WEST POINT-Fred Thietje, former county treasurer, has withdrawn his name as a candidate for the school board on the citizen's ticket. Otto Feyerherm has also withdrawn as a candidate for councilman. Third ward.

REPUBLICAN CITY—At a caucus held Thursday evening, the following were nominated as candidates on the citizens' ticket for village trustees to serve for two years: E. Cassell, J. A. Smith and Dr.

WEST POINT—On Saturday evening Mrs. Catherine B. Neligh, the widow of the late John D. Neligh, the founder of West Point, celebrated the fiftleth anniversary of her arrival in the city. Mrs. Neligh is still hale and hearty.

REPUBLICAN CITY—At the home of Mr. and Mrs. Boohr of this city Thursday evening occurred the marraige of their daughter. Elsie F. Boohr to Mr. James Hunter. The ceremony was performed by Rev W. F. Haskins. MINDEN-Regnar Aabell, an ex-merchant of Minden, and lately agent for the Scandinavian Mutual Aid association of this city, died last night from a stroke of paralysis. He had been working insurance in and about Staplehurst, Neb., for the last few weeks.

PLATTSMOUTH-The Missouri is on the rampage and has risen more than two and one-half feet at this point since Saturday. The river is out of its banks and the bottoms opposite this city are mundated. The Platte river is also out of its banks at Oreapolis.

GORDON—The Merchants hotel will open with a banquot Thursday evening. March il. The proprietor, W. G. Traub, and the manager, Charles Bracken, are planing one of the finest banquets ever held in this city. This hotel will be one of the best and nicest furnished in western Nebraska. ABHLAND-Marriage licenses have been

Nebraska

grantes by Charles H. Slama, county judge of Saunders county, in the following: Victor E. Nordling of Chicago, III., and Miss Beda M. Bergiund of Wahoo, Emil Mattson of Ceresco and Miss Ida Netson of Swede-burg, John F. Bornemeier, jr. of Murdock and Miss Frieda Smith of Ithaca.

PONCA—The Missouri river is running high and all sorts of materials are affoat. Some men went to work Sunday to secure some drift wood and they rescued five sections of bridge material, one rowboat and a government barge. Ten head of cattle are imprisoned on a sandbar and probably will be drowned.

CULBERTSON-There are two tickets in CULBERTSUN—There are two licrets in he field for the coming municipal election. The progressive party which represents the "wets" nominated J. T. Henderson and Frank Brown as candidates for town rustees. The anti-salvon party placed in nomination (Seo. Hill and J. C. Roop. The saus is "salvon or no salvon." Culbertson issue is "saloon or no saloon." Culberts has the only saloon in Hitchcock county.

HARVARD—At the citizens' caucus held in Stokes opera house Friday evening George W. Phillips was nominated for mayor. G. H. Thomas for treasurer, J. T. Flemings for clerk, William Schwenk for councilman in the First ward and W. T. Ayton in the Second ward. These naminations are equivalent to an election, as it is not probable that another ticket will be placed in the field.

placed in the field.

UTICA—Sunday morning confirmation exercises were held in the German Lutheran church, five miles southwest of Utica. Prof. Warneke's class included sixteen members. Rev. Mr. Wunderlich, pastor of the church, delivered the address. Appropriate exercises were also held in the church four miles north of Utica. Prof. Kickhacter's class included seven members. Rev. Mr. Zagel, pastor of that church, delivered the address.

CLAY CENTER—The high school

CLAY CENTER—The high school declamatory contest was held here last night with the following results: Gladys McFadden winning first, Elsle Nagel, second, and Florence Eller third. The judges were Prof. John Bennett of Crete, Principal W. Morton, Pairmont, and Superintendent E. Clippinger, Sutton. The winner in this contest will not enter the district contest, but will compete for the Jones medal at Fairfield, next Friday night.

NEBRASKA CITY-Rev. F. M. Sisson, paster of the Methodist Episcopal church, yesterday purchased the hospital building, Yesterday purchased the hospital building, situated in the northern part of the city and sold at sheriff's sale. It is thought he will arrange with the women of his church to refurnish and open this hospital during the coming summer. This city is at present without a hospital and has sorely fealt the needs of one since it was closed, by reason of the death of the owner.

FREMONT-Albert Johannsen of the United States geological survey has been appointed professor of minerology and petrology in the department of egology at the University of Chicago, Prof. Johannsen CHADRON—According to the Gorton Seed company, Dawes county has the best yield of their seed oats being as follows: Dawes county, sixty bushel to the acre; Washington county, fifty-seven bushels; forty-two bushels in Polk and so on down is well known as a geologist and as an author and his research work in this special science has made him a recognized authority. He received the degree of Ph. D. from the Johns Hopkins university in 1903. He is son of Mr. and Mrs. C. Johannsen of Fremont and will assume his duties at Chlosco March 28. at Chicago March 28.

PLATTSMOUTH—In the case of Mrs. Frank J. Morgan against Mrs. Fred A. Murphy, in which the plaintiff sought to collect pay for clothing sold previous to the death of her husband, Judge Archer found for the plaintiff and gave her a judgment for more than \$107 and the costs of the suit. Mr. and Mrs. Murphy reside in Omain and he is a cierk in the United States war dep | ment. A judgment against Mr. Murphy failed to fine property sufficient to liquidate the debt, hence this suit against him wife. They formerly resided in this city.

SEGERSTROM PIANO MFG. COMPAN

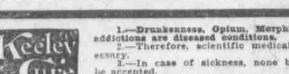

E. B. SEGERSTROM, Manager, Omaha Branch, Quaha, Meb.

In the **Vineyards** and Orchards of the Northwest

are unequalled apportunities to make money in intensive farming, fruit-growing, vegetable-raising, dairying, poulity and stock-raising. Washington, for instance, in a great state of snow-capped peaks, noble forests, tumbling rivers fertile valleys, wave-lapped seashore. Incomparable climate, Immense water power; vast areas of valuable timber; a fishing industry that rivels the world. Intensive irrigated farming and fruit-growing in a high degree of development. The Yakima, Kittitas, Walla Walla, Spokane and Lewiston-Calraksion Velleys, the Columbia River Basin, the Puget Sound Country, Gray's Harbor, Williaps Harbor, the Inland Empire Region, the Big Bend and Palouse Country present ideal conditions, The Washington fruit lands grow prize-winning freits and berries. The Washington stainfields yield bountifully of the best grades of product. You ought to learn more about the Northwest and its possibilities. You ought to learn more about the Northwest and its possibilities. You ought to learn proce about the Northwest and its possibilities. You ought to learn proce about the Northwest and its possibilities.
