#### GOOD ROADS MEET FAILS

Convention of Which Much Was Expected Fails to Take Desired Action,

FARMERS BALK ON ENGINEERS

Take Stand Program Was Stacked Against Them and Then Vote it Down by 351 to

168. (From a Staff Correspondent.) DES MOINES, March 9 .- (Special Telegram.)-The state good roads convention, the feature of the week in conventions, at

ganization was effected, but the resolutions were shorn of all that Governor Carroll and those who called the convention believed to be of value. The feature of the resolutions which caused the storm was a recommendation

for expert supervision of highway con struction, including a state engineer and county engineers to take the place of county surveyors. This was stricken from the resolutions by a vote of 351 to 168. The governor in closing the meeting said that he still believed an engineer would be needed. The farmers and the county trustees reached the conclusion that the program had been stacked against them and they became unmanageable, finally striking out all that was deemed of importance in the report. Lafe Young was made permanent chairman, W. G. Raymond, vice chairman and Thomas MacDonald secre-
