Houses Built to Order

ACREAGE for INVESTMENT or speculation, adjoining and adjacent to the great water front improvement and development of Jamaica Ridge, New harbor for shipping of the great City of New York, can be bought now for less than the price of ordinary building lots in the near future. The completion of this new harbor and a complete dock system is to cost about 20 millions of dollars, being done by the city and federal governments in co-operation, and when completed will give to New York the finest harbor and most complete system of dockage for ocean going vessels and others in the world, and afford great advantages for stores and warehouses and manufactures than any other place on the globe. These properties are within 200 to 400 yards of the New York City hall. For particulars address, T. H. Williams, Room 311 World Bldg., New York City.
