**INSURGENTS HOLD MEETING**  
Small Audience Attends Session at Lincoln.  
**KANSAS OFFICIAL ORATOR**  
Number of Democrats in Company that Listens to Evening's Program—Flansburg Talks.

(From a Staff Correspondent.)  
**LINCOLN, Jan. 20.**—(Special Telegram.)—The Lincoln insurgent meeting advertised as a state meeting attracted about 500 people of all parties to the Oliver theater tonight. No seat in the balcony or gallery was occupied.  
Mayor Don L. Love of Lincoln called the meeting to order and began his address with the statement that this is a meeting of republicans who have confidence in President Taft, but who believe that he is being blinded to the truth by the interests of the country.  
Attorney General Jackson of Kansas delivered the principal address.  
Richard L. Metcalf, P. H. Cooper, George Rogers and Charles Wooster were among the prominent members of the audience, also Dr. Harry Foster of Omaha. Dr. Foster said he attended the meeting because he believes the insurgents will be the leaders of the party in this state and he is ambitious. C. C. Flansburg spoke in favor of county option, previous to the address of Mr. Jackson.

**ALLIANCE GETS FIREMEN**  
Tournament Will Go to York—J. E. Elliott of West Point President.  
**PREMONT, Neb., Jan. 20.**—(Special Telegram.)—The State Firemen's association adjourned this afternoon after an interesting session. The following officers were elected for the coming year: President, J. C. Elliott of West Point; first vice president, H. L. Parker, Abilene; second vice president, H. L. Boyce, Hebron; secretary, E. A. Miller, Kearney; treasurer, Herman Winter, Norfolk; delegate to national association, C. E. Gattford, Norfolk; members of the board of control, George Howe, Fremont; F. L. Harrison, Grand Island; Jacob Gehring, Seward; R. H. Reynolds, Norfolk.

Mr. Miller, who has served for eleven years as secretary of the Alliance Boosters, invited the association to hold their next meeting at that city. Kearney also wanted to have the convention and a letter from the Omaha Commercial club was read inviting them to meet there.  
It was Alliance against the field and Alliance won. York was elected as the place for holding the next tournament, having a big majority over Norfolk. At the session this morning W. O. Barnes of Alliance read a paper on the organization of a fire department. He strongly advocated the plan of the city or department owning a team to haul apparatus and favored a part paid department. The paper was discussed for some length. This evening the delegates were tendered a banquet at Masonic hall. Plates were laid for 400 and it was morning before the last gathering of the association adjourned.

**Raise to Follow Census.**  
**KEARNEY, Neb., Jan. 20.**—(Special.)—The Board of Supervisors of Buffalo county decided at a meeting held this afternoon that the county officers were not entitled to the raise in salary that they have been after, on the allegation that the county's population exceeds 25,000, until the government census has been taken in June. The officers have been ordered to return to the county the fees they have been receiving since the first of August last, and about the first of August last the said Throp freely kidnapped Mary E. Ginn, the daughter of said Theodore Ginn, out of the state of Nebraska to the state of South Dakota. Throp was arrested and is now in the county jail in default of bond.

**CREIGHTON, Neb., Jan. 20.**—(Special Telegram.)—A meeting of the Creighton Republican club last evening resulted in the adoption of resolutions endorsing the action of the few self-styled progressive republicans of Lincoln, whom it was declared are disappointed politicians seeking to destroy the republican party and assist the democratic party. **MARRIED TWICE WITHIN HOUR**  
Feculiar Circumstances Cause Couple to Go Through Double Ceremony.  
**HASTINGS, Neb., Jan. 20.**—(Special.)—Miss Mary McGuire of Lee county, Iowa, and John Martin of this city were united in marriage twice within an hour yesterday. The first applied to Rev. Father McDonald, but the clergyman refused to tie the nuptial knot until evidence was forthcoming from Lee county that the affair was regular. The impatient couple then hurried back to the county court, where they obtained their license, and had Judge Burton perform the ceremony. In the meantime a telephone message came from Lee county that convinced Father McDonald everything was all right. He summoned the couple to him and joined them according to the rites of the church. Two licenses were issued, but Judge Burton charged the groom for only one.

**Any Democrats in Lancaster?**  
**PIERCE, Neb., Jan. 20.**—(Special.)—Not a single republican of Pierce received an invitation to go down to Lincoln Thursday and "insure." In fact, little, if any, stock is taken in the so-called insurgent's sincerity by the members of the party here. It does not take much effort to harken back to the presidential campaign of 1908, when Lincoln and Lancaster county rolled up a big majority for Bryan and assisted in the defeat of Governor Sheldon, and Judge Williams, for railway commissioner. It has often been a wonderment to republicans up here where all the democrats came from that year in rock-ribbed Lancaster, but since the meeting of the malcontents down there wonderment has ceased and it is believed the puzzle is solved.

**Pet Squirrel May Have Caused Fire**  
This is One Theory of Origin of Blaze at Broken Bow.

**BROKEN BOW, Neb., Jan. 20.**—(Special.)—Frank E. Holmes, Omaha manager for the Western Adjustment and Inspection company, is in the city today adjusting the losses on the burned court house. The companies represented are: The Phoenix, Hartford, London, Liverpool and Globe, German-American, Home, Springfield, North American and First National of Philadelphia. The insurance will probably figure between \$1,000 and \$14,000. With the exception of the register of deeds, the vaults have all been opened and guards placed over them until a temporary general vault can be constructed. Register of Deeds Foster says he will keep his vault closed until that time.  
The new offices in the Masonic Temple are rapidly nearing completion and will be occupied some time this week.

Since the excitement of the fire has died down all kinds of theories are now being advanced as to its origin. Some think that a pet squirrel carried matches across the walls and ignited them; others that a cigar or match was carelessly thrown into some waste in the south end of the building, while one or two county officials and a number of outsiders are working around the opinion that it might have been done on purpose. Reasons on the part of some old prisoners, may have been the cause, but the general belief is that if the fire was of incendiary origin the culprit resides somewhere in the county. Sheriff Kennedy has been compelled to take the county prisoners to Grand Island for safe-keeping, as the city has no jail of its own.
