#### BUSINESS CHANCES

STATE SENATOR JAMES E. BRUCE, ATLANTIC, IOWA. WO DOLLARS FOR ONE DOLLAR ASSURED.

ASSURED.

After many months' time spent last year in the most careful and conscientious Business investigation possible. I invested the necessary funds, lent the use of whatever my name and reputation is worth among the people of fows, for the introduction and establishment of the NEAL THREED DAY DRINK HABIT CURE, discovered and originated by Dr. Neal, who, in the last ten years of his life has treated and perfectly cured over 3,000 persons affitted with the terrible curse of the drink habit. I then showed my absolute and unquestioned confidence in this great cure by bringing Dr. Neal to lowa, the state of my birth, and where I have lived and expect to live all the years of my life; established a Neal institute in Des Moines on Dec. 5, 1909; made public advertisement in my neighbors and friends to pick up the worst cases of the drink habit tiney desired. This was done, and I brought Dr. Neal to Atlantic, where he gave a public demonstration of the cure on several bad cases, sewas done, and I brought Dr. Neal to At-lantic, where he gave a public demonstra-tion of the cure on several bad cases, se-lected as above stated, at the Atlantic hos-pital, and on the 1st of February, 1219, I established the second Neal Institute in Omaba, which is the closest city to my present home.

I proudly refer to our record in lows and Nebrasia, which shows unwards of 150

I proudly refer to our record in lows and Nebraska, which shows upwards of 150 cured patients in less than one hundred days time, and representing substantially all of the occupations of man, from the pulpit to the laborer, and from the millionaire to the pauper. I unhesitatingly recommend the Neal as a simple yet effective treatment; a wonderful treatment and marvelous in its results, and as a business proposition I recommend it as a splendid investment, and a great work for all those having the time and money, or either, to devote or invest in the business. It is our desire to open an institute in all the large centers at the earliest date possible and this is my first public offer to outsiders for taking up this great work in other states and foreign countries, or for the investment in stock in gither the parent or state companies, and I desire to offer the first opportunity to the people of my home state and Nebraska.

We will show to all interested parties by our books and the records, the wonderful possibilities for those who devote their time or invest their money in this business. It only requires a few thousand dollars to
