## American Beauty Corsets The Corset of Today

No doubt you are already planning your new spring suits and dresses. While you are considering, let us remind you of the corset. Never before, perhaps, was correct corseting quite so important. The new spring models are an absolute necessity. With them your figure assumes that fashionable slenderness so necessary to all who want to be well dressed.

The waist line curves in just a bit; the bust is a trifle lower—two features necessary to the fit of your gown as fashion dictates. The back, too, is arched just high enough to give the same ease and comfort when sitting or standing.

We invite you to come and see them. Fitted by experts without extra charge.

**DR. MILEN'S TRIUMPH**

Another Victory for the Great Chronic Disease Specialist.

**READ AND GIVE HEED**

A party desiring to know the truth about Dr. Milen's ability to treat and cure chronic ailments wrote to Mr. Frank H. Wortman of West Point, Neb. Dr. Milen had treated Mr. Wortman's daughter after she had been given up to die by other physicians. Following is Mr. Wortman's letter:

"WEST POINT, Neb., Feb. 22, 1910:

"Dear Sir:

"We received your letter asking about our daughter. To tell you the truth, we had her in the hospital in Omaha for three weeks before we saw Dr. Milen. When we got her home she could not walk or stand alone; we had to help her from one chair to another. The doctor we had and the priest gave her only two months to live. We took her to Dr. Milen and he told us he could cure her, but the medicine would have no visible effect for the first month. The two months that she was given to live is now up. I just wish you could see her after two months of Dr. Milen's treatment. She could walk a little and now she walks up and downstairs and all over the house. She is improving right along.

"We cannot say enough for Dr. Milen because the other doctors gave her up and you can see for yourself what he has done.

"Yours Truly,

"FRANK H. WORTMAN."

Miss Wortman's experience is the same as that of many who come to Dr. Milen. This is an age of specialism. Dr. Milen has been a specialist in chronic diseases for the last thirty years. He has made the treatment of such ailments his life work. He should be and is successful. If you are suffering with Rheumatism, Gail Stones, Gout, Epilepsy, Paralysis, Diseases of the Stomach, Liver, Kidneys or any of the numerous chronic and nervous diseases which afflict men and women, it will pay you to see Dr. Milen at once. Health is everything and Dr. Milen stands ready, with his scientific knowledge and years of experience to confer this boon upon you. Why wait? Why delay? Consultation and Examination are Free to All. Dr. Milen of the Milen Medical Co., is located at 425 Range Bldg., 15th and Harney—just opposite the Orpheum theater.

## Western Firemen Vote to Walk Out if Not Raised

Very Small Per Cent of the Men Voted Against a Strike to Enforce Demands.

Conductors and trainmen in executive session at the Millard hotel Wednesday morning, heard the result of the strike vote of the western firemen.

The ballots, counted in Chicago, showed that 86 per cent of the men employed on the fifty-seven roads operating west of Chicago are in favor of walking out, unless they are granted the full increase demanded by them.

"The firemen will stick to their first demands," said a conductor. "If they don't get the full amount, there will be a strike. Their organization is so powerful that they can have anything they ask for. They will either get the full increase they ask for or every western road will be completely tied up within a few days."

Trainmen look hopefully to the appointment of Charles Ware, the new general superintendent of the Union Pacific railroad, as W. L. Pack's successor on the general manager's committee, which meets with the firemen. Mr. Ware has not been advised on this point and awaits word from Mr. Mohler, the vice president and general manager, who is now on the lines west.

There is no danger of a group resulting seriously if Chamberlain's Cough Remedy is given.

## CUDAHY DAMAGE SUIT TO STATE COURT FOR TRIAL

Remanded from Federal Court by Judge Munger in Case of Injured Employee.

Judge T. C. Munger has handed down a memorandum opinion in the damage case of Mike Miller against the Cudahy Packing company for personal injuries, remanding the case to the state court for trial, but conditioning that the order shall not become effective until March 25.

The defendant filed an application for removal to the federal courts on the ground that the plaintiff was a subject of the emperor of Austria and the defendant was a corporation under the laws of Illinois.

The plaintiff thereupon filed a petition questioning the jurisdiction of the United States court on the ground of citizenship.

The question was submitted on a motion to remand and Judge Munger adjudged that the case shall be so remanded to the state court for trial. This order is made, as the opinion states, "in view of the diversity of judicial opinion upon the questions involved. Counsel for the defendant has announced his intention to test the correctness of this ruling in the supreme court of the United States, and in order to afford the opportunity to prepare and present the record in the case to the supreme court the order remanding the case will not become effective until March 25, 1910."

**MY BREAD IS SOMETIMES SOUR.**

Some women wonder, when baking bread, why it is sometimes sour.

Now I believe, and I've heard it said, that it's often the fault of the flour.

So my advice to a thrifty housewife who is up to the time and the hour, that instead of using the common grades, use "Fried of Omaha" flour.
