DON'T FORGET TRY HAYDEN'S FIRST IT PAYS OCCASIONAL DRINKERS Will Become Habitual Drinkers

The NEAL internal treatment cures the periodical, occasional or moderate drinker, the habitual and excessive drinker and the nervous man who has to drink to keep from becoming more nervous. It takes away all inclination to drink, all desire and craving for drink by neutralizing the poison of alcohol in the system and ridding the blood of the poison by a rapid process of elimination, leaving the drinker in the same normal condition he was in before tasting liquor, so far as the effect of alcohol may be concerned—all appetite for drink gone—and he a new man.

No Hypodermic Injections

The NEAL internal treatment effects a perfect cure in three days without hypodermic injections.

A Guaranteed Contract

A guaranteed bond and contract is given each patient agreeing to effect a perfect cure, or refund the money at the end of the third day.

A Modern Treatment

THE NEAL IS A PHYSICIAN'S CURE for the drink habit. It is the most modern and perfect of known treatments, originated by a physician, compounded by a physician, and administered by experienced physicians.

The Neal is a Physician's Cure

If you have taken a number of old cures and gone to drinking again worse than before, what is the use of taking another old cure? The Neal is the latest, improved, up-to-date, best three day cure in the world.

Institute or Home Treatment

If unable to come to the institute send for the Home Treatment which is just as effective as Institute Treatment. Call, write or phone for free book and copy of contract. Neal Institute, Co., Q. B., 1503 South Tenth St., Omaha, Neb. All communications strictly confidential. Bank references given.
