Also, After He Jumped from Window and Died, Why Was Body Sent to Council Bluffs Instead of Crosby !

Why Alva Wetzel, a delirious fever patient, was allowed to leap from a window in his ward in Omaha General hoselval receiving injuries which caused his death, will be the subject of a sharp investigation by Willis Crosby, coroner.

Wetzel jumped from a third story window, landing on the stone paved court below early Wednesday morning. He was picked up and returned to his bed, where he died from the injuries at 3 o'clock in the afternoon. He was attended by Dr. The value of the stolen goods is given as the river will cut over a section of ground that both sides may get their full share of

An inquest is to be held at Crosby's on dertaking establishment. Twenty-fourth and Seward streets, at 2 o'clock Friday afternoon. Charles F. Robel, manager of the hospital, the attendant who was said to have been in the room when the patient made his fatal leap, the dead man's wife, Pinto, the attendant physician, and

others, will be called to testify. Coroner Crosby was not notified by the hospital management and the body was sent to the Woodring undertaking establishment in Council Bluffs, outside of the General hospital, following an investigation into the laws covering the case.

DeBord Would Have Stopped It. The body was sent to Council Eluffs before I was called to the hospital," said Mr. De Bord to the coroner, "or it would not have been removed."

The coroner's jury will be taken to Counquest Friday.

There has been too much of this sort somewhere of thing," declared Coroner Crosby. "While

such a case comes up. "The hospital people cooled off a bit,

a determined way. "I called up Dr. Pinto on the 'phone and cate and he admitted that he was in a dilemma. He, however, is not at fault in the matter. The hospital officials should

have called the matter to my attention at "The body was sent in with no explanations and no death certificate," said Woodring, the proprietor of the Council Bluffs undertaking establishment which has charge of the case. "Suppose that the certificate will be along later, but I shall be giad to deliver the body to Omaha authorities if they so desire it."

Wetzel was employed at the Garrett laundry. He entered the hospital on Feb- the kidneys so they eliminate the impuriruary 5. His wife left their home at 1556 ties from the blood. Backache, rheuma-North Sixteenth street to stay with her tism, kidney and bladder troubles are all mother at 1418 Fairmount street, Council Bluffs, during her husband's illness.

Your Grocer Will Give You This \$3.75 Fireless Cooker FREE

Many people pay eight or ten dollars for a fireless cooker. They know a fireless cooker is worth almost any price because it saves so much fuel, work, and time and because it cooks so many things much better than they can be cooked on a stove.

You can get this cooker with 125 of the coupons found in every package of Mother's Oats and all other Mother's cereals-the most delicious cereal foods, the most carefully prepared and packed. We make this offer to induce you to buy Mother's Cereals once because we know you will then buy them always, and we want you have the best way to cook the best cereals.

How To Get This Cooker Right Away. If you don't want to wait to save up coupons, buy a Mother's Kit, which contains 18 packages of Mother's cereals, then take the special Fireless Cooker Certificate from the Kit and the 18 package coupons besides, and give them, with only 89 cents in cash, to your grocer. He will deliver the \$3.75 Fireless Cooker to your house right away.

A Mother's Kit Contains:

8 Packages of Mother's Oats, standard size, 2 Packages of Mother's Yellow Corn Meal. 1 Package of Mother's White Corn Meal. 1 Package of Mother's Wheat Hearts.

1 Package of Mother's Corn Flakes (toasted) 1 Package of Mother's Old-Fashioned Steel Cut Oatmeal. 2 Packages of Mother's Granulated Hominy. 2 Packages of Mother's Pearl Hominy (coarse)

All the best grovers everywhere sell Mother's Oats and other Mother's cereals. If your grocer does not, send us his name and yours and we will send you free a useful souvenir.

THE GREAT WESTERN CEREAL COMPANY OPERATING MORE CATMEAL MILLS THAN ANY OTHER ONE CONCERN. RAILWAY EXCHANGE BLDG., CHICAGO, ILL.

THE RESERVE AND THE PARTY OF STREET, SANS

FIGHT ON RIVER BEGINS True That Time Water Company Lays Wire Mat to

Protect Pumping Station. BURMESTER URGES TO ACTION

Sends Letters to Interested Parties Asking Concerted Action for Appropriation of Quarter Million from Government.

The Omaha Water company has a gang about two miles above the Florence pump-1,000 yards of matting will be placed this

year. This is a continuation of work which the danger, considered remote, however, that in a bend at that point, shoot south through a new channel and leave the pumping station some distance behind.

Superintendent Hunt, of the water company, in a recent conference, rather disouraged the idea that the river will take this new shoot within the next five or ten years, if at all. His experience in dealing with the idiosyncrasies of the Missouri, backed by personal travels over the supposedly dangerous place, gave considerable assurance to the men in the conference. Hunt's opinion was in line with the pronouncements of the railroad engineers, but the parties interested still insist that to Dibelka's two daughters, Marie and Agnes, least \$250,000 to do permanent work. When you want what you want when you want it, say so through The Bee Want

Our Letter Box

For Industrial Peace.

OMAHA, Feb. 9 .- To the Editor of The Bee: The differences between employers and employes on the construction of the new Brandels theater building have been amicably settled and we should all be in debted to the peacemakers. Now that Omaha has started in the build-

ing of large and permanent structures and prospects are most excellent for further deof men at work putting in wire matting velopment in this line, a condition we have been waiting for and working up to for ing station, on the Missouri river. About many years, it must be the duty of every citizen to do everything in his power to help along in this movement even at some minor personal sacrifice. About the only company does every year, in an endeavor thing, that from present indications can reto protect the river bank in the vicinity tard this movement would be striken, due of Pigeon creek. There is always some to an inability of employers and employes to agree on mutually satisfactory terms,

If this be true it is our duty to do every thing possible now to avoid such possibilities rather than to suffer later the irreparable loss, which must necessarily be the consequences of any disagreement among the men that are to build up our city.

Differences between employers and empoyes have always existed and will prob ably never vanish until the day of the ideal man. The main trouble is, that both sides continue to display the results of human selfishness; each side wants more than it is entitled to.

It was somewhat the same cause that provoked the Russo-Japanese war. After

In cases of strikes it is true that the directly interested parties are the heaviest Acting Mayor Burmester has sent out losers, but the city at large is robbed of letters to the Omaha Commercial club, its natural progress. Is it not time that ELKHORN VALLEY MEN ARE CUTE and the city officials of Council Bluffs, and insist that each side select men with urging that they at once pass resolutions brains enough to adjust all disputes, which

At present we have in Omaha a Central propriation of \$250,000, to be made available Labor union, representing most of the lation, representing most of the trades combinations. Both of these organizations which are diametrically opposite, and therefore the longer they keep pulling, the sloner O. J. Pickard thus summarizes: tighter will they draw the knot, which they should be trying to undo. There are hot-heads and people of extreme selfishness on both sides, and these are the men that generally succeed by enthusiastic speeches to swerve those of better judgment from what they actually believe to be right and

Would it not be timely to suggest that the two above mentioned bodies be requested to appoint an equal number of committee and pledge themselve to unconditional abidance by all decisions of that committee in all matters of controversy gelist, a fisherman and a "fisher of men," between employers and employes of their respective members?

If care be taken on both sides to approud, his mission work and a little bronze and conscientious men, of which there is 55,000 acres. Hence the commissioners say button giving him life membership in the an abundant supply in both organizations, they cannot see why the county should Mr. Trotter is to speak at the Auditorium true merits and not by the mere physical Moreover, the best part of this holding.

eby save for all of us the dreads our state. WALDEMAR MICHAELSEN. Ownership of the Air.
