"THE PAIRY GLEN FARM."

1,760 ACRES.

Here we have it, the finest farm in South Dakota today, located as it is in the best part of Faulk county, with good drainage, of the best soil, being a heavy black loam, with a deep clay subsell. There is nothing in lows or Illinois that is selling for \$150 to \$200 per acre that can equal this farm. If after an inspection of this farm this statement is not verified, the party making the innot verified, the party making the inspection will have his expenses paid by us. This farm will sell for \$100 in less than three years' time. Then is this not a good investment? This farm has two

than three years' time. Then is this not a good investment? This farm has two sets of buildings, which are as follows: House, 24x82; barn, 50x56; artesian well, I'd inch; cow barn, 35x112, together with good granary and corn oribs. Good plum groves and other trees. The second set of buildings is as follows:

House 28x50, barn 40x44, hen house and granary together, with fine 1½ inch artesian well. These buildings were built last year. There is at present 1,300 acres under cultivation, eight miles of barb wire fence, 120 acres fenced with 42-inch hog tight fence, likewise two pieces of 5 and 7 acres respectively.

This ferm lies five miles northwest of the beautiful town of Cresbard, one of the beautiful town of Cresbard, one of the beautiful town of Cresbard, one of the beautiful town of Faulk county, and when the grade owned by the Minneapolis & St. Louis rallroad from Aberdeen to Pierre is ironed, which will be in the spring, there will be an elevator within two miles of this farm.

Now, then, two men with means that want homes together or near one another, can buy this and it would be just the farm, or for one man with plenty of horses and help. This is the cheapest farm in South Dakota and a money maker. Price, \$60.00; terms \$25,500 cash, when bond for deed will be given, or with a payment of one-half a warranty deed will be given, or with a
