

# BRANDEIS STORES

## SPRING OPENING

### A Presentation of Authentic Styles for Spring

*Every department in Brandeis Stores shares in this opening event, each section displaying its most attractive novelties for the new season*

### Entire Week Beginning Monday, March 14th

*A complete style congress of*

Women's Ready-to-Wear Apparel, Millinery, Dresses, Suits, Costumes, Coats, Waists, Separate Skirts, Imported Fabrics and Accessories to the Costume.

Our own office in the style colony of Paris, and our New York buying organization have collaborated in securing the most characteristic expressions of style from two continents.

No Special Invitations Have Been Issued to This Event.

We Hope To Have the Honor of Your Presence.

Our Court of Honor will be brilliantly decorated after a theme in harmony with the spirit of the season. The window displays will be exquisite. Throughout the stores, the decorations will be artistic, but the spring merchandise will be even more fascinating than its surroundings.
