AFFAIRS AT SOUTH OMAHA

Commercial Club Endorses Street Railway L Street Extension.

LEIGH FOR BOARD OF EDUCATION

Legal Adviser of Body Decides He Would Like to Be Member—A. L. Hunter Also After Place.

The South Omaha Commercial club at its regular business session took final action on the West L street car extension, and announced the attitude of the club in the following resolution, unanimously adopted. In the resolution the club desires to show the reasons for endorsing the plan proposed by the Omaha & Council Bluffs Street Railway company. The fact that the company has promised the universal transfer in South Omaha and that the proposed line will go by way of Twenty-fourth street to Florence as a cross-town line seems to bear the greatest weight. The resolution:

Whereas, The Omaha & Council Bluffs Street Railway company and the Union Stock Yards Company of Omaha (Ltd.) have heretofore entered into a contract whereby the street railway company has agreed to extend its service in South Omaha, beginning at Thirty-sixth and L streets, thence east to the Boulevard, thence south to O street, thence east to Twenty-fourth street, thence north on Twenty-fourth street directly to Florence; and,

Whereas, The said street railway company has declared that the line must and will be built only in accordance with such contract; and,

Whereas, The said street railway company insists that the proposed depot line is impracticable from an operating standpoint and will not be considered by it; and,

Whereas, The said street railway company assures the Commercial club that the said car line will be built as per contract, and that universal transfers will be issued to passengers in the business district of South Omaha from O to L street; and,

Whereas, The Commercial club believes that the west L street car line, with proper transfer facilities, will be of great benefit and convenience to the entire city, and especially to the West L street district, in promoting a permanent and substantial growth in the northwestern portion of the city; now, therefore, be it

Resolved, That the proposed plan for the West L street car line extension be endorsed by this club and every effort be made to secure the completion of the said extension at the earliest possible moment.

CENTRAL REPUBLICAN CLUB

President Ryder Installed, Declares His Policy and Defends President Taft.

Newly elected officers were installed at the meeting of the Central Republican club Friday evening. In taking the chair the new president, John J. Ryder, said that he had consistently supported republican candidates, no matter what faction of the party they came from. "So long as I remain president," said Mr. Ryder, "any republican who becomes a member of this club will be given the same treatment as a charter member or an officer. The rights of every man to make motions, to have them considered fairly and to be heard in support of them will be strictly upheld."

Mr. Ryder also pointed out that, while all the democrats and the solcalled republican insurgents are today shouting their admiration for Roosevelt, the former president had practically dodged the revision of the tariff.

"He left all the grief of such a proceeding to his successor. And now, with less than a year of Taft's term gone, with no proper basis available for a wise judgment of his motives, no possible way to tell what his final accomplishments will be, men in his own party are trying to load him down with the sins of omission and commission of Joe Cannon and every other public man on the republican side who happens to be unpopular at this time. I believe that when Roosevelt returns he will indorse what Taft has done, as to tariff, as to Pinchot and as to the internecine fight in the republican party. However much we may sympathize with Pinchot and his ideas, we must recognize the fact that no big concern can be successfully handled with subordinates defying the real head thereof, the man carrying the responsibility. The former president will be the first to uphold the present executive, in my judgment."

Addresses were made by various young and old members of the club. They all pointed out that the new president cannot be accused of having strings tied to him, and that there is a field in Omaha for a strong republican club, open to men in the humblest walks of life as well as the highest. Notice was given of several proposed amendments to the constitution, some of them offered by the incoming president. These amendments will be considered at a meeting to be held Friday evening, February 4.

Omaha Church Federation Plans Lenten Church-Going Campaign.

DR. COHN AT THE Y. M. C. A.

Sunday School Institute at Hirst Memorial Church Wednesday—H. L. Sigler to Speak at Hanscom Park Methodist.

Omaha churches, representing more than forty Protestant English-speaking churches of the city, comprising over 11,000 members and 50,000 constituents, have united in a church-going campaign to be inaugurated during the Lenten period.

The executive committee of the Omaha Church federation, in session Friday afternoon at the Young Men's Christian association building, decided to follow the plan recently used at Providence, R. I. where the results were excellent. The following resolutions were adopted at the meeting:

We hereby call the people of Omaha to a renewal of church attendance.

We solemnly set apart the widely recognized Lenten period, from February 13 to March 27, for special prayer, labor and earnest, loving invitation to the regular services of the church.

We recommend that all people attend in a body on Sunday morning, February 13, the church of their choice.

That the pastors of all the churches preach on that Sunday (or near that time) upon the subject of "Church Attendance."

That the public press be requested to cooperate in this campaign.

That each church in its own field and neighborhood, by personal visiting, invitation and otherwise, make special, persistent effort to bring all possible, both old and young, to their own church home.

That in each district a special effort be made to invite those who have no church preference to some church.

That we request the co-operation of all religious bodies, whether Protestant or Catholic, federated or unfederated.

That a card of invitation be universally distributed.

That each church in its own way push the campaign.

That the effort be concentrated on the regular services of the local church, especially the Sunday morning service.

There will be a Sunday School institute at the Hirst Memorial Methodist church for all Protestant churches on and north of Ames avenue, including Florence and country schools, Wednesday afternoon and evening. The general secretary of the state association, Rev. Charles H. Lewis, and the state superintendent of primary instruction will be present, and other workers. Fifteen Killed By Explosion in New York Tunnel

Big Charge of Nitroglycerine is Accidentally Set Off in Aqueduct Near Fishkill.

FISHKILL LANDING, N. Y., Jan. 22.—Fifteen men, three of them Americans, were killed yesterday by a premature explosion of nitro-glycerine in a tunnel, which is to form part of the great aqueduct which will carry water from the Ashokan dam in the Catskills to New York. Five were terribly mutilated, but were so near the mouth of the tunnel that they were rescued alive. The other fifteen were found beneath a mass of rock and debris, literally hammered by the explosion into a bleeding mass of heads, limbs and torsos.

It is believed that one of the workmen carrying a torch tripped and fell, igniting a fuse and setting off a series of charges of nitro-glycerine.

The squad of twenty men, who were involved in the accident, having drilled the holes and placed the explosive, were leaving the excavation when the explosion occurred. A hundred laborers rushed to the tunnel's mouth, and after dragging forth the injured, set to work clearing away the rock and earth to get at the dead.

As the nitro-glycerine had been purposely set to shatter rock, it did not damage the tunnel's interior more than the contractors had planned and after two hours' work the bodies were reached.

THREE NEW BRIGADIERS

Conference at White House Selects Three Colonels for Promotion.

WASHINGTON, Jan. 22.—At a conference at the White House today, in which the president, the secretary of war and the chief of staff participated, promotions of colonels to be brigadier generals was decided upon as follows:

Colonel Frederick K. Ward, Seventh cavalry, vice H. M. Chittendon, to be retired February 1; Colonel R. W. Hoyt, Twenty-fifth infantry, vice Charles Morton, to be retired March 18, and Colonel M. M. Macomb, Sixth Field artillery, vice Albert L. Myer, to be retired November 14.

Brigadier General Charles Morton, alluded to in the Washington dispatch, is the present commander of the Department of the Missouri. With his retirement a new commander of this department will have to be named, and at the present time it looks much as if Brigadier General Frederick Funston, in command of the Army Service school at Fort Leavenworth, may succeed General Morton. General Funston is the ranking brigadier general of the army.
