We are--with a magnificent display of the newest and correct styles of men's, young men's and boys' ready-to-wear garments

To the average man Easter heralds the advent of the warm season, and he who is overtaken at this time without his fresh Spring Apparel is likely to feel himself as one different and apart.

While accepting this as a fact, it is of course largely the outcome of custom or habit; but it is also a logical time to change from the somber winter clothes of discomfort into the lighter, more attractive fabrics and colors of spring. In extending an invitation to view our new styles, we will emphasize the importance of the right make, as well as that of looks, fit and fitness,

We have quality for the man who has set aside \$10.00 as the price he can pay, and for the man who wants the best value at \$35.00. For both there is style, good workmanship and a world of satisfaction in buying "Nebraska" Clothes.
