on three-fourths pay for the balance of your life. Work isn't hard and average pay of en-listed men is \$35 per month. At end of month you have about \$35 left, as navy pays nearly all your living expenses. In civil life do you have \$36 left each month? And there's splendid chance for promotion to chief petty officer at \$7. per month, or to warrant officer at \$2.600 per year, with nearly all expenses paid. Some save enough money while in the navy to start in business for themselves. Others have stayed in thirty years, saved small fortunes and retired on three-fourths pay.

pay. Should you return to civil life, you'll find yourself an able fighter in the great game of life, for navy physical training makes you strong, erect, athletic. And navy life educates you by showing you some of the United States-maybe some of the world; by throwing you into the company of edu-cated offloers and fine young men; by teaching you a trade, perhaps, and by giv-ing you much time for study.
