ELECTION OVER HOSPITAL

Proposition to Sell Property Now Rented to Field Club.
POOR FARM MAY BE SEGREGATED
 Report of Grand Jury Awaited in Case—Sale of Land Would Bring In Large Revenue to the County.
 There is a possibility of a special election this spring on a proposition to authorize the Board of County Commissioners to sell the property now rented to the Omaha Field Club.
 The question of an election is connected somewhat with the report on the county hospital which the grand jury will bring in. If the grand jury condemns as strongly as it is expected to, the present congestion in the county hospital, the members of the Board of County Commissioners will feel more inclined to go to the voters on the proposition to sell this land, and then divide the hospital and poor farm features of the institution.
 If done, the poor farm will be located

some distance from the city. The advantages of this, it is argued, would lie in the fact that there will be fewer aspirants to the bounty of the county if the poor farm is not so near the center of Omaha and is not so near saloons.
 "I am in favor of a special election to vote upon the sale of the land used by the Field Club," said Commissioner Pickard. "There are 100 acres available for sale and this would easily bring \$600 an acre, or a total of \$60,000."
 It is useless to try to get a majority vote for this at a general election, because the law requires that the proposition get a majority of all votes cast, and at a general election many voters fail to vote on a question like this. It would certainly carry at a special election.
 It is a part of the plan that if the poor farm and hospital shall be separated, the city of Omaha shall be asked to co-operate in a public hospital, conducted simply as such and not also as a poor house, as at present. It is the combination of the two which makes the overcrowding which has long been a scandal at the county hospital. The commissioners believe that with a grand jury report as to the necessity of doing something at once the public will be the more likely to authorize the sale of the Field club grounds.
 The Omaha Field club probably would

buy in the property if it should come up for sale.

the club voted down a resolution at its last meeting to move to buy the property, but if the land came on the market the club would simply have to buy it.
 News that the commissioners are planning to do something in the matter will cause quite a stir in the membership of the club.

Looks Like War, But is Just a Peace Congress

General Gathering of Union Pacific Grievance Committees, Men Say, is Not Bellicose.
 What appears to be a general council of war among the operating employees of the Union Pacific railroad, is said to be the most peaceful of gatherings, is being held at the Millard hotel Sunday and Monday.
 The executive committees of the Brotherhood of Railway Trainmen and the Order of Railway Conductors have assembled for a two days' session, and the grievance committee of the Brotherhood of Locomotive Firemen is scheduled for a meeting held at the Millard hotel Sunday and Monday.
 The trainmen and the conductors say they are meeting simply as a matter of business; that they have no grifts worth mentioning and that they are not concerned with the talked-of strike among the firemen.
 Although the trainmen in Chicago are

again restless over the wage situation and the wives of the men have come forth with a petition stating that their husbands are not able to support their families by their earnings, the Union Pacific men say their meeting in Omaha has nothing to do with the demands of the switchmen. They point to the fact that few of the switchmen employed on the Union Pacific are members of the Switchmen's union, the real agitators in the wage matter.
 Charles T. Bogue of North Platte, general chairman, and Ed Gregory of Laramie, Wyo., grand secretary of the Brotherhood of Railway Trainmen, head the delegation at the Millard. There are twenty-one members of the trainmen's union present and eleven members of the executive committee of the conductors.
 A meeting of the grievance committee of the firemen awaits the return from Chicago of C. V. McNaughton. The canvases of the firemen on the strike question probably will take place at the Arcade Sunday and Monday.

Boy Rebels at Rod and Skips

Thirteen-Year-Old Lad Leaves His Lincoln Home Because Father Corrects Him.
 Lawrence Eberhart, 13 years of age, is in Omaha to try the fortunes of life in a big city because his father whipped him for playing "hookey" from school at Lincoln.
 "Dear father—I'm going away, I don't want no more education. I'm goin' to Omaha to go to work. You was wrong to whip me. I will rite in a week or too."
 "LAWRENCE."
 Leaving this note on the breakfast table

Wednesday morning the rebellious youngster departed. He had been playing hookey from school for several days the week before and his father preferred to spank the rod and spare the child.
 Life was one dull grind of classes and bedtime for Lawrence and he deserted.
 The boy is known to have come to Omaha. The police have been furnished with an accurate description of the little lad. He is the son of August Eberhart, 1130 Elm street, Lincoln. When the boy left home to do the world for himself he was home to do the world for himself in a blue suit of knickerbockers, a cap and high shoes. He is a saxon blond with big blue eyes.
 Negro Kills Deputy Sheriff. MEMPHIS, Feb. 25.—Deputy Sheriff W. H. Lucey, in an effort to arrest a negro near here today was shot and killed by the negro, who, in turn was killed by two other deputy sheriffs.

Why Cough

Stop coughing! Coughing rashes and tears. Stop it! Coughing prepares the throat and lungs for more trouble. Stop it! There is nothing so bad for a cough as coughing. Stop it! Ayer's Cherry Pectoral is a regular doctor's medicine for coughs and colds.

Ask your doctor if all coughs are necessary. If not, then why cough? Ask him about Ayer's Cherry Pectoral.
