## QUALITY

is the first consideration with us. We want our customers to have only choice, juicy, tender meats—that's why we are so particular in buying—and it don't cost the customer any more to buy this kind of meat than the common kind. We save you money by selling for cash—we do no credit business whatever, and no expense for delivering.

**Our Own Dressed Chickens**

Not the kind that is water soaked—as every chicken we sell is dressed by us and then kept in dry cold air. These kind of chickens retain their pure natural flavor.
