GEORGE W. PLATNER STEPS OUT Re-Establishment of the Company Will Be Effected and J. S. White Will Remain as Its Secretary.

The H. F. Cady Lumber company will be reorganized Friday, but just who the new officers will be is not given out.

Mr. Platter has been connected with the company for twenty-two years, and has always been the active manager of the affairs of the company.

It is known that Frank Ewing, formerly with the Chicago Lumber company, will step into the office of the company as the active head.

At the meeting a letter will be read from Mr. Robinson, outlining his ideas of what a city plan for Omaha should contain and what the cost to the city for his services will be.

One Conductor Who Was Cured. Mr. Wilford Adams is his name, and he writes about it: "Some time ago I was confined to my bed with chronic rheumatism. I used two bottles of Foley's Kidney Remedy with good effect, and the third bottle put me on my feet and I returned work as conductor on the Lexington, Ky., Street Railway. It gave me more relief than any medicine I have ever used, and it will cure all my rheumatism in case of rheumatism." Foley's Kidney Remedy cures rheumatism by eliminating the uric acid from the blood. For sale by all druggists.

Palms in the Back Alcock's Plasters have no equal. Strengthens Weak Backs as nothing else can.

Palms in the Side Alcock's Plasters relieve promptly and at the same time strengthen side and restore energy.

Alcock's Plasters can always be distinguished by their fine balsam odor; this comes from the Frankincense, which has remarkable curative qualities.

When you need a Pill TAKE A Brandreth's Pill (Est. 1756.) For CONSTIPATION, BILIOUSNESS, HEADACHE, DIZZINESS, INDIGESTION, ETC. Purely Vegetable.

Both the Omaha Commercial club and the Board of Governors of Al-Sar-Ben will entertain delegations from Des Moines Friday.

The production made a hit in Lincoln at its first night. The cast was organized by Prof. L. Fossler and is now under the immediate direction of Miss Amanda Heppner, an instructor.

The producers claim for the production much of artistic merit. "Koppelkstrasse No. 129" is the work of G. Von Maer, a German playwright of high repute.

The proceeds of the Omaha performance will be divided between the Haengerfest fund and the purchase of a bust of Goethe for the university.

Neal Institute "Gas Service"

A SERVICE WORTH WHILE:— Here is what we meant when we alluded to "Request Maintenance" as pertaining to your home—

It is little more than reminding you to form the habit of notifying us when you are not securing complete satisfaction from any of your gas lamps.

We have skilled men assigned solely to this work. They will inspect your lamps, adjust them and, when they find that a new mantle is necessary or any part of the lamp needs renewal, they will charge you for these at the regular retail prices—the same that you would pay for standard goods in any store or at our office. The renewals will be made only after your approval.

The service costs you nothing. Omaha Gas Company
