The total score Hoppe ran out his 500 in nineteen innings for an average of 26 5-19, while Morning- Will Organize League at Shenandoah star's 495 was made in eighteen innings, with an average of 27 9-18. Morningstar caught the gallery with a marvelous masse which was not more spectacular than a brilliant two-rail masse turned by Hoppe. In the first half of the fourteenth inning Hoppe tailled 99 and followed this with 31, which put him out in front, but Morningstar came back in the fifteenth inning with 83 and had a fine chance to run out his string in his seventeenth turn, . but missed an easy shot after getting away with a number of hard caroms. Hoppe made but one point from the sixteenth to the eighteenth inning, inclusive, but ran off his required 53 in the nineteenth and the balls were left in fine position for his start tomorrow evening.

SAENGERFEST TO RECRUIT SINGERS FROM ALL STATE

Membership of Two Thousand is Expected by End of Week-Financial Affairs Progress.

Beginning next Tuesday the Saengerfest will institute its state-wide campaign for more singers. From all parts of the state it is hoped that good vocalists may be recruited for the big song carnival to be held at the Omaha Auditorium July 20 to 24. Before the end of the week it is expected the membership in the chorus will have reached th 2,000 mark. Many have joined the chorus in the three cities of Omaha, Council Bluffs and South Omaha within the past two weeks, but the directors

have decided to extend the scope of the organization and enlist members from all over the state. DR. ANSLEY H. ROBNETT CUT WIDE SOCIAL SWATH IN OMAHA

Because of This His Court-Martial is

a Matter of Live Interest Here. Reports of the court-martial in Boston of Passed Assistant Surgeon Ansley H. Robnett, U. S. N., will be read with even more interest in Omaha than dispatches about the preceding court-martial, that of Paymaster George P. Auld, U. S. N. Dr.

as officer in charge of the naval recruiting station. Dr. Robnett is an important figure in the controversy which has shaken naval circles from bowsprit to stern and from keel to fighting top. For Dr. Robnett may have been not quite so active as Paymaster Auld in respect to Dr. Edward S. Cowles, but he was a good second at all events in the

excitement at the navy yard dance when Dr. Cowles was thrown out. Furthermore Dr. Robnett is reported to be engaged to Miss Dorothy Healer of Evanston, Ill., on whose account Mr. Auld and Dr. Robnett say they acted, because of attentions by Dr. Cowles to the young

Dr. Robnett's stay in Omaha was not of many months, but he became acquainted during this time with a great many prominent residents of the city and was extremely well liked.
