two young hildren, occupied a room on the first floor, got out safely, although barely in time to save their lives. The house and its contents were badly damaged before the fire was put but.

Onawa for Law and Order. ONAWA, Ia., Jan. 12-(Special.)-A new rganization known as the Onawa Civic Orler league was perfected here last evening when a number of the citizens of the town met in the court room of the court house. The purpose of the organization is to back up the authorities and to lend in

She was given a divorce on the grounds of habitual drunkenness and was given custody of the child, 3 years old.

STOCKS HAVE LATE DECLINE

Wall Street Fears Attitude of Gov ernment Toward Corporations.

NEW YORK, Jan. 12.-Heavy selling of stocks developed in all parts of the list late today, including declines of from I to stocks.

The selling was unexplained by any news developments, but gave rise to rumors. These included supposed unfavorable developments at-Washington in matters concerning the government's relation to con porations.

Stocks rallied about midday, but the total flattening out of demand at the high level of prices in apite of the known ex-Istence of a large short interest in the market had a very bad effect on speculative sentiment.

LEAVES K. C. STREET RAILWAY Bernard Carrigan Resigns as Prestdent of Company-W. W. Wheatley Successor.

How to Make Better Cough Syrup Than You Can Buy

A full pint of cough syrup—
enough to last a family a long time
—can be made by the recipe given
below in five minutes, for only 54
cents. Simple as it is, there is nothing better at any price. It
usually stops a deep-scated cough
in twenty-four hours, and is a
splendid household remedy for whooping cough, colds, hoarseness, bronchitis, etc.

Take a pint of granulated sugar,
add ½ pint warm water and stir
about 2 minutes. Put 2½ oz. Pinex
in a pint bottle and fill up with
syrup. Take a teaspoonful every
one, two or three hours. It keeps
perfectly and the taste is pleasing.
The chemical elements of pine
which are very healing to membranes,
are obtained is high proportion in
Pinex, the most valuable concentrated

are obtained in high proportion in Pines, the mest valuable concentrated compound of Norway White Pine Extract. None of the weaker pine preparations will work with this recipe. Your druggist has Pinex or can easily get it for you.

Strained honey can be used instead of the syrmp, and makes a very fine honey and pine tar cough syrup,—Adv.
