Three Physicians Quit as Result of Head Nurse Embroglio.

SAY LET TRAINER HAVE HIS WAY

Dr. H. B. Lemere, F. W. Lake and F. E. Couther Object to Commissioner Overruling Their Recommendations.

Dr. H. B. Lemere, F. W. Lake and F. E. Couther, who constitute the medical advisory board of the County hospital, have resigned in a body, the Board of County Commissioners getting notice at the meeting Saturday morning.

The action is taken, according to Dr. Couther, because Commissioner Trainor, the new chairman of the board's committee on the County hospital, overruled a number of recommendations of the medical advisers.

It is not our way, Dr. Couther intimated further that one of the recommendations referred to was the report of the advisory board that Miss Lena Higgins, head nurse, be removed.

Cadet Taylor Gives Views on Political Game

Liberals, Greenbacks and Populists of Bygone Days.

Put Insurgents in Class with the

Liberals, Greenbacks and Populists of Bygone Days.

"I am just starting for California to make a brief visit," said Cadet Taylor, "and as interviews have recently been printed as representing the views of quite a number of my good-republican friends I would like to speak into the columns of The Bee long enough to state how things political look to me.

"In 1872 'liberal' republicans. "In 1876 'greenback' republicans. "In 1892 'free silver' republicans. "In 1896 'populist' republicans. "In 1910 'insurgent' republicans.

"Those of us who realize, if we do not acknowledge the fact, that old Father Time has been on our track, cannot forget political wars of the past, nor the record made through all these contests by the grand old republican party.

"Time rolled on as it always does and mark the result. The more cool, conservative, level-headed, but misguided republicans returned to the republican fold—the party of their first love—while the more radical went into the democratic ranks.

"The prosperity of the country is going along very well with the wise and experienced hand of William H. Taft on the helm of the ship of state. Every thinking man realizes that he is a conservative, conscientious, well-equipped statesman, and loyal republicans should stand firm in support of an administration which is sound to the core and stands for conservative measures.

"The elections continue to be enlivened by scenes of turbulence. Mr. Pease, at Essex, Saffron Walden, yesterday was pursued by a hostile mob, and a prominent broker, Mr. Legh, who was unseated as a Liberal candidate, was greeted with groans and general uproar when he appeared on the floor of the stock exchange.

"The principal discussion was over limiting the use of the voting proxies. No restrictions has ever been put upon them, but in the new by-laws they were limited to the use of the proxy holder in addition to his home club vote.

"The Philadelphia Cricket club will have the open championship, probably in August. The membership of the association remains the same as last year.

UNIONIST TIDE IS STRONGER

Gain Friday is Larger Than That of Previous Days.

ALL PARTIES CLAIM VINDICATION

Results and Mobs Mark the Voting in Some of the Districts and "Dump" Exhibits Are Burned.

LONDON, Jan. 22.—The results of yesterday's balloting for members of Parliament thus far available show that the unionist tide flowed even stronger than on the two preceding days.

Thirty-eight constituencies out of 56 gave the unionists 27 seats, the liberals 10, nationalists 17. The unionist gains were 17 and the liberal gains 13.

The state of the parties as known at 10:30 this forenoon was: Government coalition—Liberals.....169 Irish-Nationalists..... 23

All Parties Satisfied. The unionists have made steady gains on the popular vote almost throughout England and Wales, with a much lesser extent in Scotland and Ireland.

The unionists stoutly claim that the result is a victory for tariff reform. The liberals deny it stubbornly. They declare that the feudal status of the counties is responsible for the conservative gains, and charge the triumvirate—the landlords, the church and the publicans—with overrating their dependents and followers by practicing widespread intimidation and threatening them with loss of work.

Nationalists a Big Factor. The home rule question, with the nationalists the dominant party in the alliance in the new parliament, will become invested with an importance it has not held during the campaign, when it was kept in the background.

Seely, under secretary for the colonies, whose constituents showed them under soon may be found, one by the promotion of Herbert Gladstone, who has been appointed to the office of secretary of the colonies.

Edmund Vance Cooke, poet of Cleveland, O., was the stellar attraction at the second number of the first annual entertainment course of the Chautauqua College club at the First Methodist Episcopal church last evening.

A trio of domestic dialect numbers was first, followed by a similar number of poetic, philosophic deductions by foreign philosophers in dialect.

A series of interrogative poems was then given, succeeded by a number of child dialect poems, songs of sentiment and "Tales Worth Telling," the last including "In the Old School House," "The Young Man Waited" and "The Story of Old Glory."
