Every Woman can have two Servants

Just because woman's mission is "the home," doesn't mean that she should be a slave to housework. Every woman can have two servants-The Gold Dust Twins-to take away the drudgery.

Modernize your home with the use of Gold Dust. Gold Dust is a natural-born enemy of dirt, and is the greatest cleanser and laborsaver in existence. It does its work more quickly, more thoroughly, more economically than any other cleaner. Do not be misled by substitutes which claim all the virtues of Gold Dust. They never "make good". There is no substitute for Gold Dust—it stands without an equal among cleansers.

Do not use Soap, Naphtha, Borax, Soda, Ammonia or Kerosene with Gold Dust. Gold Dust has all desirable cleansing qualities in a perfectly harmless and lasting form. The Gold Dust Twins need no outside help.
