Fifty-one years of Piano selling has gained for the house of Schmoller & Mueller the confidence of the great purchasing public.

### THE REASON FOR THIS PIANO SALE

These branch stores were closed because of the increasing demand of retail dealers in Nebraska and Iowa for the agencies for our artistic hand-made Schmoller & Mueller and our other lines of planos.

We closed these branch stores in the above cities only and moved all the highest grade planos here to our Omaha warerooms, 1311-1313 Farnam St., then turned the required territory over to our wholesale department. HERE ARE JUST A FEW OF THE MANY BARGAINS:
