### Special Gift Carnival **Notice**

During the present gift carnival we have tried to deliver to each and every home a gift card, thus affording every one to participate in the gift giving contest. We may have missed a number of homes and frequently cards are blown away by the wind or carried away by children and we therefore request those who have not yet received a card to call at the store and receive one from the young lady at the store entrance. There will be no more cards distributed during this carnival. The carnival will close Wednesday evening, April 6th, at 6 o'clock and we urge you to call and look for your number before the closing of the carnival. You may be entitled to one of the most expensive gift pieces.
