ANNA FRANK NOT INSANE

That is What Superintendent Woodward of the Asylum Says.

THAT'S WHY HE RELEASED HER

Her Father Goes to Lincoln to See Why She Was Surrendered to Charles Simon of Chicago.

Louis Frank will go to Lincoln to ask the authorities at the State Hospital for the insane why they surrendered the girl, Anna, to Charles Simon of Chicago. Mr. Frank hopes to make them recover the girl from Simon's custody. Mr. Frank has held a conference with County Attorney English who advised him that he could go to Chicago and recover the girl by habeas corpus proceedings for, while the young woman has been in the insane asylum under control of the state authorities, Frank is her legal guardian.

NO INDIGESTION OR STOMACH DISORDER

A little Diapepsin will make you feel fine in five minutes.

There would not be a case of indigestion here if readers who are subject to stomach troubles knew the tremendous antiferment and digestive virtue contained in Diapepsin. This harmless preparation will digest a heavy meal without the slightest use of discomfort, and relieve the aching acid stomach in five minutes, besides overcoming all foul, nauseous odors from the stomach. Ask your pharmacist to show you the formula plainly printed on each 5-cent case of Diapepsin. Then you will readily understand why this promptly cures indigestion and removes such symptoms as heartburn, a feeling like a lump of lead in the stomach, belching of gas and Eructations of undigested food, water brash, Nausea, Headache, Bilioussness and many other bad symptoms; and, besides, you will not need a laxative to keep your stomach, liver and intestines clean and fresh. If your stomach is sour and full of gas or your food doesn't digest, and your meals don't seem to fit, why not get a 5-cent case from your druggist and make life worth living? Absolute relief from stomach misery and perfect digestion of anything you eat is sure to follow five minutes after, and, besides, one case is sufficient to cure a whole family of such trouble. Surely, a harmless, inexpensive preparation like Diapepsin, which will always, either at daytime or during night, relieve your stomach misery and digest your meals, is about as handy and valuable a thing as you could have in the house.

NEWS FROM ARMY POSTS

Sixteenth Infantry is Paid Off—Lieutenant Michaelis Visits Chicago—Discharges Bought. First Lieutenant E. E. Robert, medical corps, United States Army, was a visitor at army headquarters Friday. He is stationed at Fort Sill, Okl. Lieutenant Otho E. Michaelis, aide-de-camp to General Morton, has gone to Chicago on a short visit. Major Herbert M. Lord, chief paymaster of the Department of the Missouri, paid off the Sixteenth infantry at Fort Crook Friday for the month of January. Leave of absence for thirty days has been granted First Lieutenant F. G. Turner of the Sixth cavalry, Fort Des Moines. Honorable discharges by purchase have been granted these enlisted men from the regular army: Trumpeter M. N. Ward of Troop L, Eighth cavalry; Privates Fred W. Ames of Troop G, Fifteenth cavalry; N. W. Bowling of Company M, Thirteenth infantry; W. M. Higgins, Troop B, Eighth cavalry; G. C. West of Company B, Eleventh infantry, and Chugman Adams of Company F, Eighteenth infantry. Private Harry Rutledge, formerly of Troop K, Fourth cavalry, but recently transferred to the Sixth cavalry, has been relieved from duty at army headquarters and ordered to Fort Des Moines. First Lieutenant R. D. Bates, United States Army, the new recruiting army officer for this station, has taken up his quarters at the Roms hotel.

METCALFE FOR THE SENATE

Bryan's Editor, Says Will Maupin, May Yield to Friends.

REFUSED TO ASSURE HITCHCOCK

Deputy Labor Commissioner Thinks That is What Metcalfe Told Congressman-Editor This Week in Conference. State Labor Commissioner Maupin, who is in Omaha, believes that Richard L. Metcalfe, editor of Bryan's Commoner, will be a candidate for United States senator in the primary election next August. "I am not for either Thompson or Hitchcock," said Maupin, "but I am for Richard L. Metcalfe. He is not a pronounced candidate, but I believe if his friends hear down on him hard enough he will run. He has done more for the democratic party in Nebraska than anyone likely to be a candidate, in my judgment. The trouble with Metcalfe is he doesn't know his own strength among the people of the state; but I believe he can be made to see that he is the logical candidate at this time." Maupin's declaration for Mr. Bryan's chief editor was made without reservation, and may be taken as explaining to a large extent the reason for the hurried trip home of Congressman Hitchcock this week. The congressman had undoubtedly been given the tip that Metcalfe's friends are organizing to force him into the race, and he desired to learn from Metcalfe himself what his intentions are. That the conference between Hitchcock and his former editor was serious and protracted is known locally to all democrats in the confidence of the congressman-editor. It is believed, too, that the Lincoln local option democrat refused to declare himself out of the race at this time, because the state labor commissioner is regarded as a close friend of Metcalfe as well as an ardent admirer. Maupin likewise believes that Bryan will be a senatorial candidate in any event, and that Metcalfe will be his choice if Bryan can ever be brought to the point where he will make an open declaration of choice.

STILL THE FUSS GOES ON

Another Page in Lawyers' Row Written in Vinsonhaller's Answer to Surety Suit.

Another chapter in a row between attorneys is written in the answer filed in district court of James H. Sauers, a saloon keeper, to the United States Surety company. The attorneys are E. M. Hartlett on one side and D. M. Vinsonhaller on the other. The United Surety company is suing Sauers for \$4,000, the case growing out of a suit in federal court in which plaintiff and defendant in this suit were co-defendants in an action brought by Christina Nelson, and which was settled by the Surety company on payment of the sum for which the bond company now sues the saloon man. The defendant in the present action maintains that there was a good defense which it was failed to set up in the other action and for this Vinsonhaller is trying to unload the blame on his fellow attorney.

Frank Currie May Run for Congress

"I Am Considering the Request of My Friends," Says the Sage of Gordon.

"I do not know how I shall decide this matter my friends have put up to me of becoming a candidate for the republican nomination for congress in the Sixth district," said Frank Currie of Gordon. "I cannot afford to ignore it, of course, for I have too many good friends urging me. But at the same time I cannot afford to make a hasty decision. So I am now thinking the matter over from every standpoint and will be ready to announce my decision in a few days." Mr. Currie is at the Her Grand, where he has been for several days. He was a member of the legislature of 1908 and 1909 and has been in Nebraska for twenty-five years or more, being one of the most prominent stockmen of the state and west. He is known throughout the state. He has always been a strong supporter of Congressman Kinkaid, who is in retirement from Washington, may decide not to make the race for congress again. Whether he does or not, Mr. Currie's friends are urging him to run.

GAS COMPANY WILL DO ITS OWN DISTILLING OF TAR HERE

New Equipping Plant with Device to Make Material for Surfacing Streets.

By means of a new equipment now being installed by the Omaha Gas company, the tar product of the local plant will be distilled here and marketed from this point. Up to this time the Omaha gas plant has been shipping its tar to other points for distillation, but as soon as the new addition is completed and the distilling apparatus installed a product similar to tar for street surfacing, will be turned out in Omaha. In late years a great deal of this by-product of gas plants is being used by park boards and other bodies in control of roads for boulevarding purposes, and the Omaha gas plant will be able to turn out a great deal of every year. Heretofore all material of this character required has had to be brought into Omaha from outside cities. Children like Chamberlain's Cough Remedy. It is pleasant to take.
